NEWS RELEASE

For Immediate Release

MACK-CALI ANNOUNCES THIRD QUARTER LEASING RESULTS

Company Leases Over 664,000 Square Feet During the Third Quarter; Announces Plan to Build Harborside 4 on the Hudson River Waterfront

Jersey City, New Jersey—October 24, 2016—Mack-Cali Realty Corporation (NYSE: CLI) today announced that it executed 62 leases totaling 664,490 square feet for its office and flex commercial real estate properties during the quarter ending September 30, 2016. Of the square feet leased, 289,991 square feet (44 percent) were for new leases and 374,499 square feet (56 percent) were for lease renewals and other tenant transactions. At quarter end, Mack-Cali's Core, Flex, and Waterfront properties, totaling 19.8 million square feet, achieved 90.3 percent leased. The overall percentage leased when Non-Core assets are included is 87.7 percent, up 100 basis points from last quarter's 86.7 percent. The third quarter leases had a direct impact on the Company's 2017 expirations, reducing the total by almost 100,000 square feet to 2.9 million square feet.

"We are pleased with the significant leasing momentum we're seeing across our portfolio, particularly along the Hudson River Waterfront where occupancy achieved 95 percent," said Mitchell E. Rudin, Mack-Cali Chief Executive Officer. "This quarter we produced GAAP roll up of 9.1 percent and cash roll up of 2.3 percent. We continue to be focused on core markets and key properties with an eye toward transforming these assets with first-class amenity packages. Over the first nine months of this year, we have executed 218 leases totaling 2.5 million square feet. These results include 830,000 square feet of new leases, and over 1.6 million square feet of renewal and other tenant transactions. Of the 160 transactions for renewals and space vacant less than a year, 139 produced GAAP rent roll ups, while four were net neutral and 17 were roll downs. Year to date our rents have rolled up 10.5 percent on a cash basis and 19.3 percent on a GAAP basis."

"As some may have noticed today we ran an ad in the Wall Street Journal thanking our colleagues in the leasing business for helping us achieve 95 percent occupancy across our Waterfront portfolio," said Michael DeMarco, Mack-Cali President. "We also ran an ad announcing our previously discussed joint venture with SJP Properties to design, lease, and build Harborside 4, a 1.2 million-square-foot office tower. We chose SJP, who will be an equity partner in the proposed venture, because Steve Pozycki, the founder, is a master builder with an unmatched record of building iconic structures on time and on budget. The project only gets built if we achieve substantial preleasing at our desired rates. We believe tenant demand is there today as is our ability to finance and add an additional equity partner, if necessary. The Harborside 4 site is an existing parking lot that we own free and clear of debt for over 20 years."

Large block transactions of over 20,000 square feet during the quarter total 400,000 square feet
