Ladies and Gentlemen:

Mack-Cali Realty, L.P., a limited partnership organized under the laws of Delaware (the "Operating Partnership"), and Mack-Cali Realty Corporation, a Maryland corporation qualified as a real estate investment trust and the general partner of the Operating Partnership (the "Company"), propose that the Operating Partnership sell to the several underwriters named in Schedule II hereto (the "Underwriters"), for whom you (the "Representatives") are acting as representatives, the principal amount of its securities identified in Schedule I hereto (the "Securities"), to be issued under an indenture (the "Indenture") dated as of March 16, 1999, among the Operating Partnership, the Company and Wilmington Trust Company, as trustee (the "Trustee"), as supplemented by supplemental indenture no. 16 to be dated the Closing Date, between the Operating Partnership and the Trustee. To the extent there are no additional Underwriters listed on Schedule II other than you, the term Representatives as used herein shall mean you, as Underwriters, and the terms Representatives and Underwriters shall mean either the singular or plural as the context requires. Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be; and any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or

the Final Prospectus, as the case may be, deemed to be incorporated therein by reference. Certain terms used herein are defined in Section 20 hereof.

1. Representations and Warranties. Each of the Operating Partnership and the Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) Each of the Operating Partnership and the Company meets the requirements for use of Form S-3 under the Act and has prepared and filed with the Commission an automatic shelf registration statement, as defined in Rule 405 (the file number of which is set forth in Schedule I hereto) on Form S-3, including a related Base Prospectus, for registration under the Act of the offering and sale of the Securities. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Operating Partnership and the Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus supplements relating to the Securities, each of which has previously been furnished to you. The Operating Partnership and the Company will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act and the rules thereunder, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Prospectus) as the Operating Partnership has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x).

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act, the Exchange Act and the Trust Indenture Act and the respective rules thereunder; on each Effective Date and at the Execution Time, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date and on the Closing Date, the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act and the rules thereunder; and on the date of any filing pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with

information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(c) (i) The Disclosure Package and (ii) each electronic road show, when taken together as a whole with the Disclosure Package, does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Operating Partnership and the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(d) (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Operating Partnership and the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption in Rule 163, and (iv) at the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Operating Partnership was or is (as the case may be) a “well-known seasoned issuer” as defined in Rule 405. The Operating Partnership has paid the fees required by the Commission relating to the Securities.

(e) (i) At the earliest time after the filing of the Registration Statement that the Operating Partnership or another offering participant made *abona fide* offer (within the meaning of Rule 164(h)(2)) of the Securities and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Operating Partnership was not and is not an “ineligible issuer” (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Operating Partnership be considered an ineligible issuer.

(f) Each Issuer Free Writing Prospectus and the final term sheet prepared and filed pursuant to Section 5(b) hereto, if any, does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

6

As used herein, a "Repayment Event" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Operating Partnership, the Company or any subsidiary.

(y) Each of the Operating Partnership and the Company has not, directly or indirectly, (i) taken any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the

7

price of any security of the Operating Partnership or the Company to facilitate the sale or resale of the Securities or (ii) since the filing of the Registration Statement (A) sold, bid for, purchased, or paid anyone any compensation for soliciting purchases of, the Securities or (B) paid or agreed to pay to any person any compensation for soliciting another to purchase any other securities of the Operating Partnership or the Company.

(z) Subsequent to the respective dates as of which information is given in the Registration Statement, Disclosure Package and the Final Prospectus, (1) neither the Operating Partnership, the Company, nor any of the Subsidiaries has incurred any material liability or obligation, direct or contingent, or entered into any material transaction, which is not in the ordinary course of business; (2) neither the Operating Partnership nor the Company has purchased any of their respective outstanding preferred stock, common stock, preferred units, common units or warrants, nor declared, paid or otherwise made any dividend or distribution of any kind on its respective capital; and (3) there has not been any material change in the respective capital, short-term debt or long-term debt of the Operating Partnership, the Company or the Subsidiaries, except in each case as described in or contemplated by the Registration Statement, the Disclosure Package and the Final Prospectus.

(aa) The Operating Partnership or the Subsidiaries have good and indefeasible title in fee simple to all of the properties described under the section entitled “Properties” (Item 2) of the most recent Annual Report on Form 10-K of the Operating Partnership incorporated by reference in the Registration Statement (the “Properties”) and marketable title to all other property owned by each of them, in each case free and clear of any security interest, lien, mortgage, pledge, encumbrance, equity, claim and other defect, except liens which do not materially and adversely affect the value of such property and will not interfere with the use made or proposed to be made of such property by the Operating Partnership or such Subsidiary, and any and all real property and buildings held under lease by the Operating Partnership or any such Subsidiary are held under valid, subsisting and enforceable leases, with such exceptions as are not material and do not interfere with the use made or proposed to be made of such property and buildings by the Operating Partnership or such Subsidiary, in each case except as described in the Registration Statement, the Disclosure Package and the Final Prospectus.

(bb) No labor dispute with the employees of the Company or any of its subsidiaries exists or is threatened or imminent that could result in a material adverse change in the condition (financial or otherwise), business, prospects, net worth or results of operations of the Company and its subsidiaries, taken as a whole, except as described in the Disclosure Package.

(cc) The Operating Partnership, the Company and their Subsidiaries own or possess, or can acquire on reasonable terms, all material patents, trademarks, service marks, trade names, licenses, copyrights and proprietary and other confidential information currently employed by them in connection with their respective businesses, and none of the Operating Partnership, the Company nor any of their Subsidiaries has received any notice of infringement of or conflict with asserted rights of any third party with respect to the foregoing which, singly or in the aggregate, if the subject of an

8

unfavorable decision, ruling or finding, would result in a material adverse change in the condition (financial or otherwise), business, prospects, net worth or results of operations of the Operating Partnership, the Company, and the Subsidiaries, taken as a whole, except as described in the Registration Statement, the Disclosure Package and the Final Prospectus.

(dd) The Operating Partnership, the Company and each of the Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which they will be engaged; neither Operating Partnership, the Company nor any of the Subsidiaries has been refused any insurance coverage sought or applied for; and neither the Operating Partnership nor any of the Subsidiaries has any reason to believe that any of them will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have material adverse effect on the condition (financial or otherwise), business, prospects, net worth or results of operations of the Operating Partnership, the Company and the Subsidiaries, taken as a whole, except as described in the Registration Statement, the Disclosure Package and the Final Prospectus.

(ee) None of the Subsidiaries or the Operating Partnership is currently prohibited, directly or indirectly, from paying any dividends to the Operating Partnership or the Company, as the case may be, from making any other distribution on such entity’s capital stock or other equity interest, from repaying to the Company or the Operating Partnership any loans or advances to such entity from the Company or the Operating Partnership or from transferring any of such entity’s property or assets to the Company or the Operating Partnership or any of the other Subsidiaries, except as described in the Registration Statement, the Disclosure Package and the Final Prospectus.

(ff) The Operating Partnership, the Company and each of the Subsidiaries have complied with all laws, regulations and orders applicable to them or their respective businesses and Properties, except where the failure to so comply would not result in a material adverse change in the condition (financial or otherwise), business, prospects, net worth or results of operations of the Operating Partnership, the Company and the Subsidiaries, taken as a whole; the Operating Partnership, the Company, and the Subsidiaries possess all certificates, authorizations and permits issued by the appropriate federal, state, municipal or foreign regulatory authorities necessary to conduct their respective businesses, except where the failure to possess the same would not result in a material adverse change in the condition (financial or otherwise), business, prospects, net worth or results of operations of the Operating Partnership, the Company, and the Subsidiaries, taken as a whole; and neither the Operating Partnership, the Company nor any of the Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a material adverse change in the condition (financial or otherwise), business, prospects, net worth or results of operations of the Operating Partnership, the Company and the Subsidiaries, taken as a whole, except as described in the Registration Statement, the Disclosure Package and the Final Prospectus.

9

(gg) There is and has been no failure on the part of the Operating Partnership, the Company or the Subsidiaries or any of the directors or officers of the Operating Partnership, the Company or the Subsidiaries, in their capacities as such, to comply with any provision of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith, including, without limitation, Section 402 related to loans, Section 404 related to internal control over financial reporting and Sections 302 and 906 related to certifications.

(hh) The Operating Partnership and the Company will each conduct their operations in a manner that will not subject them to registration as an investment company under the Investment Company Act of 1940, as amended (the “Investment Company Act”), and the transactions contemplated by this Agreement and the application of the net proceeds as described in the Disclosure Package and the Final Prospectus will not cause the Operating Partnership or the Company to become an investment company subject to registration under the Investment Company Act.

(ii) The Operating Partnership, the Company and each of their Subsidiaries have filed all foreign, federal, state and local tax returns that are required to be filed or have requested extensions thereof (except in any case in which the failure to file would not have a material adverse effect on the condition (financial or otherwise), business, prospects, net worth or results of operations of the Operating Partnership, the Company and the Subsidiaries, taken as a whole) and have paid all taxes required to be paid by them and any other assessment, fine or penalty levied against them, to the extent that any of the foregoing is due and payable, except for any such assessment, fine or penalty that is currently being contested in good faith or as described in the Registration Statement, the Disclosure Package and the Final Prospectus.

(jj) The Company is organized in conformity with the requirements for qualification as a real estate investment trust (a “REIT”) under the Internal Revenue Code of 1986, as amended (the “Code”), and the present and contemplated method of operation of the Company and its subsidiaries does and will enable the Company to meet the requirements for taxation as a REIT under the Code.

(xiv) the issuance, offering and sale of the Securities to the Underwriters by the Company pursuant to this Agreement, the compliance by the Operating Partnership and the Company with the other provisions of this Agreement and the consummation of the other transactions herein contemplated do not (A) require the consent, approval, authorization, registration or qualification of or with any governmental authority, except such as have been obtained and such as may be required under state securities or blue sky laws (as to which such counsel need not opine) or (B) conflict with or result in a breach or violation of any of the terms and provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the Properties or any other properties or assets of the Operating Partnership, the Company or any of their respective Subsidiaries pursuant to (i) any indenture, mortgage, deed of trust, lease or other agreement or instrument to which the Operating Partnership, the Company or any of their respective Subsidiaries is a party or by which the Operating Partnership, the Company or any of their respective subsidiaries or the Properties or any other of their respective properties are bound except such as would not result in any material adverse effect in the condition (financial or otherwise), business prospects, net worth or results of operations of the Operating Partnership, the Company and its Subsidiaries, taken as a whole, or (ii) the agreement of limited partnership, articles of incorporation, by-laws or other organizational documents, as the case may be, of the Operating Partnership, the Company or any of their respective Subsidiaries, or (iii) any law or statute or any judgment, decree, order, rule or regulation of any court or other governmental authority or (to the best knowledge of such counsel) any arbitrator applicable to the Operating Partnership, the Company or any of their respective Subsidiaries or any of the Properties except such as would not result in any material adverse effect in the condition (financial or otherwise), business prospects, net worth or results of operations of the Operating Partnership, the Company and its Subsidiaries, taken as a whole;

(xv) none of the Subsidiaries or the Operating Partnership is currently contractually prohibited, directly or indirectly, from paying any dividends to the Operating Partnership or the Company, as the case may be, from making any other distribution on such entity's capital stock or other equity interests, from repaying to the Operating Partnership any loans or advances to such entity from the Operating Partnership or from transferring any of such entity's property or assets to the Operating Partnership or any of the other Subsidiaries, except as described in the Disclosure Package;

(xvi) to the best knowledge of such counsel, the Operating Partnership and the Subsidiaries possess all certificates, authorizations, licenses and permits issued by the appropriate federal, state, municipal or foreign regulatory authorities necessary to conduct their respective businesses except for such certificates, authorizations, licenses and permits the failure of which to possess would not be expected to result in a material adverse change in the condition (financial or otherwise), business, prospects, net worth or results of operations of the Operating Partnership, the Company and the Subsidiaries, taken as a whole, and neither the

22

Operating Partnership, the Company nor any of the Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such certificate, authorization, license or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a material adverse change in the condition (financial or otherwise), business, prospects, net worth or results of operations of the Operating Partnership, the Company and the Subsidiaries, taken as a whole, except as described in the Disclosure Package;

(xvii) neither the Operating Partnership nor the Company is subject to registration as an investment company under the Investment Company Act, and the transactions contemplated by this Agreement will not cause the Operating Partnership or the Company to become an investment company subject to registration under the Investment Company Act;

(xviii) none of the Operating Partnership, the Company nor any of the Subsidiaries is in violation of any term or provision of its articles of incorporation, bylaws, partnership agreements or other organizational documents, as the case may be; no default exists, and no event has occurred which, with notice or lapse of time or both, would constitute a default, and the issuance, offering and sale of the Securities to the Underwriters by the Company pursuant to this Agreement, the compliance by the Operating Partnership and the Company with the other provisions of this Agreement and the consummation of the other transactions herein and therein contemplated will not result in any default, in the due performance and observance of any term, covenant or condition of any indenture, mortgage or deed of trust, or any material lease or other agreement or instrument known to such counsel after due inquiry to which the Operating Partnership and the Company or any of the Subsidiaries is a party or by which the Operating Partnership and the Company, any of the Subsidiaries, any of the Properties or any of their respective other properties is bound or may be affected except such as would not result in any material adverse effect in the condition (financial or otherwise), business, prospects, net worth or results of operations of the Company, the Operating Partnership and its Subsidiaries, taken as a whole;

(xix) the Registration Statement is effective under the Securities Act; the Prospectus has been filed with the Commission in the manner and within the time period required by Rules 424(b); any Issuer Free Writing Prospectus has been filed with the Commission to the extent required by Rule 433 of the Securities Act; and no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto and no order directed at any document incorporated by reference in the Registration Statement, the Disclosure Package, the Final Prospectus, or any amendment or

supplement thereto has been issued, and no proceedings for that purpose pursuant to Section 8A of the Securities Act or this offering have been instituted or, to the best knowledge of such counsel, threatened by the Commission; and

(xx) the Registration Statement originally filed with respect to the Securities and each amendment thereto, each free writing prospectus included in

23

the Disclosure Package and the Final Prospectus (in each case, including the documents incorporated by reference therein but not including the financial statements and other financial and statistical data contained therein, as to which such counsel need express no opinion) comply as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act and the respective rules and regulations of the Commission thereunder; and the statements set forth under the headings “Material United States Federal Income Tax Considerations” in the Basic Prospectus and “Certain United States Federal Income Tax Considerations to Holders of Notes” in the Prospectus, insofar as such statements constitute a summary of the legal matters, documents or proceedings referred to therein, provide a fair summary of such legal matters, documents and proceedings.

In rendering such opinion, such counsel may rely (A) as to matters involving the application of laws of any jurisdiction other than the State of New York or the Federal laws of the United States, to the extent they deem proper and specified in such opinion, upon the opinion of other counsel of good standing whom they believe to be reliable and who are satisfactory to counsel for the Underwriters and (B) as to matters of fact, to the extent they deem proper, on certificates of responsible officers of the Operating Partnership and public officials. References to the Final Prospectus in this paragraph (b) shall also include any supplements thereto at the Closing Date.

(c) The Representatives shall have received from Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture, the Registration Statement, the Disclosure Package, the Final Prospectus (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Operating Partnership shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(d) The Operating Partnership shall have furnished to the Representatives a certificate of the Operating Partnership, signed by the Chairman of the Board or the President and the principal financial or accounting officer of the Operating Partnership, dated the Closing Date, to the effect that the signers of such certificate have carefully examined the Registration Statement, the Disclosure Package, the Final Prospectus and any supplements or amendments thereto, as well as each electronic road show used in connection with the offering of the Securities, and this Agreement and that:

(i) the representations and warranties of the Operating Partnership in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date and the Operating Partnership has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings

24

for that purpose have been instituted or, to the Operating Partnership’s knowledge, threatened;

(iii) since the date of the most recent financial statements included in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there has been no material adverse effect on the condition (financial or otherwise), prospects, earnings, business or properties of the Operating Partnership and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto); and

(iv) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any of the securities of the Company or any of its subsidiaries by any “nationally recognized statistical rating organization,” as such term is defined for purposes of Rule 436(g)(2) under the Securities Act;

(e) The Underwriters shall have received, on each of the date hereof and the Closing Date, a letter dated the date hereof or the Closing Date, as the case may be, in form and substance satisfactory to the Underwriters from PricewaterhouseCoopers LLP, an independent registered public accounting firm, containing statements and information of the type ordinarily included in accountants’ “comfort letters” to underwriters with respect to the financial statements and certain financial information contained in or incorporated by reference into the Registration Statement, the Disclosure Package and the Prospectus; provided that the letter delivered on the Closing Date shall use a “cut-off date” not earlier than the date hereof.;

(f) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereof) and the Final Prospectus (exclusive of any amendment or supplement thereto), there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (e) of this Section 6 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of the Operating Partnership, the Company and its subsidiaries taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto) the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the offering or delivery of the Securities as contemplated by the Registration Statement (exclusive of any amendment thereof), the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(g) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Operating Partnership’s and the Company’s debt securities by

25

any “nationally recognized statistical rating organization” (as defined for purposes of Rule 436(g) under the Act) or any notice given of any intended or potential decrease in any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(h) Prior to the Closing Date, the Operating Partnership shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 6 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Operating Partnership or Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 shall be delivered at the office of Seyfarth Shaw LLP, counsel for the Operating Partnership and the Company, at 620 Eighth Avenue, New York, New York, on the Closing Date.

7. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Operating Partnership and the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Operating Partnership and the Company will reimburse the Underwriters severally through the Representatives on demand for all expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution.

(a) The Operating Partnership and the Company agree to indemnify and hold harmless each Underwriter, the directors, officers, employees, agents and affiliates of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Securities as originally filed or in any amendment thereof, or in the Base Prospectus, any Preliminary Prospectus or any other preliminary prospectus supplement relating to the Securities, the Final Prospectus, any Issuer Free Writing Prospectus or the information contained in the final term sheet required to be prepared and filed pursuant to Section 5(b) hereto, or in any amendment thereof or supplement thereto, or arise out of or

26

are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Operating Partnership and the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Operating Partnership and the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Operating Partnership and Company may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Operating Partnership and the Company, each of its directors, each of its officers who signs the Registration Statement, and each person who controls the Operating Partnership and the Company within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Operating Partnership or the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Operating Partnership or Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Operating Partnership acknowledges that the statements set forth (i) in the last paragraph of the cover page regarding delivery of the Securities and, (ii) under the heading "Underwriting", (A) the list of Underwriters and their respective participation in the sale of the Securities, (B) the sentences related to concessions and reallowances and (C) the paragraph related to stabilization, syndicate covering transactions and penalty bids in any Preliminary Prospectus and the Final Prospectus constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any

27

separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(d) In the event that the indemnity provided in paragraph (a), (b) or (c) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Operating Partnership, the Company and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively "Losses") to which the Operating Partnership and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Operating Partnership on the one hand and by the Underwriters on the other from the offering of the Securities; provided, however, that in no case shall (i) any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Operating Partnership and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Operating Partnership on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Operating Partnership shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to

untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Operating Partnership or the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Operating Partnership and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Operating Partnership, subject in each case to the applicable terms and conditions of this paragraph (d).

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the remaining Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Operating Partnership. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Operating Partnership and any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Operating Partnership prior to delivery of and payment for the Securities, if at any time prior to such delivery and payment (i) trading in the Company's Common Stock shall have been suspended by the Commission or trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such exchange, (ii) a banking

moratorium shall have been declared either by Federal or New York State authorities or (iii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering or delivery of the Securities as contemplated by any Preliminary Prospectus or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Operating Partnership or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Operating Partnership or any of the officers, directors, employees, agents or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 7 and 8 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representatives, will be mailed, delivered or telefaxed to the Citigroup Global Markets Inc. General Counsel Fax No.: (212) 816 7912 and confirmed in writing to, Citigroup Global Markets Inc., at 388 Greenwich Street, New York, New York 10013; Attention: General Counsel; Merrill Lynch, Pierce, Fenner & Smith Incorporated at One Bryant Park, New York, New York 10036, Fax No. (646) 855-3073, Attention: Syndicate Department (with a copy to: fax no. Hersh.

13. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers, directors, employees, agents and controlling persons referred to in Section 8 hereof, and no other person will have any right or obligation hereunder.

14. No Fiduciary Duty. The Operating Partnership and the Company hereby acknowledge that (a) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Operating Partnership, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Operating Partnership and (c) the Operating Partnership's engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Operating Partnership agrees that it is solely responsible for making its own judgments in connection with the offering (irrespective of whether any of the Underwriters has advised or is currently advising the Operating Partnership on related or other matters). The Operating Partnership agrees that it will not claim that the Underwriters have rendered advisory services of any nature or respect, or owe an agency, fiduciary or similar duty

to the Operating Partnership, in connection with such transaction or the process leading thereto. Any review by the Underwriters of the Operating Partnership and the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Operating Partnership and the Company.

15. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Operating Partnership, the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

16. Applicable Law. This Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

17. Waiver of Jury Trial. The Operating Partnership hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

18. Counterparts. This Agreement may be signed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.
