INFORMATION ABOUT US

We are a fully-integrated, self-administered and self-managed real estate investment trust, or "REIT." We own and operate a real estate portfolio comprised predominately of Class A office and office/flex properties located primarily in the Northeast. We perform all commercial real estate leasing, management, acquisition, development and construction services on an in-house basis.

As of April 1, 2001, we owned or had interests in 268 properties, aggregating approximately 28.6 million square feet, plus developable land. Our properties are comprised of (a) 259 wholly-owned or company-controlled properties, consisting of 157 office buildings and 89 office/flex buildings (properties whose square footage predominantly consist of office space, a part of which is utilized as warehouse space), totaling approximately 26.7 million square feet; six industrial/warehouse buildings totaling approximately 387,400 square feet; two multi-family residential complexes consisting of 451 units; two stand-alone retail properties; and three land leases and (b) eight office buildings and one office/flex building, aggregating approximately 1.4 million square feet, owned by unconsolidated joint ventures in which we have investment interests. As of December 31, 2000, our office, office/flex and industrial/warehouse properties not owned by unconsolidated joint ventures were approximately 96.8% leased to over 2,400 tenants. Our properties are located in 11 states, primarily in the Northeast, plus the District of Columbia.

Our strategy has been to focus our acquisition, operation and development of office properties in markets and sub-markets where we believe we are, or can become, a significant and preferred owner and operator. We will continue this strategy by expanding, through acquisitions and/or development, in Northeast markets and sub-markets where we have, or can achieve, similar status. We believe that our properties have excellent locations and access and that they are well-maintained and professionally managed. As a result, we believe our properties attract high quality tenants and achieve among the highest rental, occupancy and tenant retention rates within their markets. Management believes that the recent trend towards increasing rental rates in our sub-markets continues to present opportunities for internal growth. Management also believes that its extensive market knowledge provides us with a significant competitive advantage which is further enhanced by our strong reputation for, and emphasis on, delivering highly responsive, professional management services.

Our shares of common stock are listed on the New York Stock Exchange and the Pacific Exchange under the symbol "CLI." We have paid regular quarterly distributions on our common stock since we commenced operations as a REIT in 1994. We intend to continue making regular quarterly distributions to the holders of our common stock. Distributions depend upon a variety of factors, and there can be no assurance that distributions will be made.

All of our interests in the properties are held by, and our operations are conducted through, Mack-Cali Realty, L.P., a Delaware limited partnership or by entities controlled by Mack-Cali Realty, L.P. As of April 1, 2000, we were the beneficial owner of approximately 79.9 percent of the outstanding partnership interests of Mack-Cali Realty, L.P., assuming the conversion of all of our preferred limited partnership units into common limited partnership units; and are its sole general partner.

We were incorporated under the laws of the State of Maryland on May 24, 1994. Our executive offices are located at 11 Commerce Drive, Cranford, New Jersey 07016, and our telephone number is (908) 272-8000. We have an internet

PLAN OF DISTRIBUTION

The shares of our common stock offered by this prospectus may be sold from time to time by the selling shareholders, or by pledgees, donees, transferees or other successors in interest. Such sales may be made on the New York Stock Exchange or other exchanges on which the common stock is traded, in the over-the-counter market, or otherwise at prices and at terms then prevailing or at prices related to the then current market price, or in negotiated transactions. The shares may be sold in one or more of the following transactions:

- (a) a block trade in which the broker or dealer so engaged will attempt to sell the selling shareholder shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- (b) purchases by a broker or dealer as principal and resale by the broker or dealer for its account pursuant to this prospectus;
- (c) an exchange distribution in accordance with the rules of the exchange; and
- (d) ordinary brokerage transactions and transactions in which the broker solicits purchasers.

In effecting sales, brokers or dealers engaged by the selling shareholders may arrange for other brokers or dealers to participate. Any broker or dealer to be utilized by a selling shareholder will be selected by such selling shareholder. Brokers or dealers will receive commissions or discounts from selling shareholders in amounts to be negotiated immediately prior to the sale. These brokers or dealers and any other participating brokers or dealers, as well as certain pledgees, donees, transferees and other successors in interest, may be deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act in connection with the sales. In addition, any securities covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

Upon being notified by a selling shareholder that any material arrangement has been entered into with a broker-dealer for the sale of selling shareholder shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, we will file a supplemental prospectus, if required, pursuant to Rule 424(c) under the Securities Act, disclosing: (i) the name of each such selling shareholder and of the participating broker-dealer(s), (ii) the number of selling shareholder shares involved, (iii) the price at which such selling shareholder shares were sold, (iv) the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable, (v) that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus and (vi) other facts material to the transaction.

The selling shareholders reserve the sole right to accept and, together with any agent of the selling shareholders, to reject in whole or in part any proposed purchase of the selling shareholder shares. The

selling shareholders will pay any sales commissions or other seller's compensation applicable to such transactions.

To the extent required, the amount of the shares to be sold, purchase

prices, public offering prices, the names of any agents, dealers or underwriters, and any applicable commissions or discounts with respect to a particular offer will be set forth in a prospectus supplement accompanying this prospectus or, if appropriate, a post-effective amendment to the registration statement. The selling shareholders and agents who execute orders on their behalf may be deemed to be underwriters as that term is defined in Section 2(11) of the Securities Act and a portion of any proceeds of sales and discounts, commissions or other seller's compensation may be deemed to be underwriting compensation for purposes of the Securities Act.

Offers and sales of shares of the common stock have not been registered or qualified under the laws of any country, other than the United States. To comply with certain states' securities laws, if applicable, the selling shareholder shares will be offered or sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the selling shareholder shares may not be offered or sold unless they have been registered or qualified for sale in such states or an exemption from registration or qualification is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in a distribution of shares of our common stock may not simultaneously engage in market-making activities with respect to such shares of common stock for a period of two to nine business days prior to the commencement of such distribution. In addition to and without limiting the foregoing, each selling shareholder and any other person participating in a distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including without limitation, Regulation M, which provisions may limit the timing of purchases and sales of any of our shares of common stock by the selling shareholders or any such other person. All of the foregoing may affect the marketability of our common stock and the brokers' and dealers' ability to engage in market-making activities with respect to our common stock.

We will pay substantially all of the expenses incident to the registration of the shares of common stock offered hereby, estimated to be approximately \$10,000.

DESCRIPTION OF OUR COMMON STOCK

GENERAL

Our authorized capital stock consists of 190,000,000 shares of common stock, par value \$.01 per share, and 5,000,000 shares of preferred stock, par value \$.01 per share. At April 11, 2001, 56,968,024 shares of common stock were issued and outstanding, and no shares of preferred stock were issued and outstanding.

Each outstanding share of common stock will entitle the holder to one vote on all matters presented to shareholders for a vote, subject to the provisions of our charter regarding the ownership of shares of common stock in excess of the ownership limit described below. Holders of shares of common stock will have no preemptive rights or cumulative voting rights. All shares of common stock to be outstanding following this offering will be duly authorized, fully paid, and nonassessable. Distributions may be paid to the holders of shares of common stock if and when declared by our board of directors out of legally available funds. We have paid regular and uninterrupted quarterly dividends from the third quarter of 1994.

Under Maryland law, shareholders are generally not liable for our debts or obligations. If we are liquidated, subject to the right of any holders of preferred stock to receive preferential distribution, each outstanding share of common stock will be entitled to participate pro rata in the assets remaining

7

after payment of, or adequate provision for, all known debts and liabilities, including debts and liabilities arising out of its status of general partner of Mack-Cali Realty, L.P.

With certain exceptions, our charter provides that no person may own, or be deemed to own by virtue of the attribution rules of the Code, more than 9.8 percent of the value of our issued and outstanding shares of capital stock. See "--Restrictions on Transfer" below.

The registrar and transfer agent for the our common stock is Equiserve Trust Company, N.A.

REDEMPTION RIGHTS

Certain individuals who received common units in Mack-Cali Realty, L.P. have the right to have their common units redeemed for cash, based upon the fair market value of an equivalent number of shares of our common stock at the time of such redemption, or, at our election, shares of our common stock, on a

one-for-one basis. However, we may not pay for such redemption with shares of common stock if, after giving effect to such redemption, any person would beneficially or constructively own shares in excess of the ownership limit described in "Restrictions on Transfer". As of April 11, 2001, the limited partners of Mack-Cali Realty, L.P. owned 14,316,544 common units, assuming conversion of all preferred limited partnership units into common limited partnership units, which can be redeemed for an equal number of shares of our common stock.

RESTRICTIONS ON TRANSFER

OWNERSHIP LIMITS. Our charter contains certain restrictions on the number of shares of capital stock that a shareholder may own, directly or beneficially. For us to qualify as a REIT under the Code, no more than 50 percent of the value of our outstanding shares of capital stock may be owned, directly or indirectly, by five or fewer individuals (as defined in the Code to include certain entities) during the last half of a taxable year (other than the first year) or during a proportionate part of a shorter taxable year. The capital stock must also be beneficially owned by 100 or more persons during at least 335 days of a taxable year or during a proportionate part of a shorter taxable year. Because we expect to continue to qualify as a REIT, our charter contains restrictions on the direct and beneficial acquisition of capital stock intended to ensure compliance with these requirements.

Our charter, subject to certain exceptions, provides that no holder may own, or be deemed to own by virtue of the attribution provisions of the Code, more than 9.8 percent (the "Ownership Limit") of the value of the issued and outstanding shares of capital stock. The board of directors may exempt a person from the Ownership Limit if evidence satisfactory to the board of directors or our tax counsel is presented that such ownership will not then or in the future jeopardize our status as a REIT. As a condition of such exemption, the intended transferee must give us written notice of the proposed transfer and must furnish such opinions of counsel, affidavits, undertakings, agreements and information as may be required by the board of directors no later than the 15th day prior to any transfer which, if consummated, would result in the intended transferee having the direct or beneficial ownership of shares in excess of the Ownership Limit. The foregoing restrictions on transferability and ownership will not apply if the board of directors determines that it is no longer in our best interests to continue to qualify as a REIT. Any transfer of securities that would: (i) create a direct or indirect ownership of shares of stock in excess of the Ownership Limit; (ii) result in the shares of stock being owned by fewer than 100 persons; or (iii) result in us being "closely held" within the meaning of Section 856(h) of the Code shall be null and void, and the transferor will be deemed not to have transferred the shares.

All certificates representing shares of common stock will bear a legend referring to the restrictions described above.

8

Every owner of more than five percent (or such lower percentage as required by the Code or regulations thereunder) of the issued and outstanding shares of capital stock must file a written notice with us containing the information specified in the charter no later than January 31 of each year. In addition, every shareholder shall upon demand be required to disclose in writing such information as we may request in order to determine the effect of such shareholder's direct, indirect and constructive ownership of such shares on our status as a REIT.

The foregoing ownership limitations may have the effect of precluding acquisition of control of us without the consent of the board of directors.

LEGAL MATTERS

Our counsel, Pryor Cashman Sherman & Flynn LLP, New York, New York, issued an opinion to us regarding certain legal matters in connection with this offering, including the validity of the issuance of the shares of common stock offered by this prospectus.

(b) Our Current Report on Form 8-K (File No. 1-13274) dated February 22, 2001;

We incorporate by reference the documents listed above and any future filings we make with the Securities and Exchange Commission under Sections 13(a), 13(c), 14 or 15(d) of the Securities and Exchange Act of 1934, as amended.

ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Our officers and directors are indemnified under Maryland law, our charter and the Second Amended and Restated Agreement of Limited Partnership of Mack-Cali Realty, L.P., as amended (the "Partnership Agreement of Mack-Cali Realty, L.P."), against certain liabilities. Our charter authorizes us, and our by-laws require us, to indemnify our directors and officers to the fullest extent permitted from time to time by the laws of the State of Maryland.

The Maryland General Corporation Law ("MGCL") permits a corporation to indemnify its directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those capacities unless it is established that the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, or the director or officer actually received an improper personal benefit in money, property or services, or in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful, or the director or officer was adjudged to be liable to the corporation for the act or omission. No amendment of our charter shall limit or eliminate the right to indemnification provided with respect to acts or omissions occurring prior to such amendment or repeal. Maryland law permits us to provide indemnification to an officer to the same extent as a director, although additional indemnification may be provided if such officer is not also a director.

The MGCL permits the charter of a Maryland corporation to include a provision limiting the liability of its directors and officers to such corporation and its stockholders for money damages, with specified exceptions. The MGCL does not, however, permit the liability of directors and officers to a corporation or its stockholders to be limited to the extent that (1) it is proved that the person actually received an improper benefit or profit in money, property or services (to the extent such benefit or profit was received) or (2) a judgment or other final adjudication adverse to such person is entered in a proceeding based on a finding that the person's action, or failure to act, was

the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. Our charter contains a provision consistent with the MGCL. No amendment of our charter shall limit or eliminate the limitation of liability with respect to acts or omissions occurring prior to such amendment or repeal.

The Partnership Agreement of Mack-Cali Realty, L.P. also provides for indemnification of us and our officers and directors to the same extent indemnification is provided to our officers and directors in our charter, and limits the liability of us and our officers and directors to Mack-Cali Realty, L.P. and its partners to the same extent liability of our officers and directors to our stockholders is limited under our charter.

In addition, the Delaware Revised Limited Partnership Act provides that a limited partner has the power to indemnify and hold harmless any partner or other person from and against any and all claims and demands whatsoever, subject to such standards and restrictions, if any, as are set forth in its partnership agreement.

We have entered into indemnification agreements with each of our directors and officers. The indemnification agreements require, among other things, that we indemnify our directors and officers to the fullest extent permitted by law, and advance to the directors and officers all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted. We also must indemnify and advance all expenses incurred by directors and officers seeking to enforce their rights under the indemnification agreements, and cover directors and officers under our directors' and officers' liability insurance. Although the form of indemnification agreement offers substantially the same scope of coverage afforded by provisions of our charter and our bylaws and the Partnership Agreement of Mack-Cali Realty, L.P., it provides greater assurance to directors and officers that indemnification will be available, because, as a contract, it cannot be modified unilaterally in the future by the Board of Directors or by the stockholders to eliminate the rights it provides.

ITEM 9. UNDERTAKINGS.

The undersigned registrant, hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
