Item 1.01 Entry into a Material Definitive Agreement.

On February 27, 2017, Mack-Cali Realty, L.P. (the “Company”), the operating partnership of Mack-Cali Realty Corporation (the “General Partner”) through which the General Partner conducts its business, Roseland Residential Trust (“RRT”), the Company’s subsidiary through which the Company conducts its multi-family residential real estate operations, Roseland Residential, L.P. (“RRLP”), the operating partnership through which RRT conducts all of its operations, and certain other affiliates of the Company entered into a preferred equity investment agreement (the “Original Investment Agreement”) with certain affiliates of Rockpoint Group, L.L.C. (Rockpoint Group, L.L.C. and its affiliates, collectively, “Rockpoint”). As more fully described in Item 9B of the Company’s Annual Report on Form 10-K for the year ended December 31, 2016, the Original Investment Agreement provided for RRT to contribute property to RRLP in exchange for common units of limited partnership interests in RRLP (the “Common Units”) and for multiple equity investments by Rockpoint in RRLP from time to time for up to an aggregate of \$300 million of Class A preferred units (“Class A Preferred Units”) and Class B preferred units (“Class B Units”) of limited partnership interests in RRLP (collectively, the “Preferred Units”). All \$300 million of such Preferred Units were issued to Rockpoint prior to February 27, 2019.

On June 26, 2019, the Company, RRT, RRLP, certain other affiliates of the Company and Rockpoint entered into an additional preferred equity investment agreement (the “Add On Investment Agreement”). The closing under the Add On Investment Agreement occurred on June 28, 2019 (the “Closing Date”). Pursuant to the Add On Investment Agreement, on the Closing Date Rockpoint invested an additional \$100 million in Class A Preferred Units. In addition, RRT agreed to contribute to RRLP two additional properties located in Jersey City, New Jersey. Except as described herein, the investment contemplated by the Add On Investment Agreement is on terms and conditions substantially similar to those contemplated by the Original Investment Agreement.

In connection with the Add On Investment Agreement, the parties entered into a Third Amended and Restated Limited Partnership Agreement of RRLP (the “New LPA”) on the Closing Date. Pursuant to the New LPA, the cash flow from operations of RRLP will be distributable to Rockpoint and RRT as follows:

- first, to provide a 6% annual return to Rockpoint and RRT on their capital invested in Preferred Units (the “Preferred Base Return”);
- second, to provide a 6% annual return to RRT (the “RRT Base Return”) on the equity value of the properties contributed by it to RRLP in exchange for Common Units, with Rockpoint entitled to an additional amount equal to 4.64% (subject to adjustment in the event RRT contributes additional property to RRLP in the future) of the amount distributable to RRT (under the Original Investment Agreement, Rockpoint’s matching percentage was 5.0%); and

· third, pro rata to Rockpoint and RRT based on total respective capital invested in and contributed equity value of Preferred and Common Units (21.89% to Rockpoint in respect of Preferred Units, 2.65% to RRT in respect of Preferred Units and 75.46% to RRT in respect of Common Units, subject to adjustment in the event of future contributions to the capital of RRLP by Rockpoint and/or RRT).

RRLP's cash flow from capital events will generally be distributable by RRLP to Rockpoint and RRT as follows:

· first, to Rockpoint and RRT to the extent there is any unpaid, accrued Preferred Base Return;

· second, as a return of capital to Rockpoint and to RRT in respect of Preferred Units;

· third, to RRT to the extent there is any unpaid, accrued RRT Base Return in respect of Common Units, with Rockpoint entitled to an additional amount equal to 4.64% (subject to adjustment in the event RRT contributes additional property to RRLP in the future) of the amount distributable to RRT (under the Original Investment Agreement, Rockpoint's matching percentage was 5.0%);

· fourth, as a return of capital to RRT based on the equity value of the properties contributed by it to RRLP in exchange for Common Units, with Rockpoint entitled to an additional amount equal to 4.64% (subject to adjustment in the event RRT contributes additional property to the capital of RRLP in the future) of the amount distributable to RRT (under the Original Investment Agreement, Rockpoint's matching percentage was 5.0%);

· fifth, pro rata to Rockpoint and RRT based on respective total capital invested in and contributed equity value of Preferred and Common Units until Rockpoint has received an 11% internal rate of return (21.89% to Rockpoint in respect of its Preferred Units, 2.65% to RRT in respect of its Preferred Units and 75.46% to RRT in respect of its Common Units, subject to adjustment in the event of future contributions to the capital of RRLP by Rockpoint and/or RRT); and

· sixth, to Rockpoint and RRT in respect of their Preferred Units based on 50% of their pro rata shares described in "fifth" above and the balance to RRT in respect of its Common Units (10.947% to Rockpoint in respect of its Preferred Units, 1.325% to RRT in respect of its Preferred Units and 87.728% to RRT in respect of its Common Units, subject to adjustment in the event of future contributions to the capital of RRLP by Rockpoint and/or RRT).

In addition, Rockpoint has a right of first refusal, on terms substantially similar to those applicable to its investment on the Closing Date, to invest another \$100 million in Preferred Units in the event RRT determines that RRLP requires additional capital prior to March 1, 2023. In general, RRLP may not sell its properties in taxable transactions, although it may engage in tax-deferred like-kind exchanges of properties or it may proceed in another manner designed to avoid the recognition of gain for tax purposes.

Except in the case of a sale of RRLP or an initial public offering or spin-off of RRT, Rockpoint's interest in the Preferred Units may not be redeemed or repurchased by RRT until March 1, 2023, which date is one year later than under the previous transaction.

Pursuant to an amended and restated shareholders agreement of RRT (the "Shareholders Agreement") entered into on the Closing Date, RRT has increased the size of its board of trustees from six to seven persons, with five trustees being designated by the Company and two trustees being designated by Rockpoint.

Under a Discretionary Demand Promissory Note (the "Credit Enhancement Note"), the Company may provide periodic cash advances to RRLP. The Credit Enhancement Note provides for an interest rate equal to the London Inter-Bank Offered Rate plus fifty (50) basis points above the applicable interest rate under the Company's unsecured revolving credit facility. The maximum aggregate principal amount of advances at any one time outstanding under the Note is limited to \$50 million, an increase of \$25 million from the prior transaction.

A copy of the Add On Investment Agreement is filed as Exhibit 10.1 hereto and is incorporated herein by reference. Forms of the New LPA, Shareholders Agreement and Credit Enhancement Note, and the related Amended and Restated Shared Services Agreement, Recourse Agreement and Registration Rights Agreement are included as Exhibits to the Add On Investment Agreement and the related Indemnity Agreement is included as an exhibit to the New LPA, and each of these other agreements (other than the Indemnity Agreement) were entered into by the parties thereto on the Closing Date and are separately filed as Exhibits 10.2 through 10.8 hereto and are incorporated herein by reference.

Each Party acknowledges and agrees that it has independently determined, based on the information available to it and with the advice of its own legal counsel, that no filing or notification pursuant to the HSR Act is required with respect to the transactions contemplated by this Agreement.

(b) All analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals made by or on behalf of either Party or its Affiliates before any Governmental Authority or the staff or regulators of any Governmental Authority in connection with the transactions contemplated hereunder (but, for the avoidance of doubt, not including any interactions between the MC Partnership Parties or their respective Subsidiaries and Governmental Authorities in the Ordinary Course of Business, any disclosure which is not

permitted by Law or any disclosure containing confidential information with respect to either Party) shall be disclosed to the other Party hereunder in advance of any joint filing, submission or attendance (subject to applicable attorney-client or other legal privilege), it being the intent that the Parties will consult and cooperate with one another, and consider in good faith the views of one another, in connection with any such joint analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals. Each Party shall give notice to the other Party with respect to any joint meeting, discussion, appearance or contact with any Governmental Authority or the staff or regulators of any Governmental Authority, with such notice being sufficient to provide the other Party with the opportunity to attend and participate in such meeting, discussion, appearance or contact.

(c) The Partnership and the RP Investors shall give all notices to, and obtain all consents from, all third parties that are described in Schedule 3.04 of the Disclosure Letter.

Section 5.05 Closing Conditions. From the date hereof until the Closing, each Party hereto shall use commercially reasonable best efforts to take such actions as are necessary to expeditiously satisfy the closing conditions set forth in Article VI hereof.

Section 5.06 Public Announcements. Unless otherwise required by applicable Law (based upon the reasonable advice of counsel), (i) the RP Investors shall not make any public announcements in respect of this Agreement or the transactions contemplated hereby or otherwise communicate with any news media without the prior written consent of the Partnership and (ii) none of the MCRC Parties nor the MC Partnership Parties shall make any public announcements in respect of this Agreement without the written consent of RP Investors. Notwithstanding the foregoing, the MCRC Parties shall be permitted to make any and all required disclosures of this Agreement and the transactions contemplated thereunder to the SEC, including, but not limited to, filing this Agreement with the SEC in connection with a Form 8-K within four (4) Business Days of its execution, subject to the right of the RP Investors and their counsel to review copies of any such proposed filing or filings in advance thereof and comment thereon, and the obligation of the MCRC Parties to accept any comments reasonably requested by the RP Investors or their counsel with respect to the description of the RP Investors in such filing or filings. The MC Partnership Parties and the MCRC Parties agree to cooperate in good faith to jointly prepare and release a press release or other form of public announcement relating to the entry of the transactions contemplated hereby.

Section 5.07 Further Assurances. Following the Closing, each of the RP Investors, the MCRC Parties and the MC Partnership Parties hereto shall, and shall cause their respective Affiliates to, execute and deliver such additional documents, instruments, conveyances and assurances, and take such further actions as may be reasonably required to carry out the provisions hereof and give effect to the transactions contemplated by this Agreement.

Section 5.08 Transfer Taxes. All transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) incurred by the Partnership or any of the Partnership's Subsidiaries in connection with this Agreement (including any real property transfer Tax and any other similar Tax resulting from the issuance of the Preferred Units to the RP Investors) shall be borne and paid by the General

Partner when due, without any special allocation (other than pro rata allocation to Persons other than the RP Investors) of such expense to one or more partners under the Third Amended and Restated LP Agreement. The Partnership shall timely file or cause to be filed any Tax Return or other document with respect to such Taxes or fees (and the RP Investors shall cooperate with respect thereto as necessary at no cost to the RP Investors). The expenses relating to filing any such Tax Return shall be borne by the MCRC Parties.

Section 5.09 REIT Covenants. The Partnership shall at all times through and including the end of the calendar year following the first date on which there are no Preferred Units outstanding, cause the representations in Section 3.16(b) and Section 3.19 to remain true, correct and complete. This Section 5.09 shall survive the termination of this Agreement for so long as the RP Investors own any Preferred Units or Common Units.

Section 5.10 Reservation of Securities. The Partnership shall at all times keep available, free from preemptive rights, the full amount of Reserved Units sufficient for the purpose of effecting any and all conversions of the Preferred Units issuable pursuant to this Agreement, the Third Amended and Restated LP Agreement, the Ancillary Agreements and any related documents. For as long as any of the Preferred Units contemplated by this Agreement remain unissued or outstanding, the Partnership shall keep available, free from preemptive rights, Common Units sufficient for the purpose of effecting the conversion of those unissued or outstanding Preferred Units in the full number of Common Units issuable upon the conversion of the unissued or outstanding Preferred Units. All Preferred Units, and all Common Units delivered in respect of the Preferred Units, shall be newly issued, duly authorized and validly issued, fully paid and non-assessable, free from preemptive rights and free of any lien or adverse claim other than any such restrictions under this Agreement or applicable state and federal securities Laws.

ARTICLE VII INDEMNIFICATION

Section 7.01 **Survival.** Subject to the limitations and other provisions of this Agreement, the representations and warranties contained herein shall survive the Closing and shall remain in full force and effect until the date that is fifteen (15) months from the Closing Date; *provided, however*, that the representations and warranties in: (i) Section 3.01 (Organization and Authority of the Partnership); Section 3.02 (Capitalization); Section 3.04 (No Conflicts; Consents); Section 3.18 (Brokers); Section 3.19 (REIT Requirements); Section 3.20 (Private Placement) (collectively, the “**Fundamental Representations**”); (ii) Section 3.29 (Organization and Authority of the MCRC Parties); Section 3.30 (No Conflicts; Consents); Section 3.31 (Arm’s-Length Transaction); Section 3.32 (Legal Proceedings; Governmental Orders) and Section 3.33 (Ownership of MC Partnership Parties) (collectively, the “**MCRC Parties Representations**”); and (iii) Section 3.14 (Employee Benefit Matters), Section 3.16 (Taxes), Section 3.22 (Anti-Takeover Provision) (collectively, the “**Special Representations**”), shall in each case survive for the full period of all applicable statutes of limitations (giving effect to any waiver, mitigation or extension thereof) plus 60 days. None of the covenants or other agreements contained in this Agreement shall survive the Closing Date pursuant to this Agreement other than those which by their terms contemplate performance after the Closing Date, and each such surviving covenant and agreement shall survive the Closing for the period contemplated by its terms. For the avoidance of doubt, the Parties acknowledge and agree that the applicable survival periods set forth in this Section 7.01 are intended to shorten the period otherwise provided by Law (except with respect to the Fundamental Representations, MCRC Parties Representations and Special Representations) during which claims for breach of representations, warranties and covenants can be made, and that any such claims must be made on or prior to the expiration date of applicable survival period set forth in this Section 7.01 or be forever barred. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the non-breaching Party to the breaching Party on or prior to the expiration date of the applicable survival period shall not thereafter be barred by the expiration of such survival period and such claims shall survive until finally resolved.

Section 7.02 **Indemnification By the MCRC Parties.** Subject to the other terms and conditions of this Article VII, from and after the Closing, the MCRC Parties shall jointly and severally save, defend and indemnify each of the RP Investors, and each of their respective partners, directors, officers, members, agents, employees, Related Parties, Affiliates, Subsidiaries, direct and indirect owners and equity holders, and each of the successors and assigns of all of the foregoing persons (each, an “**RP Investor Indemnified Party**”) (who for purposes of this Article VII are express third party beneficiaries of this Article VII) against, and shall hold each RP Investor and RP Investor Indemnified Party harmless from and against, and shall compensate and reimburse each of the foregoing for, on an after-tax basis, any and all Losses asserted against, incurred, suffered or sustained by, or imposed upon, such RP Investor or RP Investor Indemnified Party based upon, arising out of, with respect to or by reason of the following (such Losses to be determined without regard to any qualification or exception

contained therein relating to materiality, “Material Adverse Effect” or any similar materiality qualification or standard):

- (a) any inaccuracy in or breach of any of the Fundamental Representations; or
- (b) any inaccuracy in or breach of the MCRC Parties Representations.

Section 7.03 Indemnification By the MC Partnership Parties. Subject to the other terms and conditions of this Article VII, from and after the Closing, the MC Partnership Parties shall jointly and severally save, defend and indemnify each RP Investor and any RP Investor Indemnified Party against, on an after-tax basis, and shall hold each RP Investor and RP Investor Indemnified Party harmless from and against, any and all Losses asserted against, incurred, suffered or sustained by, or imposed upon, such RP Investor or RP Investor Indemnified Party based upon, arising out of, with respect to or by reason of the following:

- (a) any inaccuracy in or breach of any of the representations or warranties of the MC Partnership Parties contained in Article III (other than the Fundamental Representations or the MCRC Parties Representations) (such Losses to be determined without regard to any qualification or exception contained therein relating to materiality, “Material Adverse Effect” or any similar materiality qualification or standard);
- (b) any breach, non-compliance or non-fulfillment of any covenant, agreement or obligation to be performed by any MC Partnership Party pursuant to this Agreement, which, by their terms, contemplate performance after the Closing; or
- (c) to the extent that the indemnity contemplated by Section 7.02 is insufficient to hold any RP Investor Indemnified Party harmless from and indemnified against such Loss, but solely to the extent of such insufficiency.

Section 7.04 Indemnification By the RP Investors. Subject to the other terms and conditions of this Article VII, from and after the Closing, the RP Investors shall jointly and severally save, defend and indemnify the MCRC Parties, the MC Partnership Parties, and each of their respective partners, directors, officers, members, agents, employees, Related Parties, Affiliates, Subsidiaries, direct and indirect owners and equity holders, and each of the successors and assigns of all of the foregoing persons (each, an “**MC Indemnified Party**”) against, and shall hold such MC Indemnified Party harmless from and against, any and all Losses asserted against, incurred, suffered or sustained by, or imposed upon, any such MC Indemnified Party based upon, arising out of, with respect to or by reason of:

- (a) any inaccuracy in or breach of any of the representations or warranties of the RP Investors contained in Article IV (such Losses to be determined without regard to any qualification or exception contained therein relating to materiality, “Material Adverse Effect” or any similar materiality qualification or standard); or
- (b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by the RP Investors pursuant to this Agreement.

Section 7.05 **Certain Limitations.** The Party making a claim under this Article VII is referred to as the “**Indemnified Party**”, and the Party against whom such claims are asserted under this Article VII is referred to as the “**Indemnifying Party**”. The indemnification provided for in Section 7.02 and Section 7.03 shall be subject to the following limitations:

(a) Neither the MCRC Parties nor the MC Partnership Parties shall be liable to the RP Investors or any other RP Investor Indemnified Party for Losses entitled to be indemnified under Section 7.02 or Section 7.03 until such time as the aggregate amount of all Losses under Section 7.02 or Section 7.03 exceeds \$1,500,000 (the “**Indemnification Threshold**”), in which event the MCRC Parties or MC Partnership Parties, as applicable, shall be required to pay or be liable for all Losses for which the RP Investors and other RP Investor Indemnified Parties are entitled to be indemnified hereunder (including any Losses below the Indemnification Threshold).

(b) The maximum aggregate amount of all Losses for which the MC Partnership Parties may be liable pursuant to Section 7.03, except with respect to breaches of Fundamental Representations, shall not exceed \$100,000,000 (which amount shall be increased by the dollar amount of any additional Class A Preferred Partnership Units purchased pursuant to the RP Subscription Right). The aggregate amount of all Losses for which the RP Investors may be liable pursuant to Section 7.04 shall not exceed \$100,000,000.

(c) Notwithstanding the foregoing, the limitations set forth in Section 7.05(a) and Section 7.05(b) shall not apply to Losses based upon, arising out of, with respect to or by reason of any inaccuracy in or breach of any Fundamental Representations or in the case of Fraud found to have been committed by the Indemnifying Party by a court of competent jurisdiction in a judgment which has become final in that it is no longer subject to appeal or review.

(d) Notwithstanding anything to the contrary herein, the sole and exclusive remedy for indemnification pursuant to Section 7.03(a) hereof shall be made in accordance with Section 9(g) of the Third Amended and Restated LP Agreement, and the RP Investor Indemnified Parties shall not seek recourse for claims under Section 7.03(a) by any other means.

(e) Upon making any payment in respect of claim as provided for in this Article VII, the Indemnifying Party will, to the extent of such payment, be subrogated to all rights of Indemnified Party against any third person (other than an insurance company) in respect of the Loss to which such payment related; *provided, however*, that (i) the Indemnifying Party shall then be in compliance with its obligations under this Agreement in respect of such Loss and (ii) until Indemnified Party fully recovers payment of its Loss, any and all claims of the Indemnifying Party against any such third person on account of such payment will be subordinated in right of payment to Indemnifying Party’s rights against such third person. Without limiting the generality or effect of any other provision hereof, each such Indemnifying Party and Indemnified Party will duly execute upon request all instruments reasonably necessary to evidence and perfect the above-described subrogation and subordination rights. To the extent that insurance proceeds or other third party proceeds are received after payment has been made by an Indemnifying Party, the Indemnified Party shall promptly pay to the Indemnifying Party an amount equal to such proceeds (up to, but not in excess of, the amount previously paid by the Indemnifying Party to the Indemnified Party). Any payment hereunder shall be treated as provided by the Code and

applicable Treasury Regulations in order to comply with Section 7(d) of the Third Amended and Restated LP Agreement consistent with the economic arrangement of the Parties.

(f) The Indemnified Party shall seek to mitigate the amount of any Losses to the extent, if any, required by applicable law. Without limiting the foregoing, Losses shall be calculated net of actual payments received by an Indemnified Party pursuant to such Indemnified Party's existing insurance policies (net of reasonable collection costs). Each Indemnified Party hereby agrees to use commercially reasonable efforts to collect any and all insurance proceeds to which it may be entitled in respect of any such Losses that may reduce or eliminate any applicable Losses to the same extent as it would if such Losses were not subject to indemnification hereunder; it being understood that no Indemnified Party shall be obligated to bring a lawsuit against any insurer to obtain a recovery under any insurance policies with respect to any particular Losses and the failure of an Indemnified Party to obtain recovery under any insurance policies despite using commercially reasonable efforts to do so shall not in any way affect or modify such Indemnified Party's rights to which the Indemnified Party would have otherwise been entitled pursuant to this Article VII.

(g) The amount of Losses payable by an Indemnifying Party pursuant to this Article VII shall be without duplication, and in no event shall an Indemnified Party be indemnified under different provisions of this Agreement for the same Losses.

Section 7.06 Indemnification Procedures.

(a) **Third-Party Claims.** If any Indemnified Party receives written notice of the assertion or commencement of any action, suit, claim or other legal proceeding made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a Representative of the foregoing (a "**Third-Party Claim**") against such Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party prompt written notice thereof. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party is materially prejudiced thereby. Such notice by the Indemnified Party shall describe the Third-Party Claim in reasonable detail, shall include copies of any written demand or complaint to the extent reasonably available and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the Indemnified Party, to assume the defense of any Third-Party Claim at the Indemnifying Party's expense and by the Indemnifying Party's own counsel reasonably satisfactory to the Indemnified Party; *provided that* if the parties (including any impleaded parties) to any such Third-Party Claims include both such Indemnified Party and the Indemnifying Parties and based on advice of such Indemnified Party's counsel there are legal defenses available to such Indemnified Party that are different from or additional to those available to the Indemnifying Parties, such Indemnified Party shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such Third-Party Claims and the Indemnifying Party shall promptly and periodically reimburse reasonable fees and expenses of such separate counsel to the Indemnified Party. In the event that the Indemnifying Party assumes the defense of any Third-Party Claim with counsel reasonably acceptable to the Indemnified Party, subject to Section 7.06(b), it shall have the right to take such

action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third-Party Claim. The Indemnified Party shall have the right at its own cost and expense, to participate in the defense of any Third-Party Claim with counsel selected by it subject to the Indemnifying Party's right to control the defense thereof. If the Indemnifying Party elects not to compromise or defend such Third-Party Claim or fails to promptly notify the Indemnified Party in writing of its election to defend as provided in this Agreement, the Indemnified Party may, subject to [Section 7.06\(b\)](#), pay, compromise, defend such Third-Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third-Party Claim. The Indemnifying Party shall promptly and periodically reimburse the reasonable fees and expenses of counsel to the Indemnified Party with respect to a Third-Party Claim solely to the extent that the Indemnifying Party: (i) fails to assume the defense of such claim; and (ii) fails to dispute in good faith by written notice within thirty days of receipt of notice of the Third-Party Claim that such Indemnifying Party is obligated to provide indemnification under this Agreement with respect to such Third-Party Claim. The MCRC Parties, the MC Partnership Parties and the RP Investors shall cooperate with each other in all reasonable respects in connection with the defense of any Third-Party Claim, including making available records relating to such Third-Party Claim (subject to applicable legal privilege) and furnishing, without expense (other than reimbursement of actual out-of-pocket expenses) to the defending party, management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Third-Party Claim.

(b) **Settlement of Third-Party Claims.** Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not enter into settlement of any Third-Party Claim without the prior written consent of the Indemnified Party (which consent shall not be unreasonably conditioned, delayed or withheld). Whether or not the Indemnifying Party assumes the defense of a Third-Party Claim pursuant to [Section 7.06\(a\)](#), the Indemnified Party shall not admit any liability with respect to, or settle, compromise or discharge, or offer to settle, compromise or discharge, and shall not otherwise have the right to consent or agree to any monetary or non-monetary relief, including injunctive relief or other equitable remedies with respect to, such Third-Party Claim without the Indemnifying Party's prior written consent (which consent shall not be unreasonably conditioned, delayed or withheld).

(c) **Direct Claims.** Any claim by an Indemnified Party on account of a Loss which does not result from a Third-Party Claim (a "Direct Claim") shall be asserted by the Indemnified Party by giving the Indemnifying Party prompt written notice thereof. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have 30 days after its receipt of such notice to respond in writing to such Direct Claim. During such 30-day period, the Indemnified Party shall allow the Indemnifying Party and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim (subject to the right of the Indemnified Party to preserve applicable legal privilege), and whether and to what extent any amount is payable in respect of the Direct Claim and the Indemnified Party shall reasonably assist the Indemnifying Party's investigation by giving such information and reasonable assistance as the Indemnifying Party or any of its professional advisors may reasonably request, subject to the right of the Indemnified Party to preserve applicable legal privilege. If the Indemnifying Party

does not so respond within such 30-day period, the Indemnifying Party shall be deemed to have rejected such claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

(d) Notwithstanding the foregoing, to the extent that the undertaking to save, defend, indemnify, compensate or reimburse set forth in this Article VII may be unenforceable because it is violative of any law or public policy, the applicable Indemnifying Party, shall contribute the maximum portion which it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Parties in respect of such Losses: (i) to which the Indemnified Party would have otherwise been entitled pursuant to this Article VII; and (ii) that such Indemnifying Party, would have been otherwise required to indemnify pursuant to this Article VII.

Section 7.07 Exclusive Remedies. Except with respect to Fraud or with respect to claims related to or with respect to the Third Amended and Restated LP Agreement or any Ancillary Agreements, after the Closing Date, the indemnification provisions contained in this Article VII shall, subject to the last sentence of this Section 7.07, constitute the sole and exclusive remedy of the Parties with respect to sale and purchase of the Additional Purchased Units pursuant to this Agreement including any breach of any of the representations, warranties, covenants or agreements contained in this Agreement. Notwithstanding anything to the contrary contained herein, subject to the last sentence of this Section 7.07, the liability of the MCRC Parties for claims arising under this Agreement shall be exclusively limited to indemnification for claims for breaches by the MC Partnership Parties of the Fundamental Representations and breaches by the MCRC Parties of the MCRC Parties Representations as provided under this Article VII. Notwithstanding the foregoing, the provisions of this Section 7.07 will not, however, restrict the right of any Party to seek specific performance or other equitable remedies in connection with any breach of any of the covenants to be performed after Closing pursuant to Section 9.12.

Section 7.08 Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated by the Parties as an adjustment to the Purchase Price paid for Preferred Units for Tax purposes, unless otherwise required by Law or as otherwise provided in Section 9(g) of the Third Amended and Restated LP Agreement.

ARTICLE VIII TERMINATION

Section 8.01 Termination. This Agreement may be terminated at any time prior to the Closing:

- (a) by the mutual written consent of each of the MCRC Parties and the MC Partnership Parties, on the one hand, and the RP Investors, on the other hand;
- (b) by the RP Investors by written notice delivered to the MCRC Parties and MC Partnership Parties if:

(i) The RP Investors are not then in material breach of any provision of this Agreement and there has been a material breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by any of the MCRC Parties or MC Partnership Parties pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Article VI and such breach, inaccuracy or failure cannot be cured by the MCRC Parties or the MC Partnership Parties within fifteen (15) Business days after such MCRC Party or MC Partnership Party receives written notice from the RP Investors of such breach or failure; or

(ii) (A) all of the closing conditions set forth in Section 6.01 and Section 6.03 have been satisfied or waived (other than conditions which, by their nature, are to be satisfied on the Closing Date); (B) the RP Investors have advised the Partnership in writing of their intention to consummate the Closing; and (C) the Closing does not occur as a result of a failure by the Partnership to issue the Additional Purchased Units as then required in accordance with Section 2.03.

(c) by any of the MC Partnership Parties or the MCRC Parties by written notice to the RP Investors if:

(i) none of the MCRC Parties or the MC Partnership Parties are then in material breach of any provision of this Agreement and there has been a material breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by the RP Investors pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Article VI and such breach, inaccuracy or failure cannot be cured by the RP Investors within fifteen (15) Business days after the RP Investors receive written notice from any MC Partnership Party of such breach or failure; or

(ii) (A) all of the closing conditions set forth in Section 6.01 and Section 6.02 have been satisfied or waived (other than conditions which, by their nature, are to be satisfied on the Closing Date); (B) the MCRC Parties and the General Partner have advised the RP Investors in writing of their intention to consummate the Closing; and (C) the Closing does not occur as a result of a failure by the RP Investors to purchase the Additional Purchased Units as then required in accordance with Section 2.03.

(d) by the RP Investors or the MC Partnership Parties in the event that:

(i) there shall be any Law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited;

(ii) any Governmental Authority shall have issued a Governmental Order restraining or enjoining the transactions contemplated by this Agreement, and such Governmental Order shall have become final and non-appealable; or

(iii) the transaction contemplated hereby has not been consummated by the date which is fifteen (15) Business Days after the date of this Agreement (the "**Termination Date**"), unless extended by written agreement of the RP Investors and the MC Partnership Parties, *provided, however*, that this right to terminate shall not be available to any Party whose failure to

fulfill any obligations under this Agreement has been the cause, or results in, the failure to close the transaction contemplated hereby by such date.

Section 8.02 **Effect of Termination.** In the event of the termination of this Agreement in accordance with this Article, this Agreement shall forthwith become void and there shall be no liability on the part of any Party hereto except that (i) the provisions of this Section 8.02, Section 5.06, and Article IX (other than Section 9.02) will continue to apply following any such termination and (ii) in no event shall the termination of this Agreement relieve any Party hereto of any liability for the failure of such Party to consummate the transactions contemplated under this Agreement when such Party was required to do so under the terms of this Agreement.

ARTICLE IX MISCELLANEOUS

Section 9.01 **Expenses.** Except as otherwise expressly provided herein, all reasonable costs and expenses, including, without limitation, fees and disbursements of counsel, financial advisors, accountants and brokers (“**Expenses**”) incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the Partnership, and the Partnership shall reimburse each RP Investor on or within thirty (30) calendar days of the Closing Date (if the Closing occurs) or the date this Agreement is validly terminated in accordance with its terms (if the Closing does not occur) for all reasonable out-of-pocket Expenses incurred by such RP Investor in connection with the transactions contemplated hereby; provided, that, the RP Investor shall furnish to the Partnership written evidence of such reasonable out-of-pocket Expenses reasonably acceptable to the Partnership; provided, further, that the Partnership shall have no obligation to reimburse any RP Investor for Expenses under this Section 9.01 if this Agreement is validly terminated by any of the MC Partnership Parties or the MCRC Parties pursuant to Section 8.01(c) or Section 8.01(d)(iii).

Section 9.02 **Renunciation of Opportunities.** The MCRC Parties and the MC Partnership Parties hereby renounce (and the Board of Directors in its own capacity and in its capacity as general partner of MCRLP) and the board of trustees of MCPT have adopted resolutions renouncing any interest or expectancy of the MCRC Parties or MC Partnership Parties or any Subsidiary or Related Party of the MCRC Parties or MC Partnership Parties (collectively, the “**MC Opportunity Group**”) in, or in being offered an opportunity to participate in, any and all business opportunities that are presented to the RP Investors or their Subsidiaries or Related Parties (including, without limitation, any representative or Affiliate of such RP Investors serving on the Board of Trustees or the board of directors or other governing body of any Subsidiary or Related Party of the MCRC Parties or MC Partnership Parties) (collectively, the “**RP Investor Parties**”), except as otherwise provided in this Section 9.02. Without limiting the foregoing renunciation, each member of the MC Opportunity Group (a) acknowledges that the RP Investor Parties are in the business of making investments in, and have or may have investments in, other businesses similar to and that may compete with the businesses of the MC Opportunity Group (“**Competing Businesses**”) and (b) agrees that the RP Investor Parties shall have the unfettered right to make investments in or have relationships with other Competing Businesses independent of their investments in the Partnership. By virtue of an RP Investor Party holding securities of the Partnership or by having persons designated

by or Affiliated with such RP Investor Party serving on or observing at meetings of any of the Board of Trustees, committee or otherwise, no RP Investor Party shall have any obligation to any member of the MC Opportunity Group or any other holder of securities of the MCRC Parties or MC Partnership Parties to refrain from competing with any member of the MC Opportunities Group, making investments in or having relationships with Competing Businesses, or otherwise engaging in any commercial activity and no MCRC Party, MC Partnership Party, any of its respective Subsidiaries or Related Parties or any other holder of securities of any MCRC Parties or MC Partnership Party, shall have any right with respect to any investment or activities undertaken by such RP Investor Party. No RP Investor Party shall be obligated to communicate or present any particular investment opportunity to any member of the MC Opportunity Group even if such opportunity is of a character that, if presented to any member of the MC Opportunity Group, could be taken by such entity, provided such RP Investor Party shall have acted in good faith and such opportunity shall not have been offered to such person in his or her capacity as a trustee of the General Partner. Each RP Investor Party shall continue to have the right for its own respective account or to recommend to others any such particular investment opportunity.

Section 9.05 **Headings.** The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 9.06 **Severability.** If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 9.07 **Entire Agreement.** This Agreement, the Third Amended and Restated LP Agreement and the Ancillary Agreements constitute the sole and entire agreement of the Parties to this Agreement with respect to the subject matter contained herein, and supersede all prior and contemporaneous representations, warranties, understandings and agreements, both written and oral, with respect to such subject matter. For the avoidance of doubt, except to the limited extent as provided in Section 2.07 hereof with respect to the MC Participation Right, nothing herein shall be deemed to affect, modify or supersede the 2017 Investment Agreement. (viii) Notwithstanding anything to the contrary contained herein, the Partners acknowledge and agree that the Partnership shall not issue any Class B Preferred Partnership Units other than the Class B Preferred Partnership Units issued to the Rockpoint Class B Preferred Holder pursuant to this Agreement (the “**Class B Preferred Issuance Limitation**”).

(c) **Name.** The name of the Partnership shall be "**Roseland Residential, L.P.**" The Business of the Partnership shall be conducted solely under that name and all assets of the Partnership shall be held under that name. The principal office of the Partnership shall be located at c/o Mack-Cali Realty Corporation, Harborside 3, 210 Hudson Street, Suite 400, Jersey City, New Jersey 07311 or such other location as designated by the General Partner.

(d) **Certificate of Limited Partnership.** A Certificate of Limited Partnership in accordance with the Act has been filed with the Secretary of State of the State of Delaware on behalf of the Partnership. The General Partner shall from time to time take appropriate action, including preparing and filing such amendments to the Certificate of Limited Partnership, as may be reasonably necessary or required as determined by the General Partner or as may be required by the Act.

(e) **Registered Agent and Office.** The registered agent for the Partnership is The Corporation Service Company, and the registered office shall be at 2711 Centerville Road, Suite 400, in the City of Wilmington, County of New Castle, Delaware 19808, or at such other registered agent or at such other location as may be designated or approved by the General Partner.

(f) **Certain Tax Matters.** Notwithstanding any provision of this Agreement to the contrary, the Partners intend that the Partnership be treated as a partnership for federal, state and local tax purposes. Each Partner agrees that it will not: (i) cause the Partnership to be excluded from the provisions of Subchapter K of the Code, under Code Section 761, or otherwise; (ii) file the election under Regulations Section 301.7701-3 (or any successor provision) which would result in the Partnership being treated as an entity taxable as a corporation for federal, state or local tax purposes; or (iii) cause the Partnership to be treated as a "publicly traded partnership" within the meaning of Section 7704 the Code.

(g) **Limitation of Liability.** Except as provided in the Act or as expressly provided in this Agreement, no Limited Partner shall be obligated personally for any debt, obligation or liability of the Partnership or of any other Limited Partner solely by reason of being a Limited Partner.

3. Term. The term of the Partnership commenced on the date the Certificate of Limited Partnership was filed with the Secretary of State of the State of Delaware and, unless the Partnership is earlier terminated in accordance with the provisions of this Agreement or by operation of law, the Partnership shall continue in perpetuity.

4. Scope and Purposes; Authority.

(a) The sole purposes of the Partnership shall be to engage in the Business.

(b) The Partnership is hereby authorized to execute, deliver and perform, the General Partner on behalf of the Partnership (and on behalf of the applicable Subsidiaries of each of the foregoing) is hereby authorized to execute, deliver and perform, or cause to be executed, delivered and performed, and the General Partner's Subsidiaries and the Partnership's Subsidiaries are hereby authorized to execute, deliver and perform, or cause to be executed, delivered and performed, as applicable, any organizational documents of the Partnership's Subsidiaries, and all documents, agreements, certificates, or financing statements contemplated thereby or related

thereto, in each case to the extent consistent with the terms hereof, all without any further act, vote or approval of any other Person notwithstanding any other provision of the Act or applicable law, rule or regulation; provided, that any consents required pursuant to **Schedule 2** annexed hereto are obtained. The foregoing authorization shall not be deemed a restriction on the powers of the General Partner to enter into other agreements on behalf of the Partnership, subject to any limitations set forth in this Agreement.

5. Capital Accounts, Contributions and Default

(a) Capital Accounts.

(i) A capital account ("**Capital Account**") shall be maintained for each Partner in accordance with Section 704(b) of the Code and Regulations Sections 1.704-1(b) and 1.704-2. The Capital Account of each Partner shall be increased by (i) the amount of any cash contributed by such Partner to the capital of the Partnership, (ii) the Gross Asset Value of any property contributed or deemed contributed by such Partner to the capital of the Partnership (net of liabilities that the Partnership is considered to assume, or take property subject to, under Section 752 of the Code), (iii) such Partner's share of Profits (as determined in accordance with Section 7(a)) and (iv) any income and gain specially allocated to such Partner pursuant to Section 7(b). The Capital Account of each Partner shall be decreased by (w) the amount of all cash Distributions to such Partner, (x) the Gross Asset Value of any property distributed to such Partner by the Partnership (net of liabilities that the Partner is considered to assume or take property subject to, under section 752 of the Code), (y) such Partner's share of Losses (as determined in accordance with Section 7(a)), and (z) any deductions and losses specially allocated to such Partner pursuant to Section 7(b). Except as otherwise provided in this Agreement, whenever it is necessary to determine the Capital Account balance of any Partner, the Capital Account balance of such Partner shall be determined after giving effect to all allocations pursuant to Sections 7(a) and 7(b) and all Capital Contributions and Distributions made or deemed made prior to the time as of which such determination is to be made.

(ii) If all or any portion of any Partnership Interest is transferred in accordance with this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the transferred Partnership Interest or portion thereof.

(iii) The Partners' Capital Accounts shall be adjusted as provided in Sections 5(c)(i) and 9(g).

(iv) No Partner shall be required to make up a negative balance in its Capital Account, except as provided in Section 9(d)(i).

The provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with applicable Regulations under Code Section 704. Subject to Section 7(b), the provisions of this Agreement shall be interpreted and applied in a manner consistent with this intention. Moreover, in determining the amount of any liability for purposes hereof, Code Section 752 and the Regulations thereunder shall be applied insofar as relevant. In the event the General Partner shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto, are computed in order to comply with such

Regulations, the General Partner may make such modification, subject to Sections 7(b) and 11(e), and provided that no such modification that has a material adverse effect upon any Partner (or its direct or indirect owners) shall be made without that Partner's consent. In addition, the Partners shall consider in good faith any reasonable requests of the Rockpoint Preferred Holders to make such modifications to this Agreement as the Rockpoint Preferred Holders, based on the advice of their legal or accounting advisors, determine are reasonably necessary or appropriate to ensure that no gain from the sale or exchange of a United States real property interest for purposes of Section 897(h)(1) of the Code is recognized by the Rockpoint Class A Preferred Holder; provided, however, that any costs or expenses, including, without limitation, any reasonable attorneys' fees, incurred by the Partnership or any of its Subsidiaries or any Partner in connection with the foregoing shall be borne by the Rockpoint Class A Preferred Holder.

(b) **Capital Contributions.**

(i) Each of the Partners hereby agrees that each of the Partners has or is deemed to have contributed to the capital of the Partnership the amount set forth on the Partnership's books and records, which amounts, as of the Third Amendment Effective Date are set forth on **Schedule 1** attached hereto.

(ii) From the Third Amendment Effective Date until the date that the Rockpoint Class A Preferred Holder shall have been offered the opportunity to purchase an additional \$100,000,000 of Class A Preferred Partnership Units pursuant to this Section 5(b)(ii), but in no event later than March 1, 2023, except for Excluded Securities as provided in Section 2(b)(vii), none of the Partnership, any Subsidiary or the General Partner shall cause or permit the Partnership or any Subsidiary to issue any new Partnership Securities (including, for the avoidance of doubt, pursuant to the MC Subscription Right) or any Securities of a Subsidiary, without, in each case, first complying with the provisions of this Section 5(b)(ii) as follows:

(A) If the General Partner at any time determines in good faith that the Partnership or any Subsidiary has a valid business purpose to use such additional proceeds in the interest of the Partnership or any Subsidiary (it being understood and agreed that it is not a valid business purpose to offer to issue Class A Preferred Partnership Units pursuant to this Section 5(b)(ii) for the purpose of accelerating the availability of the MC Subscription Right), the General Partner shall first offer the Rockpoint Class A Preferred Holder (which shall be permitted to assign its rights under this Section 5(b)(ii) in whole or in part to one or more Affiliates) the option to invest up to an additional \$100,000,000 in the Partnership by acquiring additional Class A Preferred Partnership Units on substantially the same terms as the Rockpoint Class A Preferred Holder acquired the Class A Preferred Partnership Units issued to it on the Third Amendment Effective Date pursuant to the Preferred Equity Investment Agreement (Add-On) and this Agreement (the "**RP Subscription Right**"). Upon any such determination of a valid business purpose, the General Partner shall give written notice to the Rockpoint Class A Preferred Holder setting forth the amount of cash requested to be contributed by the Rockpoint Class A Preferred Holder (in increments of not less than \$25,000,000, i.e., a notice may request either \$25,000,000, \$50,000,000, \$75,000,000 or \$100,000,000, subject to the overall limit of \$100,000,000) and a description of the business purpose for which the General Partner proposes to use such proceeds (an "**RP Subscription Right Notice**").

(B) The Rockpoint Class A Preferred Holder shall have the option (but not the obligation), exercisable in its sole and absolute discretion, to purchase any or all of the Class A Preferred Partnership Units offered in a RP Subscription Right Notice by delivering written notice to the General Partner within forty-five (45) calendar days after delivery of a RP Subscription Right Notice (the “**RP Subscription Right Period**”), specifying the quantity of such Class A Preferred Partnership Units elected to be purchased by the Rockpoint Class A Preferred Holder. If the Rockpoint Class A Preferred Holder does not deliver such written notice within the applicable RP Subscription Right Period (in which case it shall be deemed to have waived such right with respect to all of the Class A Preferred Partnership Units specified in the applicable RP Subscription Right Notice), or delivers written notice within the RP Subscription Right Period electing to purchase less than all of the Class A Preferred Partnership Units offered in the applicable RP Subscription Right Notice (in which case it shall be deemed to have waived such right with respect to the portion of the Class A Preferred Partnership Units specified in the applicable RP Subscription Right Notice not elected to be purchased), then (1) the RP Subscription Right shall lapse with respect to any such Class A Preferred Partnership Units not so elected to be purchased (the corresponding dollar amount, the “**RP Declined Amount**”), (2) the remaining amount of the RP Subscription Right shall be decreased by the full amount that was specified in the applicable RP Subscription Right Notice (i.e., the dollar amount purchased plus the RP Declined Amount) and (3) the Partnership or any Subsidiary shall, in each case in accordance with Section 2(b) and subject to any otherwise applicable limitations therein, be permitted to sell and issue new Partnership Securities (including pursuant to the MC Subscription Right) or any Securities of a Subsidiary in an amount up to the remaining aggregate amount of RP Declined Amounts that have not yet been so applied pursuant to this clause (3). If the Rockpoint Class A Preferred Holder elects to purchase any Class A Preferred Partnership Units but fails to consummate such purchase within sixty (60) days after giving notice of such election (other than by reason of any delay caused by the Partnership or the General Partner), such failure shall result only in the lapse of the RP Subscription Right with respect to such Class A Preferred Partnership Units (which shall thereafter be deemed to constitute an RP Declined Amount) and shall not be a default of the Rockpoint Class A Preferred Holder’s obligations under this Agreement. For clarity, the operation of this Section 5(b)(ii) is not intended to, and in no event shall, cause the MC Subscription Right to exceed \$153,884,027 in the aggregate.

(C) Notwithstanding anything to the contrary in this Section 5(b)(ii), if the Rockpoint Class A Preferred Holder elects to purchase any Class A Preferred Partnership Units offered in a RP Subscription Right Notice, the remaining amount of the RP Subscription Right shall not be decreased on account of such elected Class A Preferred Partnership Units unless and until the purchase and issuance thereof shall have been consummated.

(c) **Roseland Option Properties / Conveyance of 6 Becker Farm Road and 85 Livingston Avenue**

(i) The Partners acknowledge and agree that the amount of the General Partner’s Capital Contributions set forth on Schedule 1 annexed hereto reflects the aggregate value of \$12.971 million attributable to (i) 6 Becker Farm Road, Roseland, New Jersey and (ii) 85 Livingston Avenue, Roseland, New Jersey (collectively, the “**Roseland Option Properties**”). The Partners acknowledge that MCRLP and/or its Affiliate conveyed the fee interests in the Roseland Option Properties to the Partnership on or about December 11, 2017.

(ii) In connection with the General Partner's contribution of the Roseland Option Properties, the Partnership Parties (as defined in the Preferred Equity Investment Agreement (Original)) shall be deemed to have made, as of the time of such contribution, the following representations and warranties set forth in the Preferred Equity Investment Agreement (Original), as of the date of execution and Closing thereunder (to the extent applicable depending on whether the Roseland Option Properties were contributed directly or through the sale of interests in an entity): (A) Section 3.04 (No Conflicts; Consents); (B) Section 3.06 (Undisclosed Liabilities); (C) Section 3.07 (Absence of Certain Changes, Events and Conditions); (D) Section 3.08 (Material Contracts); (E) Section 3.09 (Title to Assets); (F) Section 3.10 (Owned and Leased Real Property); (G) Section 3.12 (Compliance With Laws; Permits); (H) Section 3.13 (Environmental Matters); (I) Section 3.17 (Insurance); and (J) Section 3.19 (REIT Requirements) (the "**Option Properties Representations**"). The Partnership Parties were deemed to have agreed to indemnify, and hereby reconfirm such agreement to indemnify, the Rockpoint Preferred Holders under Section 7.03(a) of the Preferred Equity Investment Agreement (Original) with respect to the Option Properties Representations, and the Rockpoint Preferred Holders (and its Indemnified Parties) shall be permitted to recover for any Losses relating thereto as though the Option Properties Representations were made under the Preferred Equity Investment Agreement (Original).

(d) **RRT Add-On Capital Contribution.**

(i) The Partners acknowledge and agree that the amount of the General Partner's Capital Contributions set forth on **Schedule 1** annexed hereto reflects the amount of the RRT Add-On Capital Contribution, which is the aggregate value attributable to (A) Soho Lofts, 273 16th Street, Jersey City, New Jersey and (b) 25 Christopher Columbus Drive, Jersey City, New Jersey (collectively, and including all Associated Property, the "**RRT Add-On Properties**"). The RRT Add-On Properties are owned by wholly-owned Affiliates of MCRLP. The General Partner hereby covenants to cause all of MCRLP's and/or each Affiliate's right, title and interest (including the entire fee interests) in and to the RRT Add-On Properties to be conveyed to the Partnership by MCRLP and/or its Affiliate as soon as practicable after the Third Amendment Effective Date, and in any event on or before September 24, 2019, in each case free and clear of all liens and encumbrances other than Permitted Encumbrances (as defined in the Preferred Equity Investment Agreement (Add On)); provided, however, that notwithstanding the foregoing, (A) Soho Lofts may be encumbered by Indebtedness (as defined in the Preferred Equity Investment Agreement (Add On)) only up to a maximum of \$160,000,000 and (B) 25 Christopher Columbus Drive, Jersey City, New Jersey, may be encumbered by an amount of Indebtedness (as defined in the Preferred Equity Investment Agreement (Add On)) consistent with the limitations in Item 1 of **Schedule 2** provided all funds advanced with respect to 25 Christopher Columbus Drive have been utilized for development of such property and no proceeds thereof have been distributed to MCRLP or any of its Affiliates. The Partners acknowledge and agree that the Partnership is not permitted to make a partial acquisition of either of the RRT Add-On Properties (i.e., only a 100% ownership interest in an RRT Add-On Property may be transferred). All costs and expenses associated with the acquisition of the RRT Add-On Properties shall be borne by the Partnership. The RRT Add-On Properties shall not be held by the Partnership as Permitted Sale Properties. If, for any reason, the General Partner is unable to effectuate the acquisition of the RRT Add-On Properties by the Partnership or its Subsidiaries on or prior to September 24, 2019, such failure shall be deemed to constitute an Event of Default under Section 2(a)(iii) of this Agreement (without the requirement

to observe any notice or cure period provided for therein). In such case, then in addition to all remedies otherwise available to the Partners in respect of such Event of Default, the General Partner's Capital Account and the RRT Add-On Capital Contribution shall be automatically decreased by \$110,000,000 as of the Third Amendment Effective Date (with adjustments to future Distributions consistent with Section 9(g)) and the Partners shall make such other adjustments to reflect the intent of the Partners in this Section 5(d).

(ii) In connection with the General Partner's contribution of the RRT Add-On Properties, the MC Partnership Parties (as defined in the Preferred Equity Investment Agreement (Add-On)) shall be deemed to have made, as of the time of such contribution, the following representations and warranties set forth in the Preferred Equity Investment Agreement (Add-On), as of the date of execution and Closing thereunder (to the extent applicable depending on whether the RRT Add-On Properties were contributed directly or through the sale of interests in an entity): (A) Section 3.04 (No Conflicts; Consents); (B) Section 3.06 (Undisclosed Liabilities); (C) Section 3.07 (Absence of Certain Changes, Events and Conditions); (D) Section 3.08 (Material Contracts); (E) Section 3.09 (Title to Assets); (F) Section 3.10 (Owned and Leased Real Property); (G) Section 3.12 (Compliance With Laws; Permits); (H) Section 3.13 (Environmental Matters); (I) Section 3.17 (Insurance); and (J) Section 3.19 (REIT Requirements) (the "**RRT Add-On Properties Representations**"), and the General Partner shall deliver a certificate to such effect to the Rockpoint Preferred Holders at such time and substantially in the form contemplated by Section 6.02(c)(xvii) of the Preferred Equity Investment Agreement (Add-On). The MC Partnership Parties shall be deemed to have agreed to indemnify, and hereby reconfirm such agreement to indemnify, the Rockpoint Preferred Holders under Section 7.03(a) of the Preferred Equity Investment Agreement (Add-On) with respect to the RRT Add-On Properties Representations, and the Rockpoint Preferred Holders (and its Indemnified Parties) shall be permitted to recover for any Losses relating thereto as though the RRT Add-On Properties Representations were made under the Preferred Equity Investment Agreement (Add-On).

6. Non-Recourse Nature of Preferred Interest Except as set forth herein or in the other Transaction Documents, the Rockpoint Preferred Holders' investments will be recourse solely to the Partnership.

7. Allocation of Profits and Losses.

(a) **Allocations of Profit and Loss.** After taking into account any special allocations pursuant to Section 7(b) and subject to any limitations contained therein, Profits or Losses for any Fiscal Year or portion thereof shall be allocated among the Class A Preferred Holders and the Common Holders in a manner such that the Capital Account of each such Partner, immediately after making such allocation, is, as nearly as possible, equal (proportionately) to (i) the Distributions that would be made to such Partner if the Partnership sold all of its assets for cash equal to their Gross Asset Value, paid all Partnership liabilities (limited with respect to each nonrecourse liability to the Gross Asset Value of the assets securing such liability), and distributed the remaining net cash to the Partners in accordance with the priority set forth in Sections 9(a)(ii) and 9(a)(iii) (increased, in the case of the Rockpoint Class B Preferred Holder, by the Class B Capital Contributions made by the Rockpoint Class B Preferred Holder), less (ii) such Partner's share of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of assets. In the event Profits or Losses are not sufficient

to enable the Capital Accounts to equal the amounts described above, then Profits or Losses shall be allocated first, to cause the Capital Account of the Rockpoint Class A Preferred Holder to equal the amount described in Section 9(a)(ii), plus the amount of any Distribution Make-Whole that has not theretofore been paid, reduced by its share of the amount described in clause (ii) above. For purposes of clause (i), the requirement to pay or distribute a Distribution Make-Whole shall not be taken into account unless and until the occurrence of an event giving rise to Rockpoint Class A Preferred Holder's right with respect or reference to a Distribution Make-Whole, in which case the Distribution Make-Whole payable with respect to the Rockpoint Class A Preferred Holders shall be taken into account as necessary in order to reflect the rights to such Distribution Make-Whole.

(b) **Special Tax Allocations.** Notwithstanding any other provision to the contrary in this Agreement, the following provisions shall apply:

(i) **Loss Limitation.** No Partner shall be allocated Losses or deductions if such allocation causes a Partner's Capital Account to have a balance less than zero that is in excess of the Partner's share of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain, if any, plus the amount such Partner is obligated to repay to the Partnership or for which such Partner is liable or otherwise bears the risk of loss within the meaning of the applicable Regulations. In the event one or more of the Partners is prevented from receiving an allocation of Loss or deduction under the preceding sentence, then such excess shall be allocated to the other Partners pursuant to Section 7(a), subject to the remaining provisions of this Section 7(b).

(ii) **Qualified Income Offset.** In the event a Partner unexpectedly receives any adjustment, allocation or distribution described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Partnership gross income and gain shall be specially allocated to each such Partner in an amount and manner sufficient to eliminate, to the extent required by Regulations Section 1.704-1(b)(2)(ii)(d), the Adjusted Capital Account Deficit of such Partner as quickly as possible, provided that an allocation pursuant to this Section 7(b)(ii) shall be made only if and to the extent that such Partner has an Adjusted Capital Account Deficit after all other allocations provided for in this Agreement have been tentatively made as if this Section 7(b)(ii) were not in the Agreement. Any such allocation of gross income or gain pursuant to this Section 7(b)(ii) shall be made to each Partner having an Adjusted Capital Account Deficit in the proportion such Adjusted Capital Account Deficit bears to the aggregate Adjusted Capital Account Deficit of all the Partners. This Section 7(b)(ii) is intended to constitute a "qualified income offset" within the meaning of Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(iii) **Minimum Gain Chargeback.** Notwithstanding any other provision of this Agreement, if there is a net decrease in Partnership Minimum Gain for a Fiscal Year or other applicable period, each Partner shall be specially allocated items of Partnership gross income and gain for such year or period (and, if necessary, subsequent years or periods) in the amount required by Regulations Section 1.704-2(f). Allocations pursuant to the immediately preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2)(i). This Section 7(b)(iii) is intended to

comply with the minimum gain chargeback requirement in Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(iv) **Partner Minimum Gain Chargeback.** Notwithstanding any other provision of this Agreement except Section 7(b)(iii), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain attributable to a Partner Nonrecourse Debt for a Fiscal Year or other applicable period, each Partner who has a share of the Partner Nonrecourse Debt Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of Partnership gross income and gain for such year or period (and, if necessary, subsequent years or periods) in the amount required by Regulations Section 1.704-2(i)(4). Allocations pursuant to the preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii). This Section 7(b)(iv) is intended to comply with the minimum gain chargeback requirement in Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(v) **Partnership Nonrecourse Deductions; Excess Nonrecourse Liabilities.** Any Nonrecourse Deductions for any Fiscal Year or other period shall be specially allocated among the Partners in proportion to (A) in the case of Nonrecourse Deductions attributable to a Permitted Sale Property Interest, ten percent (10%) to the Rockpoint Class B Preferred Holder and ninety percent (90%) to RRT, and (B) in the case of other Nonrecourse Deductions, to the Partners in proportion to their First Hurdle Percentages. Excess nonrecourse liabilities (as defined in Regulations Section 1.752-3(a)(3)) shall be allocated to the Partners in proportion to their First Hurdle Percentages.

(vi) **Partner Nonrecourse Deductions.** Any Partner Nonrecourse Deductions for any year shall be specially allocated to the Partner that bears the economic risk of loss with respect to the Partner Nonrecourse Deductions in accordance with Regulation Section 1.704-2(i).

(vii) **Permitted Sale Property Gain.** An aggregate amount equal to all Profit and gain comprising Permitted Sale Property Gain shall be allocated ten percent (10%) to the Rockpoint Class B Preferred Holder, and all remaining Permitted Sale Property Gain (other than items that would not give rise to gain to the Partnership) shall be allocated to RRT and the MC Class A Preferred Holders; provided, however, that upon the occurrence of an event giving rise to the Rockpoint Class B Preferred Holder's right with respect or reference to a Distribution Make-Whole, an amount of Permitted Sale Property Gain shall be allocated to the Rockpoint Class B Preferred Holder as necessary to cause such amount to be reflected in Rockpoint Class B Preferred Holder's Capital Account prior to making the foregoing allocations. For the sake of clarity, for all purposes of this Agreement, any Permitted Sale Property Gain allocable to RRT under Section 704(c) principles shall not be available for allocation to the Rockpoint Class B Preferred Holder.

(viii) **Special Allocation of Modified Net Income.** There shall be allocated to the Rockpoint Class A Preferred Holder items of net income (as determined for purposes of maintaining Capital Accounts), increased by Depreciation included therein and

reduced by Permitted Sale Property Gain (“**Modified Net Income**”) in an amount not greater than the amount necessary to cause the Capital Account of the Rockpoint Class A Preferred Holder, immediately after making such allocation, to be, as nearly as possible, equal to (A) the Distributions that would be made to the Rockpoint Class A Preferred Holder pursuant to Section 9(a)(ii)(A) through (E) if the Partnership sold all of its assets for cash equal to their Gross Asset Value, paid all Partnership liabilities (limited with respect to each nonrecourse liability to the Gross Asset Value of the assets securing such liability), and distributed the remaining net cash to the Partners in accordance with the priority set forth in Sections 9(a)(ii) and 9(a)(iii) (increased, in the case of the Rockpoint Class B Preferred Holder, by the Class B Capital Contributions made by the Rockpoint Class B Preferred Holder), less (B) Rockpoint Class A Preferred Holder’s share of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of assets. For purposes of clause (A), the requirement to pay or distribute a Distribution Make-Whole shall not be taken into account unless and until the occurrence of an event giving rise to Rockpoint Class A Preferred Holder’s right with respect or reference to a Distribution Make-Whole, in which case the Distribution Make-Whole payable with respect to the Rockpoint Class A Preferred Holders shall be taken into account as necessary in order to reflect the rights to such Distribution Make-Whole. An example of the workings of this Section 7(b)(viii) is annexed as Exhibit D hereto.

(ix) **Expense Reimbursement.** The Partners agree that (A) the Expenses (as defined in the Preferred Equity Investment Agreement (Original)) of the Rockpoint Preferred Holders were, to the extent communicated to the Partnership on or prior to the Second Amendment Effective Date, deducted from the amount contributed to the Partnership pursuant to Section 5(b)(ii), such that the amount actually advanced to the Partnership by the Rockpoint Preferred Holders on the Second Amendment Effective Date pursuant to such section was the \$150 million amount specified therein reduced by such Expenses, (B) such contribution and reduction were and shall be treated for all purposes of this Agreement as if the Rockpoint Preferred Holders contributed the entirety of such \$150 million amount to the Partnership and then the Partnership reimbursed the Rockpoint Preferred Holders for such Expenses, (C) the deemed reimbursement of such Expenses (and any additional reimbursements of Expenses relating to the negotiation of the Transaction Documents and the closings under the Preferred Equity Investment Agreements) shall (1) not reduce the amount of Rockpoint Preferred Holders’ Capital Contributions or Capital Accounts, (2) not be treated as a guaranteed payment under the Code, and (D) such Expenses (and any additional reimbursements of Expenses relating to the negotiation of the Transaction Documents and such closings) shall be (1) treated under Treasury Regulation Section 1.263(a)-5(a)(5) as an amount paid by the Partnership to facilitate a transfer under Section 721 of the Code, (2) characterized by the Partnership as syndication expenses described in Section 709(a) of the Code, and (3) deducted for purposes of determining Profit and Loss (but not for purposes of calculating taxable income) pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(i)(2).

(c) **Tax Allocations.**

(i) Except as otherwise provided in this Section 7(c), all items of income, gain, loss, deduction or credit of the Partnership shall be allocated among the Partners for federal income tax purposes in a manner consistent with the allocation of the corresponding items to the Partner under the other provisions of this Section 7.

(ii) In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss and deduction with respect to any property contributed or deemed contributed to the capital of the Partnership by any Partner shall, solely for tax purposes, be allocated among the Partners so as to take account of any variation between the adjusted basis of such property to the Partnership for federal income tax purposes and its Gross Asset Value at the time of contribution. In the event the Gross Asset Value of any Partnership asset is adjusted pursuant to the definition of Gross Asset Value, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in the same manner as under Code Section 704(c) and the Regulations thereunder. Any elections or other decisions relating to such allocations shall be made by the General Partner, consistent with the definition of Permitted Sale Property Gain as applicable; provided that the same method shall be used to eliminate book-tax differences under Section 704(c) of the Code (including with respect to so-called “reverse 704(c) allocations”) for all property of the Partnership and all so-called “704(c) layers”. Allocations made pursuant to this Section 7(c) are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Partner’s Capital Account or share of Profits, Losses, other items or distributions pursuant to any provisions of this Agreement. This Section 7(c)(ii) shall be applied with respect to the Permitted Sale Properties in a manner consistent with the definition of Gross Asset Value and the definition of Permitted Sale Property Gain.

(d) It is intended that prior to a distribution of the proceeds from a liquidation of the Partnership pursuant to Section 15, the positive Capital Account balance of each Partner (other than the Rockpoint Class B Preferred Holder), shall be equal to the amount that such Partner would have been entitled to receive if such proceeds were distributed pursuant to Section 9(a)(ii) (taking into account any Distribution Make-Whole), and the Capital Account balance of the Rockpoint Class B Preferred Holder is equal to the amount it would receive under Section 9(a)(iii) plus the Rockpoint Class B Preferred Holder’s Class B Capital Contribution (taking into account any Distribution Make-Whole). This Agreement shall be interpreted consistently with such intent to the extent permissible under Section 704(b) of the Code and the Regulations promulgated thereunder relating to allocations that have “substantial economic effect”. The Partners other than the Rockpoint Preferred Holders shall consider in good faith any reasonable requests by the Rockpoint Preferred Holders to modify the provisions of this Agreement in order to satisfy income tax related needs of the Rockpoint Preferred Holders (and their direct and indirect owners), provided no such modification could reasonably be expected to be materially adverse to such Partners (taking into account any offer from the Rockpoint Preferred Holders to reimburse the Partners for any such material adverse consequences), and Rockpoint Preferred Holders shall bear the reasonable out-of-pocket professional fees of the Partnership and the other Partners in respect of such request.

(e) Provided the Partnership is a partnership for federal income tax purposes immediately prior to the admission of the Rockpoint Preferred Holders as Partners, the Partners’ distributive shares of items of income, gain, loss, deduction and credit of the Partnership with respect to the Partnership’s taxable year that includes the Second Amendment Effective Date will be allocable based on the interim closing method as described in Section 706(d)(1) of the Code and the Treasury Regulations thereunder (and corresponding provisions of state or local income tax law where applicable), and (i) items of income, deduction, gain, loss or credit of the Partnership

that are recognized on or prior to the Second Amendment Effective Date shall be allocated among those persons or entities who were partners on or prior to the Second Amendment Effective Date; and (ii) items of income, deduction, gain, loss or credit of the Partnership that are recognized after the Second Amendment Effective Date shall be allocated among the persons or entities who are Partners after the Second Amendment Effective Date.

8. Restrictions on Purchase and Sale of Certain Properties.

(a) Notwithstanding anything in this Agreement to the contrary except as provided in this Section 8, at all times during any taxable year of any of the Rockpoint REITs in which any such Rockpoint REIT owns directly or indirectly a Preferred Partnership Interest for all or a portion of such year (including, for the sake of clarity, any such taxable year of a Rockpoint REIT in which the Rockpoint REIT Interests are acquired pursuant to this Agreement), the General Partner and the Partnership shall not permit the Partnership (and following any sale of the Rockpoint REIT Interests pursuant to Sections 12 or 13, the General Partner shall not permit the Rockpoint REITs) to recognize (directly or through a Subsidiary or Applicable Entity) gain from the sale or exchange of a United States real property interest for purposes of Section 897(h)(1) of the Code (other than (A) Permitted Sale Property Gain attributable to a disposition of a Permitted Sale Property (as opposed to the Partnership's interest in an entity that owns a direct or indirect interest in a Permitted Sale Property that is not a Majority Permitted Sale Property, or (B) as a result of a Permitted Partnership Interest Acquisition pursuant to Section 13(i)) without the prior written consent of the Rockpoint Class A Preferred Holders (and following any sale of the Rockpoint REIT Interests pursuant to Sections 12 or 13, the REIT Owners) unless such disposition is undertaken under one of the following circumstances, and provided that the General Partner shall use commercially reasonable efforts to consult with Rockpoint Class A Preferred Holder prior to entering into any transaction described in clauses (i), (ii) or (iii) below:

(i) such disposition is a part of a tax deferred like-kind exchange pursuant to Section 1031 of the Code, and prior to such disposition the Partnership receives an opinion of the GP Law Firm (or other nationally recognized independent tax counsel selected by the General Partner and reasonably acceptable to the Rockpoint Class A Preferred Holder), subject to customary qualifications, exceptions and assumptions for comparable legal opinions rendered by nationally recognized law firms in the United States, to the effect that such disposition should not give rise to the recognition of gain from the sale or exchange of a United States real property interest for purposes of Section 897(h)(1) of the Code;

(ii) the Property is disposed of by means of a sale of a direct interest in the shares of a REIT that is "domestically controlled" (within the meaning of Section 897(h)(4)(B) of the Code), and prior to such disposition the Partnership receives an opinion of the GP Law Firm (or other nationally recognized independent tax counsel selected by the General Partner and reasonably satisfactory to the Rockpoint Class A Preferred Holder), subject to customary qualifications, exceptions and assumptions for comparable legal opinions rendered by nationally recognized law firms in the United States, to the effect that such transaction (including any transfer of such Property to such REIT and such sale) should not, when taken together with any distribution by the Rockpoint REITs, give rise to gain from the sale or exchange of a United States real property interest for purposes of Section 897(h)(1) of the Code; or

(iii) prior to such event the Partnership receives an opinion of the GP Law Firm (or other nationally recognized independent tax counsel selected by the General Partner and reasonably satisfactory to the Rockpoint Class A Preferred Holder), subject to customary qualifications, exceptions and assumptions for comparable legal opinions rendered by nationally recognized law firms in the United States, to the effect that the Code has been amended such that any gain from such disposition (taken together with any distribution by the Rockpoint REITs, which own their interests in the Partnership through the Rockpoint Class A Preferred Holder or through another Rockpoint REIT) would not reasonably be expected to result in income that is effectively connected with the conduct of a United States trade or business for any direct or indirect owner of the Rockpoint Class A Preferred Holder for Federal income tax purposes.

For the sake of clarity, the General Partner and the Partnership shall not cause or permit the Partnership to recognize gain with respect to the disposition of (A) an indirect interest in a Permitted Sale Property, (B) any Majority Interest Permitted Sale Property, or (C) any Permitted Sale Property other than Permitted Sale Property Gain. In furtherance of the foregoing, (1) the Partnership's interest in Shops at 40 Park and Metropolitan at 40 Park (other than its Permitted Sale Property Interest with respect thereto) shall, to the extent not held by a TRS, be contributed to a TRS on or prior to September 24, 2019 (and shall remain in such TRS unless Rockpoint Class A Preferred Holder consents in writing to the contrary, which consent may be given or withheld in its sole and absolute discretion, and (2) any other interest in a Permitted Sale Property that is neither a Majority Permitted Sale Property Interest nor a Permitted Sale Property Interest and that is not already owned by a TRS shall be contributed to a TRS as and when instructed by Rockpoint Class A Preferred Holder in its sole and absolute discretion (it being understood that the Partnership shall cause any gain resulting from a disposition of a Permitted Sale Property that is not a Majority Interest Permitted Sale Property and that is not Permitted Sale Property Gain to be allocated to such TRS).

(b) RRT and MCRC shall, on a joint and several basis, indemnify, defend and hold harmless the Rockpoint Class A Preferred Holder, the REIT Owners and their direct and indirect owners and Affiliates (who for the avoidance of doubt are express third party beneficiaries of this Section 8(b)) from and against any and all U.S. taxes, interest, penalties and professional fees resulting from (i) any violation of Sections 8(a), 8(d) or 13(f)(v), (ii) any such amounts that would not have been incurred but for the inaccuracy of a representation referred to in an opinion described in Section 8(a)(i), 8(a)(ii) or 8(a)(iii) (or otherwise relied upon by the firm rendering the opinion), determined as if any such representation that is qualified as to knowledge (or similarly qualified) were not so qualified, (iii) any failure of the Partnership to comply with Section 9(d)(i), and (iv) any failure of the Partnership to comply with the requirements of Section 11(g), including, in each instance, an amount equal to the aggregate United States federal, state and local income or franchise taxes with respect to any or all of the payments, reimbursements and other amounts required to be made or paid to Rockpoint Class A Preferred Holder. For purposes of any such indemnification, it is assumed that the Rockpoint Class A Preferred Holder (and any intermediate owner) will distribute to its direct and indirect owners any amounts it receives from the Partnership.

(c) If during any calendar year during which the Partnership expects directly or indirectly, voluntarily or involuntarily, to realize gain from the sale or exchange of a United States real property interest for purposes of Section 897(h)(1) of the Code, the Partnership shall notify the Rockpoint Class A Preferred Holder and cooperate with the Rockpoint Class A Preferred

Holder in advance of such transaction as the Rockpoint Class A Preferred Holder shall reasonably request with a view to ensuring that no such gain will be allocated to the Class A Preferred Holder.

(d) In the case of a purchase of the Rockpoint REIT Interests under Sections 12 or 13, in no event may assets owned directly or indirectly by the Partnership (other than Permitted Sale Assets) or Partnership Interests held by the Rockpoint REITs be sold or otherwise disposed of or treated as disposed of within seven (7) calendar days following such purchase. Any purchase of the Rockpoint REIT Interests shall be treated as a purchase of stock of the Rockpoint REITs for all applicable income tax purposes.

(e) Following the Third Amendment Effective Date, in no event may the Partnership directly or indirectly through any Subsidiary or otherwise acquire any direct or indirect interest in any Property (including any interest in a Permitted Sale Property) where the Partnership cannot unilaterally (without any qualification) block a disposition of such Property and the Partnership's direct and indirect interest therein.

(f) This Section 8 shall survive termination of the Partnership or termination or amendment of this Agreement, provided that if the Rockpoint REIT Interests are exchanged for Common Interests pursuant to this Agreement, the obligations under Section 8(a) shall not apply following the taxable year of the Rockpoint REITs that includes the date of such exchange.

9. Distributions.

(a) **Order of Distributions.** Subject to Sections 5(c)(i), 9(d), 9(e), 9(g), 11(g) and Section 15(d)(ii):

(i) Distributions out of Available Cash shall be made in accordance with the following priorities:

(A) First, to the extent any Class A Preferred Holder has an Unreturned Deficiency Balance, to the Class A Preferred Holders (in proportion to their respective Unreturned Deficiency Balances) until their Unreturned Deficiency Balances have been reduced to zero.

(B) Second, to the Class A Preferred Holders in proportion to their respective accrued and unpaid Base Return (for the sake of clarity, the accrued and unpaid Rockpoint Class A Base Return with respect to the Rockpoint Class A Preferred Holder and the accrued and unpaid MC Class A Base Return in the case of the MC Class A Preferred Holder), until each Class A Preferred Holder has received pursuant to this Section 9(a)(i)(B) and Section 9(a)(ii)(B) amounts equal to its accrued Base Return.

(C) Third, the RP Leakage Percentage to the Rockpoint Class A Preferred Holder and the RRT Leakage Percentage to RRT until RRT has received pursuant to this Section 9(a)(i)(C) and Section 9(a)(ii)(D) an amount equal to the RRT Base Return on the Unreturned RRT Capital Contributions.

(D) Fourth, to the Class A Preferred Holders and RRT pro rata in accordance with their respective First Hurdle Percentages at the time of the Distribution.

(ii) Distributions out of Class A Capital Event Cash Flow shall be made in accordance with the following priorities:

(A) First, to the extent any Class A Preferred Holder has an Unreturned Deficiency Balance, to the Class A Preferred Holders (in proportion to their respective Unreturned Deficiency Balances) until their Unreturned Deficiency Balances have been reduced to zero.

(B) Second, to the Class A Preferred Holders in proportion to their accrued and unpaid Base Return (for the sake of clarity the accrued and unpaid Rockpoint Class A Base Return with respect to the Rockpoint Class A Preferred Holder and the accrued and unpaid MC Class A Base Return in the case of the MC Class A Preferred Holder), until each Class A Preferred Holder has received pursuant to Section 9(a)(i)(B) and this Section 9(a)(ii)(B) amounts equal to its accrued Base Return.

(C) Third, to the Class A Preferred Holders in proportion to their respective Unreturned Class A Capital Contributions, until each Class A Preferred Holder has received pursuant to this Section 9(a)(ii)(C) its then Unreturned Class A Capital Contributions.

(D) Fourth, the RP Leakage Percentage to the Rockpoint Class A Preferred Holder and RRT Leakage Percentage to RRT until RRT has received pursuant to Section 9(a)(i)(C) and this Section 9(a)(ii)(D) an amount equal to the RRT Base Return on the Unreturned RRT Capital Contributions.

(E) Fifth, the RP Leakage Percentage to the Rockpoint Class A Preferred Holder and the RRT Leakage Percentage to RRT until RRT has received pursuant to this Section 9(a)(ii)(E) an amount equal to the then Unreturned RRT Capital Contributions.

(F) Sixth, to the Class A Preferred Holders and RRT pro rata in accordance with their respective First Hurdle Percentages at the time of the Distribution until the Rockpoint Class A Preferred Holders have achieved an eleven percent (11%) annual IRR on the Rockpoint Class A Preferred Holder's Class A Capital Contributions (the "**Hurdle Return**").

(G) Seventh, to the Class A Preferred Holders in an amount equal to such remaining Distribution multiplied by its Second Hurdle Percentage at the time of the Distribution, and the remainder of such Distribution to RRT.

(iii) Distributions out of Class B Capital Event Cash Flow shall be made ten percent (10%) to the Rockpoint Class B Preferred Holder and ninety percent (90%) to RRT.

(b) **Limitations on Distributing Debt Proceeds.** With respect to the proceeds from any debt financings obtained by the Partnership or any of its Subsidiaries, the Partnership shall, and the General Partner shall cause the Partnership and each of its Subsidiaries to, either (i) retain such debt proceeds (i.e., not distribute pursuant to Section 9), (ii) use such debt proceeds for the acquisition, renovation or development of the Properties, or (iii) to make Distributions to the Preferred Holders pursuant to Sections 9(a)(i)(A), 9(a)(i)(B), 9(a)(ii)(A) and 9(a)(ii)(B).

(c) **Legal Limitations.** Notwithstanding any provision to the contrary contained in this Agreement, in no event shall the Partnership make or be required to make any

Distribution or payment to any Partner to the extent prohibited or restricted by the Act or any other applicable law.

(d) **Other Provisions Applicable to Rockpoint.**

(i) No Distributions shall be made to Rockpoint Class A Preferred Holder in excess of an amount specified by Rockpoint Class A Preferred Holder to RRT in writing with respect to a calendar year at least ten (10) calendar days prior to any Distribution (a “**Specified Amount**”). The Specified Amount shall be determined by the Rockpoint Class A Preferred Holder and is intended to be an amount that is \$5,000,000 less than the lesser of (A) Rockpoint Class A Preferred Holder’s determination of its adjusted tax basis in its Partnership Interest and (B) the Rockpoint Class A Preferred Holder’s determination of the amount of Distributions that would result in it having an Adjusted Capital Account Deficit (taking the last sentence of this Section 9(d)(i) into account), in each case, as of the end of the taxable year in which the Distribution is made. RRT and the Partnership shall be entitled to rely on a Specified Amount furnished to RRT by Rockpoint Class A Preferred Holder until such time, if any, as Rockpoint Class A Preferred Holder shall, by at least ten (10) calendar days prior written notice to RRT, replace a previously furnished Specified Amount with a revised Specified Amount. The limitation on Distributions set forth in this Section 9(d)(i) shall not apply in any period with respect to which Rockpoint Class A Preferred Holder shall not have furnished a Specified Amount to RRT. As of the date hereof, Rockpoint Class A Preferred Holder notifies RRT that the Specified Amount shall be \$406,375,000 for Distributions made during calendar year 2019. Neither RRT nor the Partnership shall have any liability to Rockpoint Class A Preferred Holder in respect of Distributions in excess of basis or that causes an Adjusted Capital Account Deficit except for Distributions in excess of the applicable Specified Amount or, in the case of incorrect information furnished by the Partnership to Rockpoint Class A Preferred Holder as to activity that occurred prior to the date the Partnership provided such information to Rockpoint Class A Preferred Holder, where such incorrect information caused the Specified Amount provided by Rockpoint Class A Preferred Holder to RRT to be more than \$5,000,000 in excess of what a correct Specified Amount would have been for the period in question, in which case the provision of such incorrect information shall be considered a failure to comply with this Section 9(d)(i) to the extent of such excess. At Rockpoint Class A Preferred Holder’s option, it may agree with the Partnership (and the Partnership shall cooperate to effectuate such agreement) to restore upon a liquidation of the Partnership all or any portion of any Adjusted Capital Account Deficit that otherwise would result from a Distribution.

(ii) Any amounts not distributed or paid by reason of Section 9(d)(i) shall be held in a separate account of the Partnership and distributed at such time, if any, that such Distributions are permitted under such Section, prior to the making of additional Distributions pursuant to Section 9(a)(i) or 9(a)(ii) (and shall be treated as an amount distributable pursuant to Section 9(a)(ii) as provided in Section 13), and if not distributed prior to a liquidation of the Partnership shall be distributed pursuant to Section 15(d).

(iii) Rockpoint Class A Preferred Holder may elect to return to the Partnership any Distribution that it receives in excess of its then estimated year-end tax basis or in excess of the estimated amount needed to avoid an Adjusted Capital Account Deficit as contemplated by Section 9(d)(i), and Rockpoint Preferred Holder agrees to use commercially

reasonable efforts to return any such excess within the same taxable year as its receipt thereof if, at least thirty (30) days prior to the end of such taxable year, it receives (A) notice in writing from RRT of such excess Distribution (including the amount thereof), (B) an opinion of counsel reasonably satisfactory to Rockpoint Class A Preferred Holder that such return should reduce the damages suffered by Rockpoint Class A Preferred Holder and its direct and indirect owners from such excess Distribution, and (C) a written agreement reasonably satisfactory to Rockpoint Class A Preferred Holder providing for the compensation of it and its direct and indirect owners for any damages resulting from such excess Distribution and the return thereof to the Partnership (it being understood that under no circumstances shall Rockpoint Class A Preferred Holder or its direct or indirect owners be required to borrow, call for capital or sell assets in order to return any such excess). Any such return of funds shall be treated as if the most recent Distribution(s) received by the Rockpoint Class A Preferred Holder was (were) never distributed to that extent for purposes of this Agreement (subject to clause (v) below) and, to the extent permitted by law, for all other purposes.

(iv) Upon making any distribution to Rockpoint Class A Preferred Holder pursuant to Section 9(a)(ii)(C) prior to the end of the Lockout Period, the Partnership shall distribute an additional amount to Rockpoint Class A Preferred Holder equal to the Distribution Make-Whole applicable to such distribution (subject to Section 9(d)(i) above). Distribution of such additional amount shall not be treated as a distribution under Section 9(a)(ii)(C) for purposes of computing Rockpoint Class A Preferred Holder's Unreturned Class A Capital Contributions.

(v) For purposes of computing the Base Return, the Deficiency Return (as applicable based on how such amount would have been applied absent the restriction on such distribution) and the Distribution Make-Whole, any amount that would be distributed to Rockpoint Class A Preferred Holder in accordance with this Agreement but for the fact that such distribution would violate Section 9(d)(i) or was returned pursuant to Section 9(d)(iii) shall be deemed timely to have been distributed to the Rockpoint Class A Preferred Holder at the time such amount would have been or was distributed, and the subsequent payment of such undistributed amounts to Rockpoint Class A Preferred Holder shall not be taken into account for such purposes.

(e) **Timing of Distributions.** Distributions pursuant to Sections 9(a)(i)(A), 9(a)(i)(B), 9(a)(ii)(A) and 9(a)(ii)(B) shall be made monthly on the tenth (10th) calendar day of each calendar month (or if such day is not a Business Day, the immediately preceding Business Day) with respect to Available Cash and/or Class A Capital Event Cash Flow attributable to the immediately preceding month, provided that Distributions in respect of Available Cash and/or Class A Capital Event Cash Flow for the last month of each calendar quarter (made on the tenth (10th) calendar day of the month next following the end of such calendar quarter, or if such day is not a Business Day, the immediately preceding Business Day) shall be appropriately adjusted as the General Partner deems necessary to ensure that the Distributions to Rockpoint pursuant to Sections 9(a)(i)(B) and 9(a)(ii)(B) with respect to such quarter are no less than the amount necessary to avoid the existence of a Rockpoint Class A Base Return Default with respect to such quarter. Distributions other than Distributions pursuant to Sections 9(a)(i)(A), 9(a)(i)(B), 9(a)(ii)(A) and 9(a)(ii)(B) shall be made at such times as the General Partner shall determine. Except as provided in Section 9(b), the Partners acknowledge and agree that the Partnership may make Distributions pursuant to Sections 9(a)(i)(A), 9(a)(i)(B), 9(a)(ii)(A) and 9(a)(ii)(B) out of

Available Cash, Class A Capital Event Cash Flow and/or any other source of funds whatsoever, as the General Partner in its sole discretion shall determine.

(f) **Tax Withholding.** All amounts withheld pursuant to the Code or any provision of any state, local or foreign tax law with respect to any payment, distribution, or allocation to the Partnership, the General Partner, or any Limited Partner shall be treated as amounts distributed to the General Partner or the applicable Limited Partner pursuant to this Section 9 for all purposes under the Agreement. The General Partner is authorized on behalf of the Partnership to withhold from Distributions or other payments to any Partner and to pay over to any federal, state, local or foreign government any amounts required to be so withheld and paid over by the Partnership pursuant to the Code or any provisions of any other federal, state, local or foreign law and shall allocate such amounts to the Partner with respect to which such amount was withheld. The General Partner acknowledges that it shall not cause the Partnership to withhold and pay over any amounts from Distributions or other payments to any Partner except as required by applicable law or regulation. If the Partnership is required to withhold and pay over to any federal, state, local or foreign government amounts on behalf of a Partner exceeding available amounts then remaining to be distributed to such Partner, the General Partner shall provide the Partner with written notice of such shortfall and, to the extent that the Partner does not reimburse the Partnership for such excess amounts within twelve (12) Business Days of receiving such notice, the unreimbursed portion of such payment by the Partnership shall constitute a loan to such Partner that is repayable by the Partner on demand of the General Partner on behalf of the Partnership, together with interest at a rate of eighteen percent (18%) or the maximum rate permitted under applicable law, whichever is less, calculated upon the outstanding principal balance of such loan as of the first day of each month, compounding monthly. Any such loan shall be repaid to the Partnership, in whole or in part, as determined by the General Partner in its sole discretion, either (i) out of any Distributions from the Partnership which the Partner is (or becomes) entitled to receive, or (ii) by the Partner in cash (said Partner bearing all of the Partnership's costs of collection, including reasonable attorney's fees, if payment is not remitted promptly by the Partner after such a demand for payment). Each Partner hereby agrees to defend, indemnify and hold harmless each other Partner and the Partnership from, and to pay in full when due, all amounts to be withheld and/or to be paid to any taxing authority in connection with any payment, distribution or allocation made or to be made to such Partner by reason of its interest in the Partnership.

(g) **Indemnification Under the Preferred Equity Investment Agreement** With respect to any unpaid Losses (as defined under the Preferred Equity Investment Agreements) of (i) the Partnership Parties (as defined in the Preferred Equity Investment Agreement (Original)) arising under or pursuant to Section 7.03(a) of the Preferred Equity Investment Agreement (Original) (including any Losses deemed to result from any breaches of the Option Properties Representations pursuant to Section 5.02(c)(ii) of this Agreement or the RRT Add-On Properties Representations pursuant to Section 5.02(d)(ii) of this Agreement), the parties agree that such amount of Losses will be deducted from the RRT Initial Capital Contribution and RRT's Capital Account and treated as though such adjustment occurred as of the Second Amendment Effective Date, or (ii) the MC Partnership Parties (as defined in the Preferred Equity Investment Agreement (Add-On)) arising under or pursuant to Section 7.03(a) of the Preferred Equity Investment Agreement (Add-On), the parties agree that such amount of Losses will be deducted from the RRT Add-On Capital Contribution and RRT's Capital Account and treated as though such adjustment occurred as of the Third Amendment Effective Date; provided that if Rockpoint Class A Preferred

Holder reasonably determines that such a Loss is not related to the value of the Partnership's assets or the amount of the Partnership's liabilities that may be properly reflected as an adjustment to the Capital Accounts of the Partners, the amount of such Loss will not be deducted from the RRT Initial Capital Contribution, RRT Add-On Capital Contribution or Capital Account and will be paid to Rockpoint Class A Preferred Holder out of the next Distributions that otherwise would have been made to RRT pursuant to this Agreement and such amounts will be treated as having been first distributed to RRT and then paid by RRT to Rockpoint Class A Preferred Holder for all purposes of this Agreement. The Partners agree, and the General Partner shall take such actions as appropriate, to adjust (a) future Distributions pursuant to Sections 9(a)(i) and 9(a)(ii) so that they are made in a manner that puts the Partners in the same economic position they would be in if the adjustment to the RRT Initial Capital Contribution or RRT Add-On Capital Contribution pursuant to this Section 9(g) (if any) were in effect on the Second Amendment Effective Date or Third Amendment Effective Date, as applicable, subject to Section 15(d)(ii), and (b) the Gross Asset Values of Partnership assets and/or the amount of the Partnership's direct or indirect liabilities, and the Partners' Capital Accounts, to reflect any Loss that is not described in the proviso in the first sentence of this Section 9(g).

10. Management.

(a) Powers; Delegation; RRT Board of Trustees.

(i) The management and operation of the Partnership and its business and affairs shall be, and hereby are, vested solely in the General Partner, subject to the conditions, terms and restrictions set forth herein. Subject to such conditions, terms and restrictions set forth herein, the General Partner shall have full, complete and exclusive control of the management and operation of the Business and the authority to do all things necessary or appropriate to carry out the purposes, business and powers of the Partnership as described herein, with full discretion and without any further act, vote or approval of any Partner (except as specifically provided in this Agreement and the other Transaction Documents). Except as expressly limited in this Agreement, the General Partner shall possess and enjoy with respect to the Partnership all of the rights and powers of a general partner of a limited partnership to the extent permitted by Delaware law. Subject to the provisions of this Agreement and the other Transaction Documents, the Partnership hereby irrevocably delegates to the General Partner, without limitation, the power and authority to act on behalf of and in the name of the Partnership, without obtaining the consent of or consulting with any other Person, and to take any and all actions on behalf of the Partnership set forth in this Agreement.

(ii) The General Partner may further delegate all or any part of its responsibilities required or authorized hereunder to any Person including, without limitation, the officers of the Partnership. Each of the General Partner and such officers, to the extent of their respective powers set forth herein or delegated by the General Partner, is an agent of the Partnership for the purpose of the Partnership's Business and the actions of the General Partner or such officer(s) taken in accordance with such powers shall bind the Partnership.

(iii) For so long as both Rockpoint Preferred Holders hold a Preferred Interest or collectively hold at least ten percent (10%) of the outstanding Common Interests or other Securities in the event of an Alternative IPO Entity, (A) the total number of authorized

trustees on the board of trustees of RRT shall be seven (7) or fewer and (B) the Rockpoint Class B Preferred Holder shall be entitled to designate and have elected two (2) members of the board of trustees of RRT (the “**RP Trustees**”), and RRT shall take such reasonable actions necessary or advisable to ensure that the RP Trustees have seats on the RRT board of trustees and each committee thereof and are given substantially comparable access to the business, records and operational matters of RRT as the other members of the RRT board of trustees, all pursuant to the terms of the Amended and Restated RRT Shareholders Agreement. The Rockpoint Class B Preferred Holder, in its sole and absolute discretion, shall designate both of the RP Trustees and may have either or both of the RP Trustees removed and designate a replacement Person (or Persons) to serve as the RP Trustee(s), in each case, by delivery of written notice to the General Partner. The General Partner shall take or cause to be taken all such actions as shall be necessary or required to (Y) maintain the size of the board of trustees of RRT at seven (7) or fewer and (Z) elect, remove and replace any Person designated as an RP Trustee by the Rockpoint Class B Preferred Holder to be elected or removed as an RP Trustee, all as set forth in the Amended and Restated RRT Shareholders Agreement.

(b) **Major Decisions.** Notwithstanding clause (a) above or any other provision herein except subject to Section 13(h), neither the General Partner nor any of its delegates shall make those decisions described on **Schedule 2** (the “**Major Decisions**”) or take, or cause to be taken, any action in furtherance of a Major Decision without the prior written consent of the Rockpoint Preferred Holders, which consent the Rockpoint Preferred Holders may grant or withhold in their sole and absolute discretion (including causing (i) any Subsidiary, (ii) the general partner or manager of any Subsidiary or (iii) the Partnership to consent to any action pursuant to the organizational documents of any Subsidiary which is a Major Decision) within ten (10) Business Days of delivery by the General Partner to the Rockpoint Preferred Holders of a written notice requesting their consent or rejection of a Major Decision (the “**Initial Notice**”). If the Rockpoint Preferred Holders fail to timely respond in writing to the Initial Notice, the General Partner shall deliver a second written notice via both electronic mail and overnight courier to the Rockpoint Special Notice Parties in addition to Rockpoint Preferred Holders requesting their consent or rejection of such Major Decision (the “**Second Notice**”), marked in bold faced lettering with the following language: “**THE ROCKPOINT PREFERRED HOLDERS’ RESPONSE IS REQUIRED WITHIN TEN (10) BUSINESS DAYS OF DELIVERY OF THIS NOTICE PURSUANT TO SECTION 10(B) OF THE THIRD AMENDED AND RESTATED LIMITED PARTNERSHIP AGREEMENT OF ROSELAND RESIDENTIAL, L.P.**” The failure of the Rockpoint Preferred Holders to respond in writing to a Second Notice within ten (10) Business Days of such Second Notice shall be deemed an acceptance of the Major Decision that is the subject of the Second Notice. Any such written response, whether to consent to or reject the applicable Major Decision, may be made by way of electronic mail.

(c) **Tenure.** The General Partner shall hold office unless and until: (i) it is dissolved, or (ii) it is the subject of Bankruptcy. Without the prior written consent of the Rockpoint Preferred Holders, RRT shall at all times serve as the General Partner.

(d) **Standard of Care; Limitation of Liability of General Partner.**

(i) The General Partner will use commercially reasonable efforts to own and operate the Properties, Subsidiaries and related Affiliates in a manner so as to maximize the value of the Properties, Subsidiaries and related Affiliates.

(ii) To the fullest extent permitted by law, except as otherwise provided in this Agreement (including, without limitation, Sections 5(c), 8, 9(g), 13, 16(a) and 26), in any other Transaction Document, or in any other agreement entered into by such Person and the Partnership, none of the General Partner nor any Person acting at the direction of or pursuant to authorization from the General Partner, nor any other Partner, shall be liable to the Partnership, any Subsidiary or to any Partner for any act or omission performed or omitted by such General Partner, Partner or other Person in good faith and in such Person's capacity as such under authority granted to such Person by this Agreement or as permitted by Delaware law; provided that, except as otherwise provided herein or in any other Transaction Document, such limitation of liability as to a Partner or Person shall not apply to the extent the act or omission was attributable to such Person's actions that constitute (i) fraud, (ii) gross negligence, (iii) willful misconduct, (iv) an intentional violation of law that materially and adversely affects the Partnership or any Subsidiary or (v) a knowing and intentional breach of this Agreement. Notwithstanding anything to the contrary in this Agreement, to the extent that, at law or in equity, a Person has duties (including fiduciary duties) and liabilities relating thereto to the Partnership, any Subsidiary, any Partner or any Affiliate of any Partner or any other Person, such Person acting under this Agreement shall not be liable to the Partnership, any Subsidiary, any Partner or any Affiliate of any Partner or any other Person for breach of fiduciary duty for its good faith reliance on the provisions of this Agreement, to the extent that they restrict or eliminate the duties (including fiduciary duties) and liability of a Person otherwise existing at law or in equity, and are agreed by each Partner to replace such other duties and liabilities of such Person. The Partnership, at its sole cost and expense, may procure insurance coverage, including errors and omissions coverage, with respect to the acts or omissions of the General Partner, the limits, terms and conditions of such coverage to be determined by the General Partner.

(c) **Reliance; Conflicts; Discretion.**

(i) The General Partner and each Person acting on behalf of the General Partner shall be entitled to rely upon information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by: (i) one or more officers, agents or employees of the Partnership or any of its Subsidiaries; and/or (ii) counsel, accountants or other Persons as to matters that the General Partner believes to be within such Person's professional or expert competence, provided the General Partner has no knowledge concerning the matter in question that would cause such reliance to be unwarranted, and provided further that the General Partner is acting within the scope of its authority, and any act or intentional decision not to take action by such Person in good faith reliance on such advice shall in no event subject such Person to liability to the Partnership, any of its Subsidiaries or any Partner.

(ii) Each Partner acknowledges and agrees that in the event of any conflict of interest, each such Person may, so long as such action does not constitute a breach of the implied covenant of good faith and fair dealing, act in the best interests of such Person or its Affiliates (subject to the limitations set forth above in this Section 10). No Partner shall be obligated to recommend or take any action in its capacity as a Partner that prefers the interests of

the Partnership or its Partners or any of its Subsidiaries over the interests of such Persons or its Affiliates, and each of the Partnership and each Partner hereby waives the fiduciary duties, if any, of such Person to the Partnership and/or its Partners, including in the event of any such conflict of interest or otherwise. Notwithstanding the limitations set forth in this Section 10(e), the General Partner and Persons acting at the direction of or pursuant to authorization from the General Partner shall remain liable for acts or omissions to the extent set forth in Section 10(d) or pursuant to any other Transaction Document.

(iii) Whenever in this Agreement the General Partner or any Limited Partner is permitted or required to take any action or to make a decision or determination, such Person shall take such action or make such decision or determination in its sole discretion, unless another standard is expressly set forth herein. Further, whenever in this Agreement the General Partner or a Limited Partner is permitted or required to take any action or to make a decision in its "good faith" or under another express standard, the General Partner or such Limited Partner shall act under such express standard and, to the extent permitted by applicable law, shall not be subject to any other or different standards imposed by this Agreement and, notwithstanding anything contained herein to the contrary, so long as the General Partner or such Limited Partner acts in good faith, the resolution, action or terms so made, taken or provided shall not constitute a breach of this Agreement or any other Transaction Document or impose liability thereon.

(f) **Communication with Rockpoint Preferred Holders.**

(i) One or more Representatives of the General Partner, which shall include any or all of the Chief Investment Officer, Chief Operating Officer or Chief Financial Officers (or such other Representative of the General Partner agreed to by the Rockpoint Preferred Holders), shall, at the request of the Rockpoint Preferred Holders, but not more frequently than on a monthly basis, hold a conference call with one or more designated Representatives of the Rockpoint Preferred Holders to discuss investment opportunities the Partnership is currently considering or undergoing diligence with respect to or such other matters as reasonably requested by the designated Representatives of the Rockpoint Preferred Holders.

(ii) In addition to and not in lieu of the conference calls referenced in Section 10(f)(i) above, the General Partner shall use commercially reasonable efforts to convene bi-weekly "executive meetings" consistent with past practices (except to the extent the Rockpoint Preferred Holders consent in writing to a lesser frequency (e-mail being sufficient for such consent), and which consent shall not be unreasonably withheld); it being understood, in the event that such meeting cannot be held due to scheduling conflicts, then a telephonic conversation between a senior executive of the General Partner and a senior representative of the Rockpoint Preferred Holders shall be sufficient for the purposes of this subparagraph. The Rockpoint Preferred Holders shall be given reasonable advance notice of, and be furnished with all information related to the Partnership or any Subsidiary circulated to the participants in, all such meetings and will have the right to have one or more representatives attend in person or via conference call at the election of the Rockpoint Preferred Holders.

(iii) In addition to the foregoing, upon reasonable request, Representatives of the Rockpoint Preferred Holders may have access to and may tour the

Properties, and the Representatives of the General Partner shall respond to inquiries of Rockpoint Preferred Holders regarding the Properties.

(g) **Shared Services Agreement; Credit Enhancement Services Agreement; Exclusivity.**

(i) The Partners acknowledge that the Partnership has entered into that certain Amended and Restated Shared Services Agreement dated as of the Third Amendment Effective Date with MCRLP with respect to certain shared services substantially in the form attached hereto as **Exhibit A** (the “**Amended and Restated Shared Services Agreement**”). Each Limited Partner acknowledges and agrees that it has reviewed, and that it hereby approves, the Amended and Restated Shared Services Agreement.

(ii) The Partners acknowledge that the Partnership has entered into that certain Amended and Restated Credit Enhancement Services Agreement dated as of the Third Amendment Effective Date with MCRLP with respect to certain credit enhancement services substantially in the form attached hereto as **Exhibit B** (the “**Amended and Restated Credit Enhancement Services Agreement**”). Each Limited Partner acknowledges and agrees that it has reviewed, and that it hereby approves, the Amended and Restated Credit Enhancement Services Agreement.

(iii) The Partners acknowledge, and MCRLP and MCRC hereby covenant and agree, that for so long as MCRLP and/or MCRC, directly or indirectly, owns a majority of the common equity of RRT or has a right to designate a majority of RRT’s trustees, the Partnership will be the sole and exclusive entity through which MCRC and MCRLP (directly or indirectly, including through any of their respective Affiliates) conduct residential real estate activities; provided, however, to the extent the Rockpoint Class A Preferred Holder rejects a proposed Future RRT Asset Contribution because it disagrees with the proposed Future RRT Asset Contribution Value (and such value is determined by an Appraiser to be reasonable), then the provisions of this clause (iii) shall not apply to such asset.

(h) **Other Agreements.** The Partnership shall at all times maintain, or cause any Subsidiaries Controlled by the Partnership to maintain, insurance with reputable insurers, licensed to do business in the state in which their respective Properties or activities are located, in such amounts and with such coverages as the Partnership or any Subsidiaries Controlled by the Partnership has maintained in the past or as the General Partner reasonably determines to be prudent in accordance with industry standards, including, as applicable and consistent with industry practice, insurance covering properties that were formerly owned, operated or leased by the Partnership or any of its Subsidiaries.

11. Financial and Tax Matters.

(a) **Fiscal Year.** The Fiscal Year end of the Partnership shall be December 31.

(b) **Books and Records.** The Partnership shall keep complete and accurate books of account and other necessary financial, accounting and tax records on an accrual basis and otherwise in accordance with applicable law, and each Partner shall have reasonable access to such and all of the Partnership’s books and records upon prior written notice and during normal business

hours, and the Partnership and General Partner shall forthwith provide copies of any or all of same as may be reasonably requested by any Partner.

(c) **Financial Reports.**

(i) Annual Reporting. Within (i) twenty-five (25) calendar days following the end of each Fiscal Year, the Partners will be provided with unaudited financial statements prepared in accordance with United States Generally Accepted Accounting Principles, consistently applied, including balance sheets, income statements and statements of Partners' capital, and (ii) eighty (80) calendar days following the end of each Fiscal Year, the Partners will be provided with audited financial statements prepared in accordance with United States Generally Accepted Accounting Principles, consistently applied, including balance sheets, income statements, and statements of Partners' capital.

(ii) Quarterly Reporting. Within twenty-five (25) calendar days following the end of each fiscal quarter, the Partners will be provided with performance measurement reporting, including unaudited balance sheets, income statements and status reports of the Partnership's assets and investments and activities, including a summary description of dispositions.

(iii) Budget. In connection with the monthly meeting pursuant to Section 10(f), Representatives of the Rockpoint Preferred Holders shall have the right to receive and review in advance of such meeting, the Partnership's current operating budget. In addition to the foregoing, the Partnership shall annually make available to designated Representatives of the Rockpoint Preferred Holders the proposed annual budget of the Partnership when available (but in no event later than the first Business Day of a calendar year), including any proposed allocations of expenses from the General Partner or other Affiliate to the Partnership, and shall cause a senior Representative of the General Partner to meet with the designated Representatives of the Rockpoint Preferred Holders to discuss such proposed budget, including such expense allocations.

(iv) Tax Information. Upon request by the Rockpoint Preferred Holders, the Partnership shall provide promptly from time to time (at the Partnership's cost) to such Rockpoint Preferred Holders such information pertaining to the Partnership, Subsidiaries and Applicable Entities as may be reasonably requested in order to ascertain compliance with REIT Requirements and determine the amount of Distributions that may be subject to Section 9(d)(i), including but not limited to quarterly income and asset information, as well as any information relating to the payment of estimated taxes.

(v) Levered Net Operating Income Information. Accompanying the delivery of the financial information required under Sections 11(c)(i) and 11(c)(ii), the Partnership shall also prepare and deliver to the Rockpoint Preferred Holders the Partnership's good faith computation of the Levered Net Operating Income for the annual or quarterly period, as applicable, ending as of the date of the financial information that is being contemporaneously delivered.

(vi) Capital Event Information. Accompanying the delivery of the financial information required under Sections 11(c)(i) and 11(c)(ii), the Partnership shall also prepare and deliver to the Rockpoint Preferred Holders a summary of all Capital Events completed

during the applicable quarterly period ending as of the date of the financial information that is being contemporaneously delivered, as well as a calculation of the Net Proceeds from Capital Events along with a reconciliation of the gross proceeds to the Net Proceeds from Capital Events for each such Capital Event.

(vii) **Other Information Rights.** The Rockpoint Preferred Holders shall automatically, without any further act on their part, be entitled to such information and reporting rights the Partnership grants to any other Limited Partner, or RRT grants to any investor, including any right to meet with Representatives of the General Partner, as contemplated by Section 10(f). In addition to the foregoing, the General Partner shall, and shall cause the Partnership to, make available to the Rockpoint Preferred Holders such other Partnership information reasonably requested, including but not limited to information relating to actual financial performance, loan documentation of the Partnership or its Subsidiaries (or joint ventures), and any joint venture agreements or related arrangements.

(d) **Bank Accounts.** Funds pertaining to the Partnership or any Subsidiary shall be deposited in the Partnership's name, or in the name of any Subsidiary, as applicable, in one or more bank accounts designated by the General Partner. The General Partner shall approve and establish from time to time the requirements for signatures and signing authority for all Partnership or Subsidiary accounts. The General Partner shall have the right at any time and from time to time to withdraw such approval and authority and approve and establish other requirements.

(e) **Tax Matters.**

(i) The following provisions of this Section 11(e)(i) are subject to Section 11(e)(v). Federal, state and local income tax returns pertaining to the Partnership shall be prepared by the accounting firm selected by the General Partner. The Partnership shall furnish to the Rockpoint Preferred Holders an estimate of the information that would appear on their Schedule K-1s to be issued to the Partners by the Partnership no later than sixty (60) calendar days following the end of each taxable year of the Partnership, and shall thereafter cooperate with all reasonable requests for information submitted by the Rockpoint Preferred Holders and their advisors relating to the Partnership. The Rockpoint Preferred Holders may comment on such information within thirty (30) calendar days after the receipt thereof (which period shall be equitably extended if information requested by the Rockpoint Preferred Holders in good faith is not promptly furnished). The General Partner shall consider any such comments in good faith and shall endeavor reasonably to cooperate with the Rockpoint Preferred Holders with respect thereto; provided that final decisions shall be made by the General Partner and the accounting firm selected by it except as provided in Section 11(e)(v). The Partnership shall provide each Partner a final Federal income tax return of the Partnership and related Federal Schedule K-1 with respect to each tax year by no later than forty-five (45) calendar days prior to the due date (including extensions validly obtained) for the filing thereof with the Internal Revenue Service ("IRS").

(ii) Prompt notice shall be given to each Partner upon receipt of written notice that the IRS intends to examine the income tax returns pertaining to the Partnership or any of its Subsidiaries or Applicable Entities.

(iii) Tax decisions and elections for the Partnership not provided for herein shall be determined by the General Partner (subject to any then applicable Major Decision rights of the Rockpoint Preferred Holders). The General Partner shall be the tax matters partner (the “**TMP**”) within the meaning of Section 6231(a)(7) of the Code. The TMP shall promptly take such action as may be necessary to cause each Partner to become a “notice partner” within the meaning of Section 6231(a)(8) of the Code. The TMP shall furnish to each Partner a copy of all notices or other written material communications received by the TMP from the IRS. The TMP shall notify each Partner of all communications it has had with the IRS and shall keep all Partners informed of all matters which may come to its attention in its capacity as TMP by giving them written notice thereof within five (5) Business Days after the TMP becomes informed of any such matter (or within such shorter period as may be required by the appropriate statutory or regulatory provisions). To the extent any submission by the TMP could have a material adverse effect on the Rockpoint Preferred Holders or their direct or indirect owners, the General Partner and TMP shall consider in good faith any suggestions of the Rockpoint Preferred Holders with respect to such submission. For any taxable year other than taxable years to which Section 11(e)(iv) applies, the General Partner and TMP shall not settle any tax matter in a manner that is binding on the Rockpoint Preferred Holders or their direct or indirect owners and could have a material adverse effect on the Rockpoint Preferred Holders or their direct or indirect owners without the advance written consent of the Rockpoint Preferred Holders, and the Rockpoint Preferred Holders shall be entitled at their expense to take positions inconsistent with the position of the General Partner and TMP (provided they notify the General Partner and TMP of the taking of such inconsistent position).

(iv) For taxable years to which the Revised Partnership Audit Procedures are applicable (which shall be for years beginning after December 31, 2017): the General Partner shall be the “partnership representative” contemplated by such procedures (the “**Partnership Representative**”) within the meaning of Section 6223(a) of the Code and shall represent the Partnership in any disputes, controversies, or proceedings with the IRS or with any state, local, or non-U.S. taxing authority. To the extent any submission by the Partnership Representative could have a material adverse effect on the Rockpoint Preferred Holders or their direct or indirect owners, the General Partner and the Partnership Representative shall consider in good faith any suggestions of the Rockpoint Preferred Holders with respect to such submission. The Partnership Representative shall be entitled to take such actions on behalf of the Partnership in any and all proceedings with the IRS and any other such taxing authority as it reasonably determines to be appropriate, provided that the Partnership Representative shall attempt to cause any adjustments to be made at the Partner level and shall not settle any tax matter in a manner that is binding on and could have a material adverse effect on the Rockpoint Preferred Holders or their direct or indirect owners without the advance written consent of the Rockpoint Preferred Holders, and the Rockpoint Preferred Holders shall be entitled at their expense to take positions inconsistent with the position of the General Partner and TMP (provided they notify the General Partner and TMP of the taking of such inconsistent position). If the Partnership Representative is precluded by law from settling a tax matter in a manner that is not binding on the Rockpoint Preferred Holders and such settlement could result in a material adverse effect on the Rockpoint Preferred Holders or their direct or indirect owners, such settlement shall be a Tax Decision. Subject to the foregoing, the Partners agree to cooperate in good faith to timely provide information reasonably requested by the Partnership Representative as needed to comply with the Revised Partnership Audit Procedures, including without limitation to make (and take full advantage of) any elections

available to the Partnership under such procedures. Subject to and without limiting the foregoing, the Partnership shall make any payments of assessed amounts under Section 6221 of the Revised Partnership Audit Procedures and shall allocate any such assessment among the current or former Partners of the Partnership for the “reviewed year” to which the assessment relates in a manner that reflects, as closely as possible, the current or former Partners’ respective interests in the Partnership for that reviewed year based on such Partner’s share of such assessment as would have occurred if the Partner had amended the tax returns for such reviewed year and such Partner incurred the assessment directly (using the tax rates applicable to the Partnership under Section 6225(b)). To the extent that the Partnership is assessed amounts under Section 6221(a), the current or former Partner(s) to which this assessment relates shall pay to the Partnership such Partner’s share of the assessed amounts, including such Partner’s share of any additional accrued interest assessed against the Partnership relating to such Partner’s share of the assessment, upon thirty (30) calendar days of written notice from the Partnership Representative requesting the payment. At the reasonable discretion of the General Partner (and provided such action would not result in a Deficiency or otherwise result in a reduction in the amount of Distributions to any Rockpoint Preferred Holder), with respect to current Partners, the Partnership may alternatively allow some or all of a Partner’s obligation pursuant to the preceding sentence to be applied to and reduce the next distribution(s) otherwise payable to such Partner under this Agreement. To the extent a Partner’s obligation is applied to reduce one or more subsequent distributions to a Partner, such amounts shall be treated as a distribution or distributions for purposes of applying Section 9. For purposes of determining Capital Accounts, such amounts shall not be treated as distributions but instead shall be treated as a nondeductible and noncapitalizable expenditure under Section 705(a)(2)(B) of the Code and allocated in the same manner as the assessment is allocated among the current and former Partners, treating a current Partner who acquired an interest from a former Partner as that former Partner. The Partnership Representative shall furnish to each Partner a copy of all notices or other written material communications received by the Partnership Representative from the IRS. Subject to any Major Decision rights of the Rockpoint Preferred Holders, the Partnership Representative shall notify each Partner of all communications it has had with the IRS and shall keep all Partners informed of all matters which may come to its attention in its capacity as Partnership Representative by giving them written notice thereof within five (5) Business Days after the Partnership Representative becomes informed of any such matter (or within such shorter period as may be required by the appropriate statutory or regulatory provisions). The Partnership Representative shall have no personal liability arising out of his, her or its good faith performance of his, her or its duties as the Partnership Representative hereunder. The provisions contained in this Section 11(c)(iv) shall survive the dissolution of the Partnership and the withdrawal of any Partner or the transfer of any Partner’s Partnership Interest.

(v) Whenever in this Agreement a matter is required to be resolved by Tax Decision, the following procedures shall apply (such procedures, “**Tax Decision**”): the initial determination thereof shall be made by the General Partner and then communicated in writing to the Rockpoint Class A Preferred Holder. The Rockpoint Class A Preferred Holder shall have thirty (30) calendar days to review such determination and provide comments thereto. During the Rockpoint Class A Preferred Holder’s review period, the General Partner shall respond promptly to reasonable requests for information pertaining to such matter, and the thirty (30)-day review period shall be extended to the extent necessary to provide Rockpoint Class A Preferred Holder with at least ten (10) calendar days to review and respond to each response for such information provided by the General Partner, provided the request for information is made in good faith and

not with the intent to unduly extend such thirty (30)-day period. If the General Partner and Rockpoint Class A Preferred Holder disagree as to an ultimate resolution within ten (10) calendar days following the end of the review period, then the General Partner's determination shall control, provided such determination is reasonable, made in good faith, is consistent with the definition of Permitted Sale Property Gain and the allocations thereof required under Section 7(b)(vii), and is consistent with each opinion referred to in Section 8(a). If the General Partner's determination does not so control pursuant to the foregoing, the determination shall be resolved by a third party firm of attorneys or accountants mutually acceptable to the General Partner and the Rockpoint Class A Preferred Holder, whose determination shall be made with the principal goal of reaching at least "should" level comfort that the determination will not ultimately result in such gain being allocated to Rockpoint Class A Preferred Holder (unless such goal is otherwise waived by Rockpoint Class A Preferred Holder), with the secondary goal that the economics set forth in Section 9 be preserved to the maximum extent possible in compliance with applicable law, and thereafter in the manner most reasonable in the circumstances. Costs of the independent counsel or accountants as provided herein shall be borne by the Partnership.

(vi) The rights of the Rockpoint Preferred Holders (including the obligations of the General Partner or the Partnership to the Rockpoint Preferred Holders) in this Section 11(e) shall survive termination of this Agreement.

(vii) For purposes of this Agreement, any tax related decision or approval rights otherwise vested in either or both of the Rockpoint Preferred Holders shall be vested in the REIT Owners following such time (if any) as the interests in the Rockpoint REITs are no longer owned by the REIT Owners (determined separately for the Rockpoint REIT Owners of each Rockpoint REIT).

(f) **Capitalization and Payment of Transaction Expenses of the Rockpoint Preferred Holders. Each of the Partners acknowledges and agrees that:**

(i) The out-of-pocket transaction expenses incurred by the Rockpoint Preferred Holders in connection with this Agreement and the Transaction Documents have not been previously advanced or reimbursed by the Partnership. The Partnership shall reimburse the Rockpoint Preferred Holders for the expenses with respect to this Agreement and the Transaction Documents promptly following execution and delivery of this Agreement by the Rockpoint Preferred Holders and the other Partners pursuant to Section 9.01 of that certain Preferred Equity Investment Agreement (Add-On). Additionally, the Partnership shall reimburse the Rockpoint Preferred Holders for all reasonable out-of-pocket expenses (the "**Rockpoint Evaluation Expenses**") incurred in conjunction with the evaluation of transactions initiated by MCRC, MCRLP, RRT, their respective affiliates, or the Partnership, as and when such expenses are incurred by the Rockpoint Preferred Holders following the date hereof; and

(ii) Any such expenses reimbursed to the Rockpoint Preferred Holders shall be capitalized by the Partnership as Partnership expenses but shall not be deemed a Capital Contribution of the recipient reimbursed party.

(g) **REIT Savings Provisions.**

(i) Notwithstanding anything herein to the contrary, the Partners hereby acknowledge the status of each of the Rockpoint REITs, MCRC and MCPT as a REIT. The Partners further agree that the Partnership (including any Subsidiaries that the Partnership may have at any time and any Applicable Entities) and the Properties shall be managed in a manner so that: (a) the Partnership's gross income meets the tests provided in Section 856(c)(2) and (3) of the Code as if the Partnership were a REIT; (b) the Partnership's assets meet the tests provided in Section 856(c)(4) of the Code as if the Partnership were a REIT; and (c) the Partnership minimizes federal, state and local income and excise taxes that may be incurred by the Rockpoint REITs, MCRC and MCPT (or any Subsidiary REIT) or any of their Affiliates, including taxes under Sections 857(b), 860(c) or 4981 of the Code, with respect to the immediately preceding year (these requirements, collectively and together with other provisions of the Code and Regulations relating to qualification as a REIT, the "**REIT Requirements**"); provided no such action shall result in Distributions that differ from those provided in Section 9. The Partners hereby acknowledge, agree and accept that, pursuant to this Section 11(g), the Partnership (including any Subsidiaries that the Partnership may have at any time and any Applicable Entities) may be precluded from taking an action it would have taken, or may be required to take an action which it would not have otherwise taken, even though the taking or the not taking of such action might otherwise be advantageous to the Partnership (including any Subsidiaries that the Partnership may have at any time and any Applicable Entities) and/or to one or more of the Partners (or one or more of their Subsidiaries or Affiliates or Applicable Entities).

(ii) Notwithstanding any other provision of this Agreement to the contrary, neither the General Partner nor any Limited Partner will take, or require the Partnership to take, any material action (other than to the minimum extent necessary to comply with the REIT Requirements) which may, in the opinion of RRT's and/or MCRC's and/or MCPT's tax advisors or legal counsel, result in the loss of any Rockpoint REIT's, MCRC's and/or MCPT's status (or any applicable Subsidiary REIT's status) as a REIT, assuming the sole asset of each such REIT is its direct or indirect interest in the Partnership. Furthermore, the General Partner shall structure the Partnership's transactions to eliminate any prohibited transaction tax or other taxes applicable to Rockpoint REITs, RRT, MCRC, and MCPT (or any Subsidiary REIT).

(iii) The Partners acknowledge that the Partners may desire to engage in the development and sale of condominiums and/or subdivided parcels with respect to all or a portion of the Properties and that such activity must be conducted, if at all, in accordance with applicable REIT Requirements. The Partners shall reasonably cooperate with each other to structure such business in a manner which permits Rockpoint REITs, RRT, MCRC and/or MCPT to comply with applicable REIT Requirements. Furthermore, the Partners acknowledge and agree that they will not object (and will fully cooperate) if any Rockpoint REIT, RRT, MCRC, and/or MCPT, each in its sole discretion, determines that it would be helpful in facilitating its (or any applicable Subsidiary REIT's) REIT compliance that any proposed development and sale of condominiums and/or subdivided parcels should be accomplished by the Partnership transferring the portions of the Properties (or any additional property in which the Partnership owns an interest) on which such condominiums and/or subdivided parcels are intended to be constructed in an income tax-free transaction to one or more limited liability companies the beneficial ownership and control of which mirror that of the Partnership, with the same terms and proportional capitalization as the Partnership, except that Rockpoint REITs' and RRT's interests in such company or companies will be held by one or more taxable REIT subsidiaries (as described in

Section 856(l) of the Code) (each, a “**TRS**”) and except for such other adjustments reasonably necessary to enable Rockpoint REITs, RRT, MCRC, and/or MCPT to avoid earning income or holding assets that would not qualify under the REIT Requirements, and provided such structure does not materially adversely affect the Preferred Holders or their direct or indirect owners (it being understood that creating gain from the sale or exchange of a United States real property interest for purposes of Section 897(h)(1) of the Code allocable to the Rockpoint Class A Preferred Holder results in a material adverse effect for purposes of this Agreement). If RRT determines in its sole and absolute discretion that a TRS should be established to provide services at the Properties, or otherwise in connection with the Partnership’s ownership of the Properties, MCRC, MCPT, or RRT, as applicable, may form, or cause to be formed, such TRS provided that it prepares forms for election under Section 856(l)(1)(B) of the Code (in accordance with guidance issued by the IRS) for the Rockpoint REITs, MCRC or MCPT (or any Subsidiary REIT) and causes the TRS to execute such election form, and forwards the same to the Partnership and each Partner for execution and filing by the Rockpoint REITs, MCRC, MCPT, or RRT, as applicable, if it so chooses. Each Partner shall reasonably cooperate with the formation of any such TRS and execute any documents deemed reasonably necessary by the Rockpoint REITs, MCRC, MCPT, or RRT (or any Subsidiary REIT) in connection therewith.

12. Restrictions on the Disposition of Partnership Interests; Approved Sales

(a) Subject to the remainder of this Section 12, no Partner may sell, transfer, assign, pledge, syndicate, encumber or otherwise directly or indirectly dispose of any interest (in each case, a “**Transfer**”) in any Partnership Units, without the prior written consent of the General Partner, not to be unreasonably withheld; provided, however, that withholding consent shall not be unreasonable if the proposed Transfer is to a proposed transferee that is a RRT Competitor; provided, further, that withholding consent is not to be considered more reasonable by virtue of the fact that the Transfer in question involves Class A Preferred Partnership Units and not a corresponding portion of Class B Preferred Partnership Units, or vice-versa. Notwithstanding the foregoing and the remainder of this Section 12, in no event (i) without the prior written consent of the Rockpoint Preferred Holders, may any Person serve as the General Partner, other than RRT and no Transfer of such Partnership Units shall be permitted if it would result in a new General Partner without the prior written consent of the Rockpoint Preferred Holders or (ii) shall any Transfer of Partnership Units be effected, nor shall the General Partner consent to or be required to consent to any Transfer of Partnership Units, (A) which would (1) cause the Partnership or any Partnership Subsidiary to be subject to ERISA, or (2) cause the Partnership or any Subsidiary to be taxed as a corporation for income tax purposes, and (B) unless and until the prospective transferee executes and delivers to the Partnership a written agreement, in form reasonably satisfactory to the General Partner, pursuant to which such Person agrees to be bound by the terms of this Agreement.

(b) The restrictions contained in Section 12(a) (other than those contained in the final sentence thereof) shall not apply (in each case, a “**Permitted Transfer**”) to:

- (i) Transfers of a Partner’s Partnership Units to one or more of such Partner’s Affiliates;

(ii) distributions by MCRLP or its Affiliates of their equity interests in RRT, in each case to shareholders of the distributing parties' respective ultimate parent entities, a spin-out or initial public offering of common stock or other common equity interests of RRT (each, a "Public Liquidity Event");

(iii) any Transfer of up to forty-nine percent (49%) of a Rockpoint Preferred Holder's Partnership Interests (in whole or in part) (which for the sake of clarity includes the transfer of a direct or indirect interest in a Rockpoint Preferred Holder) to any other Person, so long as following such Transfer the Rockpoint Minimum Equity and Control Requirements are satisfied; provided, however, that this subsection (iii) shall not, absent prior written consent of the General Partner, allow a Transfer to any proposed transferee that is a RRT Competitor;

(iv) any Transfer of up to seventy-five percent (75%) of such Rockpoint Preferred Holder's Partnership Interests (which for the sake of clarity includes the transfer of a direct or indirect interest in a Rockpoint Preferred Holder) to any other Person that is an Institutional Investor, so long as following such Transfer the Rockpoint Minimum Equity and Control Requirements are satisfied; provided, however, that this subsection (iv) shall not, absent prior written consent of the General Partner, allow a Transfer to any proposed transferee that is a RRT Competitor;

(v) any pledge or encumbrance of a direct or indirect interest in Partnership Interests (in whole or in part) for collateral purposes by a Rockpoint Preferred Holder or any direct or indirect owner thereof;

(vi) any Transfer approved by written consent of the General Partner, as provided in Section 12(a);

(vii) any Change of Control of MCRLP, MCRC or Rockpoint Group, L.L.C.;

(viii) for the avoidance of doubt, any transfers of limited partnership interests in any fund affiliated with Rockpoint Group, L.L.C.; or

(ix) for the avoidance of doubt, the sale, conveyance, hypothecation, transfer, pledge, issuance or assignment, whether by law or otherwise, of all or any portion of any direct or indirect ownership or economic interest in MCRC, MCRLP or Rockpoint Group, L.L.C.

(c) (i) Upon a Permitted Transfer pursuant to Section 12(b), the transferring Partner will deliver a written notice to the General Partner, which notice will disclose in reasonable detail the identity of such transferee, but failure to provide such information shall not void the Permitted Transfer. Notwithstanding the foregoing or anything to the contrary in this Agreement, Rockpoint shall not be required to provide information regarding the identity of the limited partners in any fund affiliated with Rockpoint Group L.L.C.

(ii) Notwithstanding the general restriction on Transfers contained in Section 12(a), such restrictions shall not prevent the Transfer of the Securities of the ultimate parent entity of a Partner or the acquisition by, or merger with, a third party of a Partner or its

ultimate parent which would otherwise be considered a change in Control with respect to such Partner; provided the same does not (A) cause the Partnership or any Partnership Subsidiary to be subject to ERISA, or (B) cause the Partnership or any Partnership Subsidiary to be taxed as a corporation for income tax purposes.

(d) **Proposed Sale ROFO.** If the General Partner determines to pursue an Approved Sale, then prior to entering into a sale or auction process relating to any Approved Sale or commencing negotiations with any third party with respect to a proposed Approved Sale, the General Partner shall notify the Rockpoint Preferred Holders in writing of its intent to pursue an Approved Sale (the “**Proposed Sale Notice**”), which sets forth the General Partner’s intended sales price for an Approved Sale at the time the Proposed Sale Notice is given (the “**Proposed Price**”) and other material proposed terms (the “**Proposed Terms**”), of such Approved Sale (which shall be determined by the General Partner in its sole discretion). For the period commencing with the giving of the Proposed Sale Notice and terminating sixty (60) calendar days thereafter, or as may be agreed in writing by the parties (the “**Offer Period**”), the Rockpoint Preferred Holders shall have the opportunity to elect to purchase (or cause an Affiliate of the Rockpoint Preferred Holders to purchase) the Properties or the Partnership Interests of the General Partner, all other Partners and their Affiliates (if any), at a price equal to or in excess of the Proposed Price (which shall be their Partnership Interest Liquidation Value in the case of a purchase of their Partnership Interests), and on terms not substantially less advantageous to the Partnership and the General Partner and its Affiliates than the Proposed Terms, by giving written notice of such election (the “**Acceptance Notice**”) prior to the expiration of the Offer Period. Upon delivery of such Acceptance Notice, each Partner will be deemed to have consented to and agrees to raise no objections against (and to confirm in writing such consent to) such transaction. If a Rockpoint Preferred Holder fails to deliver the Acceptance Notice within the Offer Period, then the General Partner shall be free to pursue an Approved Sale on any terms that it elects in its sole discretion, but only if such sale is consummated within 365 days after the expiration of the Offer Period (the “**Sale Period**”) at a price equal to or greater than ninety percent (90%) of the Proposed Price, subject to (i) the obligations under Section 8 and (ii) the acquisition of the Put/Call Interests by the General Partner in accordance with Section 12(e). If such a sale is not completed within the Sale Period at a price equal to or greater than ninety percent (90%) of the Proposed Price, then the General Partner shall offer any subsequent proposed Approved Sale to the Rockpoint Preferred Holders in accordance with this Section 12(d) prior to attempting to effect an Approved Sale with a third party.

(e) **Approved Sale.** If the Rockpoint Preferred Holders fail to deliver an Acceptance Notice with respect to a proposed Approved Sale under Section 12(d), the General Partner shall have the right to cause the Partnership to enter into an Approved Sale, subject to its prior compliance with Section 8, Section 12(d) and this Section 12(e). If the General Partner approves a sale of all or substantially all of the Partnership’s assets determined on a consolidated basis or proposes a sale of a majority of the then-outstanding Partnership Interests, in each case whether by merger, recapitalization, consolidation, reorganization, combination or otherwise, to any bona fide third party purchaser (collectively, if consummated, an “**Approved Sale**”) (such bona fide third purchaser, a “**Proposed Purchaser**”), the General Partner shall deliver written notice to the Partners setting forth in reasonable detail the terms and conditions of the Approved Sale (including, to the extent then determined, the consideration to be paid with respect to each Partner which shall be determined by reference to its Partnership Interest Liquidation Value). Rockpoint Preferred Holders shall be given the right to approve such Approved Sale in their sole

and absolute discretion; provided, for avoidance of doubt, that any such disapproval shall not be deemed to restrict or otherwise modify the General Partner's right and obligation to acquire the Put/Call Interests in connection with an Approved Sale that is not an RP Approved Sale pursuant to Section 13. If Rockpoint Preferred Holders approve such Approved Sale (an "**RP Approved Sale**") in writing within twenty (20) calendar days following receipt of notice thereof from the General Partner, then each Partner will be deemed to have consented to and agrees to raise no objections against (and to confirm in writing such consent to) such RP Approved Sale, whether such RP Approved Sale is with the Rockpoint Preferred Holders or their Affiliate, pursuant to Section 12(d), or the Proposed Purchaser. If Rockpoint Preferred Holders do not approve such Approved Sale in writing within such period, then as a condition to consummating an Approved Sale that is not an RP Approved Sale the General Partner shall be required to purchase the Put/Call Interests solely through exercise of an Early Purchase as provided in Section 13 (if the Approved Sale would occur during the Lockout Period) or solely through the exercise of the Call Right in Section 13(g)(i) (if the Approved Sale would occur outside the Lockout Period), in exchange for the Purchase Payments under terms described in Section 13 by giving notice thereof in writing to the Rockpoint Preferred Holders (a "**Section 12(e) Notice**") within twenty (20) days following the earlier of (1) the date that one or both the Rockpoint Preferred Holders provide written notice that they do not approve the sale or (2) the date that the Rockpoint Preferred Holders are deemed not to approve the sale due to their failure to respond within twenty (20) days after receiving notice of the intended Approved Sale from the General Partner.

If the RP Approved Sale is structured as a merger, consolidation or other transaction for which dissenter's appraisal or similar rights are available under applicable law, each Partner will waive any dissenter's rights, appraisal rights or similar rights in connection with such transaction.

The obligations of the Partners with respect to an RP Approved Sale are subject to each Partner being entitled to and receiving the same terms and conditions as any other holder of Partnership Interests, provided that each Partner receives its Partnership Interest Liquidation Value. Each Partner shall take all necessary or desirable actions in connection with the consummation of the RP Approved Sale as reasonably requested by the General Partner, including by executing, acknowledging and delivering any and all customary consents, assignments, waivers and other documents or instruments (including any applicable purchase agreement, stockholders agreement, indemnification agreement or contribution agreement), furnishing information and copies of documents, filing applications, reports, returns and other documents or instruments with governmental authorities, and otherwise cooperating reasonably with the Proposed Purchaser. Each Partner shall only be required to make representations and warranties personal to it relating to its ownership of Partnership Interests to be transferred; provided, however, that each Partner shall be obligated to join strictly on a pro rata basis with respect to all operational representations and warranties made in respect of the Partnership and its Subsidiaries (as if such obligations reduced the aggregate proceeds available for distribution or payment to the Partners in the determination of Partnership Interest Liquidation Value) in any customary indemnification, escrow, holdback or other obligations that the Partnership or the Partners agree to provide in connection with the RP Approved Sale and that are customary in amount and duration for transactions involving the sale of real estate generally in the United States; provided, however, that in connection with the closing of any such RP Approved Sale, each Rockpoint Preferred Holder shall receive at closing all consideration owed to such Rockpoint Preferred Holder pursuant to

such RP Approved Sale, other than such amounts retained on a pro rata basis pursuant to such permitted indemnification, escrow, or other holdback.

13. General Partner's Purchase Rights; Partnership's Redemption/Purchase Rights.

(a) For purposes hereof, except as provided in Section 13(f) and 13(g), the term **Put/Call Interests** shall mean (i) 100% of the common interests in each of the Rockpoint REITs (other than any such common interests owned by a Rockpoint REIT), and (ii) the Class B Preferred Partnership Units held by the Rockpoint Class B Preferred Holder. As used herein, **Rockpoint REIT Interests** means the common interests in the Rockpoint REITs described in clause (i) above.

(b) During the period commencing on the Third Amendment Effective Date and ending on March 1, 2023 (the **Lockout Period**), the General Partner shall not have the right to purchase any Put/Call Interests. Notwithstanding the foregoing, the General Partner shall have the right to acquire the Put/Call Interests from Rockpoint Growth and Income Upper REIT Aggregator II-A, L.L.C., Rockpoint Growth and Income Lower REIT Aggregator II-A, L.L.C., Rockpoint Growth and Income Upper REIT Upsize Aggregator II-A, L.L.C. and Rockpoint Growth and Income Lower REIT Upsize Aggregator II-A, L.L.C. (the **REIT Owners**, who are express third-party beneficiaries under this Agreement; such third-party beneficiaries, for the sake of clarity, do not include any successor that is not an Affiliate of the Rockpoint Preferred Holders on the date hereof) and Rockpoint Class B Preferred Holder, in connection with (i) an Approved Sale that is not an RP Approved Sale, or (ii) a Public Liquidity Event (an acquisition of the Put/Call Interests pursuant to the events in sub-clauses (i) and (ii) above, to the extent they occur during the Lockout Period, together, an **Early Purchase**). Any Early Purchase may be effectuated in whole (but not in part) at the General Partner's sole discretion, provided that the General Partner shall be required to effectuate an Early Purchase as a condition to effectuating an Approved Sale during the Lockout Period that is not an RP Approved Sale. For avoidance of doubt, the redemption or purchase of any Partnership Interests held by the General Partner or its Affiliates would be subject to Section 10(b).

(c) The Put/Call Interests shall become automatically subject to the purchase provisions of Section 13(g) on March 1, 2027, and a Call Notice shall be deemed delivered on such date, in which case any option to defer the purchase and redemption by up to a year set forth in Sections 13(g)(i) and 13(g)(ii) shall not apply.

(d) To purchase all (but not less than all) of the Put/Call Interests, except as provided in Section 13(f), the General Partner shall make payments to (i) REIT Owners in an aggregate amount equal to the Class A Waterfall Value, and (ii) to the Rockpoint Class B Preferred Holder in an amount equal to its Partnership Interest Liquidation Value (such Class A Waterfall Value and Partnership Interest Liquidation Value, the **Purchase Payments**).

(e) [Intentionally Omitted.]

(f) Certain Matters Relating to Put/Call Interests and Conversion.

(i) At the election of the Rockpoint Class A Preferred Holder and the Rockpoint Class B Preferred Holder (other than in the case of a transaction occurring pursuant to an Approved Sale) (a “**Conversion Election**”), in lieu of selling the Rockpoint REIT Interests to the General Partner or having the Partnership redeem the Preferred Interests owned by the Rockpoint Class B Preferred Holder for a cash payment as provided in Section 13(d) above or as provided in Section 13(g) or 13(i) below, the Rockpoint Class A Preferred Holder (in respect of what otherwise would be a sale of Rockpoint REIT Interests) or the Rockpoint Class B Preferred Holder, as applicable, shall be entitled to cause the Partnership Interest owned by it to be converted into Common Interests under the terms described in Section 13(f) (ii). If such election is made by Rockpoint Class A Preferred Holder, (A) the REIT Owners shall not be entitled to sell their Rockpoint REIT Interests as provided in Section 13(d), and (B) references to the Put/Call Interests shall not include the Rockpoint REIT Interests and shall instead refer to the Rockpoint Class A Preferred Holder’s Preferred Interests (and for the sake of clarity shall continue to include the Class B Preferred Partnership Units held by the Rockpoint Class B Preferred Holder).

(ii) Except as provided below, any Common Interests owned by a Rockpoint Preferred Holder or any Affiliate of Rockpoint Group, L.L.C. received pursuant to a Conversion Election shall represent the right to share in a percentage of all Distributions, other than Distributions with respect to any Class A Preferred Partnership Interests held by the MC Class A Preferred Holder (if any) at the time of the exchange that are not then being converted to Common Interests, equal to the Partnership Interest Liquidation Value of the Put/Call Interests exchanged for Common Interests divided by the total Partnership Interest Liquidation Value of the Partnership Interests other than the Partnership Interest Liquidation Value of any Class A Preferred Partnership Interests held by the MC Class A Preferred Holder that are not then being converted to Common Interests (limited, in the case of Rockpoint Class A Preferred Holder, to the Class A Waterfall Value of its Class A Preferred Partnership Interests divided by the Fair Market Value of (A) all Partnership Common Interests prior to the conversion, and (B) Preferred Interests held by the Rockpoint Preferred Holders and (C) the Preferred Interest held by the MC Class A Preferred Holder to the extent (if any) such Interest is also being converted to Common Interests in such conversion). In connection with the conversion of the Rockpoint Class A Preferred Interests and/or Rockpoint Class B Preferred Interests, there will be a book-up/down of the continuing Partners’ Capital Accounts to Fair Market Value (based on relative Partnership Interest Liquidation Values) to the extent permissible under the Code and Regulations. If a book-up/down is not permissible, allocations among holders of Common Interests will be based on their Partnership Interest Liquidation Values, except that the Agreement will provide for a special allocation of built-in gain (determined at the time of the conversion by reference to the difference between Fair Market Value and Gross Asset Value at that time) among the Partners in a manner that is consistent with how such built-in gain would have been allocated in connection with a revaluation event. Notwithstanding the foregoing, if the Conversion Election arises as a result of an Early Purchase or the exercise of the Call Right, and either (A) the Partnership Interest Liquidation Value ascribed to the Class A Preferred Partnership Interests or Class B Preferred Partnership Interests held by a Rockpoint Preferred Holder is less than (1) in the case of the Rockpoint Class A Preferred Holder, the Class A Waterfall Value determined at such time, and (2) in the case of the Rockpoint Class B Preferred Holder, the sum of the Rockpoint Class B Preferred Holder’s Capital Contributions plus the Rockpoint Class B Preferred Holder’s Distribution Make-Whole with respect thereto, or (B) either the facts or applicable law governing the maintenance of Capital Accounts in accordance with Section 704(b) of the Code do not permit the restatement of the Capital Account of either of

the Rockpoint Preferred Holders to an amount that bears the same proportion to all Capital Accounts (other than Capital Accounts attributable to any MC Class A Preferred Holder) as the Distribution percentage of such Rockpoint Preferred Holder described in the first sentence of this Section 13(f)(ii), the terms of the Common Interests of the Partnership upon such conversion into Common Interests shall be as set forth on Schedule 4. The Partners agree to modify this Agreement to reflect the foregoing (including, if applicable, the terms of Schedule 4) upon such conversion into Common Interests.

(iii) The Partners agree to modify this Agreement to reflect the foregoing upon such an acquisition of Common Interests. In addition to the foregoing, in the event the Public Liquidity Event involves an entity other than the Partnership or if the Public Liquidity Event involves the formation of a public UPREIT or an UPREIT beneath a public entity (in either case, an “**Alternative IPO Entity**”), the Rockpoint Preferred Holders shall be permitted to convert their Put/Call Interests into securities of such Alternative IPO Entity based on their respective Partnership Interest Liquidation Values, provided that the principles of **Schedule 4** shall be implemented, *mutatis mutandis*, to preserve the economic arrangement among the Rockpoint Preferred Holders and RRT, and the General Partner and the Rockpoint Preferred Holders shall work together in good faith to prepare and execute such documentation as may be necessary or appropriate, including, without limitation, the amendment of any relevant governance or charter documents, as to give effect to the foregoing and to maintain all rights of the Rockpoint Preferred Holders as they have under this Partnership Agreement had an Alternative IPO Entity not been used.

(iv) In the event of a Put Right due to an Uncured Event of Default, the General Partner shall consummate the Put Right within one hundred twenty (120) calendar days following delivery of the written notice to the General Partner as provided in Section 26(b)(i)(B)(I) or Section 26(b)(i)(C) notifying the General Partner of their request to exercise the remedies under Section 26(b)(i)(B) or Section 26(b)(i)(C).

(v) In the event of an Early Purchase in connection with an Approved Sale that is not an RP Approved Sale, the General Partner shall consummate the Early Purchase within one hundred twenty (120) days following delivery of the Section 12(e) Notice (as the same may be extended to accommodate the determination of Fair Market Value as provided in Section 14(b)), but not later than seven (7) calendar days prior to the closing of the Approved Sale.

(g) Purchase After the Lockout Period: Put/Call Rights.

(i) The REIT Owners and the Rockpoint Class B Preferred Holder hereby grant to the General Partner the right to purchase all (but not less than all) of the Put/Call Interests held by them by making payments equal to the Purchase Payments, in each case determined without regard to the Distribution Make-Whole and any tax allocations related thereto, subject to Section 13(f) (the “**Call Right**”). The Call Right shall be exercisable by the General Partner at any time after the Lockout Period by delivering a written notice of exercise to the REIT Owners and Rockpoint Class B Preferred Holder (the “**Call Notice**”); provided, however, that, other than in connection with a Call Notice delivered in connection with an Approved Sale or Public Liquidity Event, the applicable REIT Owners and the Rockpoint Class B Preferred Holder shall have the option (in its sole discretion) by delivery of written notice to the General Partner

within ten (10) calendar days of the date of the Call Notice to defer such purchase and redemption by up to one (1) year (but in no event beyond March 1, 2027) and base the valuation of the Put/Call Interests upon the Class A Waterfall Value (in the case of the Rockpoint Class A Preferred Holder where no Conversion Election is made) and the Partnership Interest Liquidation Value (in the case of the Rockpoint Class B Preferred Holder and, if the Conversion Election is made, the Rockpoint Class A Preferred Holder) determined at such later date.

(ii) The General Partner hereby grants to the REIT Owners and the Rockpoint Class B Preferred Holder the right to sell to the General Partner all (but not less than all) of the Put/Call Interests at a purchase price in an amount equal to the Purchase Payments determined without regard to the Distribution Make-Whole and any tax allocations related thereto (except in the case of an Uncured Event of Default prior to the end of the Lockout Period, in which case the Distribution Make-Whole shall be included), subject to Section (f) above (the **“Put Right”**). The Put Right shall be exercisable by the REIT Owners and the Rockpoint Class B Preferred Holder at any time (A) after an Uncured Event of Default or (B) after the Lockout Period by delivering, in either case, a written notice of exercise to the General Partner (the **“Put Notice”**); provided, however, that, other than in connection with a Put Notice delivered in connection with an Uncured Event of Default (which shall be purchased within one hundred twenty (120) calendar days following delivery of the written notice to the General Partner as provided in Section 26(b)(i)(B)(I)), the General Partner shall have the option (in its sole discretion) by delivery of written notice to the REIT Owners and the Rockpoint Class B Preferred Holder within ten (10) calendar days of the date of the Put Notice to defer such purchase and redemption by up to one (1) year (but in no event beyond March 1, 2027) and base the valuation of the Put/Call Interests upon the Class A Waterfall Value (in the case of the Rockpoint Class A Preferred Holder where no Conversion Election is made) and the Partnership Interest Liquidation Value (in the case of the Rockpoint Class B Preferred Holder and, if the Conversion Election is made, the Rockpoint Class A Preferred Holder) determined at such later date.

(iii) The consummation of the purchase and/or redemption of all the Put/Call Interests pursuant to the exercise of any Call Right or Put Right (and/or the conversion into Common Interests in the case of a Conversion Election) (other than by reason of an Uncured Event of Default as provided in Section 13(f)(iv)), and pursuant to an Early Purchase or Approved Sale that is not an RP Approved Sale under Section 13(f)(v) shall occur within thirty (30) calendar days after the latest to occur of (A) the date of delivery of the Call Notice or Put Notice, and (B) the determination of the applicable Fair Market Value and Purchase Payments in accordance with Section 14 pursuant to sub-clause (i) or (ii) above, as the case may be.

(h) At such time as any Conversion Election results in the issuance of Common Interests, (i) the special rights, preferences and remedies afforded to the Rockpoint Preferred Holders in their capacity as Preferred Holders pursuant to Sections 2(b)(iii), 2(b)(iv), 2(b)(viii), 5(b), 10(b), 10(f), 10(g)(iii), 11(c)(iii), 11(c)(v), 13(g), 15(a) and 26 and **Schedule 2**, (ii) the provisions in Section 8 will no longer be applicable following the completion of the calendar year in which the Common Interests are issued as a result of such Conversion Election, and (iii) any restriction on Transfer (including those in Section 12) with respect to any Partnership Interest and, if applicable, any Common Interests then held by a Rockpoint Preferred Holder will, in each case, automatically, without any further action required on the part of the Partnership, the General Partner or any other Person, fully and irrevocably terminate and be of no further force and effect;

provided, however, that prior to a Public Liquidity Event, for so long as any Rockpoint Preferred Holder holds any Common Interests, (x) neither the General Partner nor any of its delegates shall make any Major Decision contemplated by Item 6 listed on **Schedule 2** or take, or cause to be taken, any action in furtherance of such a Major Decision contemplated by Item 6 listed on **Schedule 2** (Affiliate Transactions) without the prior written consent of such Rockpoint Preferred Holder, and (y) such Rockpoint Preferred Holder shall be entitled to the preemptive rights set forth in Section 2(b)(iii) solely with respect to any Common Interests issued by the Partnership; provided further, that following a Public Liquidity Event, for so long as the Rockpoint Preferred Holders collectively own at least ten percent (10%) of the outstanding Common Interests collectively owned by all Partners, (x) neither the General Partner nor any of its delegates shall make any Major Decision contemplated by Item 6 listed on **Schedule 2** or take, or cause to be taken, any action in furtherance of such a Major Decision contemplated by Item 6 listed on **Schedule 2** (Affiliate Transactions) without the prior written consent of such Rockpoint Preferred Holder, and (y) such Rockpoint Preferred Holder shall be entitled to the preemptive rights set forth in Section 2(b)(iii) solely with respect to any Common Interests issued by the Partnership; and provided further, that for so long as the Rockpoint Preferred Holders collectively own any Preferred Interests or, alternatively, at least ten percent (10%) of the outstanding Common Interests collectively owned by all Partners, the Rockpoint Class B Preferred Holder shall retain its right to designate and have elected two members of the board of trustees of RRT, in accordance with the terms of the Amended and Restated RRT Shareholders Agreement. The Rockpoint Preferred Holders shall, upon reasonable request of the Partnership and at the Partnership's cost and expense confirm in writing such termination of the Preferred Interest and of all rights, preferences and remedies afforded the Rockpoint Class B Preferred Holder in its capacity as a Rockpoint Class B Preferred Holder under this Agreement, the Transaction Documents and any related agreement (other than, if applicable, the rights described in the provisos contained in this Section 13(h)); provided, however, that the receipt of such requested confirmation shall not be a condition precedent to the conversion or purchase of the Put/Calls Interests.

(i) Notwithstanding anything in this Agreement to the contrary (subject to the remaining provisions of this Section 13(i)), if the indemnitor under the Indemnity Agreement fails to execute the Indemnity Agreement or deliver a REIT Opinion (as hereinafter defined) or if the owners of the Rockpoint REIT Interests (whether or not the REIT Owners) fail to consummate a sale of the Rockpoint REIT Interests in accordance with the terms of this Agreement, in connection with a transaction in which the General Partner would be acquiring the Rockpoint REIT Interests, then the Partnership shall acquire the Class A Preferred Interests of the Rockpoint Class A Preferred Holder in lieu of acquiring the Rockpoint REIT Interests, and references to the Put/Call Interests shall not be deemed to include the Rockpoint REIT Interests (and for the sake of clarity shall continue to include the Class B Preferred Partnership Units held by the Rockpoint Class B Preferred Holder) (a "**Permitted Partnership Interest Acquisition**"). In such case, the amount payable to the Rockpoint Class A Preferred Holder shall equal the Partnership Interest Liquidation Value of the Rockpoint Class A Preferred Holder's Preferred Interest at such time; provided that, in light of such failure, the Partnership Interest Liquidation Value of the Rockpoint Class A Preferred Holder's Preferred Interest at such time shall not exceed the Class A Waterfall Value at such time. Such amount shall be payable in cash unless the Rockpoint Class A Preferred Holder makes the Conversion Election. For purposes hereof, a "**REIT Opinion**" is an opinion of the RP Law Firm, Simpson Thacher & Bartlett or such other nationally recognized independent tax counsel selected by the REIT Owners and reasonably acceptable to the General Partner, subject to

customary qualifications, exceptions and assumptions for comparable legal opinions rendered by nationally recognized law firms in the United States, to the effect that (i) commencing with its first taxable year and for all subsequent taxable years, the Rockpoint REITs have been organized in conformity with the requirements for qualification as a REIT under the Code and, (ii) assuming that Partnership was operated in conformity with the REIT Requirements at all times during the term of the Rockpoint REITs indirect investment in Partnership, and that the REIT-related representations and covenants in the Preferred Equity Investment Agreements have at all relevant times been correct and complied with, each Rockpoint REIT's method of operation has at all times since its first taxable year enabled the Rockpoint REITs to meet the requirements for qualification and taxation as a REIT under the Code; provided, however, that notwithstanding the foregoing, the parties agree that the form of REIT Opinion (taking into account the opinions described in clauses (i) and (ii) above and representations underlying the same) to be delivered shall be no more burdensome on the issuer thereof and on the Rockpoint REITs than the legal opinion and representations furnished by the GP Law Firm on the Second Amendment Effective Date pursuant to the Preferred Equity Investment Agreement (Original) regarding the REIT related compliance by the Partnership. A REIT Opinion shall be deemed to have been delivered if any failure to deliver such opinion is due to either the failure or inability of the General Partner and the Partnership to deliver to the counsel referred to above in this Section 13(i) such representations relating to the Partnership, its Subsidiaries and Applicable Entities of a nature customarily furnished to counsel rendering comparable opinions upon which such counsel may rely in rendering such opinion. Notwithstanding the foregoing, in the event the General Partner is required to purchase the Rockpoint REIT Interests pursuant to the exercise of the Put Right in connection with or following an Uncured Event of Default, the Rockpoint Preferred Holders shall be free to engage a law firm of its choosing to render such REIT Opinion without requirement that counsel be reasonably acceptable to the General Partner.

(j) Notwithstanding anything to the contrary in this Agreement or in any other Transaction Document, in no event shall a purchase of the REIT Interests be consummated within the last fifteen (15) Business Days of any calendar quarter without the consent of RRT. Any purchase deferred by reason of this Section 13(j) shall be consummated on the first Business Day in the immediately succeeding calendar quarter. The Partners agree that REIT Owners shall have no right to exercise control over the Rockpoint REITs following the purchase thereof pursuant to this Section 13, and a liquidation of the Rockpoint REITs by the purchaser thereof shall not be a breach of any provision of this Agreement other than to the extent it would result in a violation of a covenant in Section 8.

14. Appraisal; Valuation; Fair Market Value

(a) Within ninety (90) calendar days of March 1, 2023 and, as needed, within ninety (90) calendar days of each annual anniversary thereafter (or earlier if required under Section 10(b) or Section 13 or at any time the Fair Market Value of the Partnership's assets is to be determined), the Partnership will engage a Valuation Firm to serve as appraiser (such Valuation Firm, as selected pursuant to this Section 14(a) hereto, the "**Appraiser**"), which is mutually agreeable to each of the General Partner and the Rockpoint Preferred Holders, to appraise the Partnership's net asset value and to determine the Fair Market Value of such assets. If the General Partner and the Rockpoint Preferred Holders are unable to mutually agree on an Appraiser, then, within thirty (30) calendar days following the expiration of such ninety (90) calendar day period,

the General Partner, on the one hand, and the Rockpoint Preferred Holders, on the other hand, will each select (by delivery of written notice to the other party) a Valuation Firm, which Valuation Firms will then select a third Valuation Firm to serve as the Appraiser; provided further that if a party shall fail to timely select a Valuation Firm, the firm selected by the other party shall serve as the Appraiser for purposes of this Section 14.

(b) For purposes of this Agreement, "**Fair Market Value**" of any asset, property or Security means the amount which a seller of such asset, property or Security would receive in an all-cash sale of such asset, property or equity interest in an arms-length transaction with an unaffiliated third party consummated on the day immediately preceding the date on which the event occurred which necessitated the determination of the Fair Market Value (and after giving effect to any customary transfer taxes payable by a seller in connection with such sale). In connection with the valuation of any real property assets of the Partnership or any of its Subsidiaries (or the Security (other than Partnership Interests) of any entity, directly or indirectly, owning, secured by or derived from real property assets), Fair Market Value shall be determined by the Appraiser, who shall, in connection with any such valuation, take the following steps: (1) calculate the value of all such real property assets, free and clear of encumbrances, but inclusive of property-level incentives, such as PILOTs and other benefits a buyer would derive if the real estate were purchased; (2) deduct the debt balance as of the date of the determination of Fair Market Value; (3) add in any net working capital; and (4) deduct the value determined pursuant to clauses (1) through (3) attributable to unaffiliated joint venture partners in such asset, property or equity interest to determine the Fair Market Value of the Partnership's interest in such real property asset. In connection with (A) an Approved Sale, the value of the consideration actually payable in such Approved Sale shall be the basis used to determine Fair Market Value so long as such value of the consideration actually payable is correctly set forth within, or determined within sixty (60) days following delivery of the Section 12(e) Notice, and if not so determined Rockpoint Preferred Holders shall have the right to cause Fair Market Value to be determined by appraisal as provided herein, (B) a Public Liquidity Event, the value of the Partnership shall be based on the Appraiser's determination of Fair Market Value as determined on a date that is no more than one hundred twenty (120) calendar days prior to such Public Liquidity Event, and (C) a Proposed Sale Notice, the Proposed Price shall be the basis used to determine Fair Market Value. The Appraiser shall also add in the value of any non-real estate related assets at the Partnership or such Subsidiaries to the value of the real estate assets in order to determine the Fair Market Value of the Partnership. "**Partnership Interest Liquidation Value**" shall be equal to the cash value that the holder of such Partnership Interest would receive assuming a sale of all of the Partnership Assets for cash based on the valuations determined pursuant to this definition of Fair Market Value, the allocation of any resulting Profit, Loss and items under Section 7(b) in accordance with Section 7 (including, with respect to any Permitted Sale Properties, any Permitted Sale Property Gain that would arise therefrom), with the proceeds being distributed pursuant to Section 15(d); provided that if the transaction giving rise to the determination of Partnership Interest Liquidation Value occurs within the Lockout Period, then (A) the amount to which Rockpoint Class A Preferred Holder shall be deemed entitled for purposes of applying the allocation provisions in Section 7 (in order to reflect any allocations resulting from such deemed sale of assets in its Capital Account) shall be increased by an additional amount (if any) necessary to cause the positive balance in Rockpoint Class A Preferred Holder's Capital Account to not be less than the sum of (1) the amount to which the Rockpoint Class A Preferred Holder would receive pursuant to this sentence without this proviso, plus (2) the Distribution Make-Whole with respect to the amount in clause

(1) (provided the Partnership Interest Liquidation Value of the Class A Preferred Interests of the Rockpoint Class A Preferred Holder shall in no event exceed the Class A Waterfall Value at such time); (B) the amount to which the Rockpoint Class B Preferred Holder shall be deemed entitled for purposes of applying the allocation provision in Section 7(b)(vii) (in order to reflect any allocations resulting from such deemed sale of assets in its Capital Account) shall not be less than the sum of (1) the amount to which the Rockpoint Class B Preferred Holder would receive pursuant to this sentence without this proviso, plus (2) the Distribution Make-Whole with respect to the Class B Capital Contributions of the Rockpoint Class B Preferred Holder; and (C) the amount to which any other Partner shall be deemed entitled shall take into account the foregoing clauses (A) and (B). The intent is that Partnership Interest Liquidation Value comply with Regulations Sections 1.704-1(b)(2)(ii)(b)(2) and the forgoing shall be interpreted consistently therewith. “**Class A Waterfall Value**” shall mean the amount the Rockpoint Class A Preferred Holder would receive pursuant to Sections 9(a)(ii) and 9(d) (for the sake of clarity, including any Distribution Make-Whole and without regard to Section 15(d)) based on a hypothetical Distribution of an amount equal to the Fair Market Value of the Partnership assets, without regard to any limitations in Section 9(d) (which, for the sake of clarity, shall include the Distribution to Rockpoint Class A Preferred Holder of Distributions that previously were deferred by reason of Section 9(d) and any Distribution Make-Whole that would be distributable in connection with such Distribution). With respect to the Partnership’s equity interest in a TRS, Class A Waterfall Value shall be determined with reference to the Fair Market Value of the assets of such TRS, without regard to any tax liability that may be incurred by such TRS if such assets were actually sold, and the equity interest of the Partnership in such TRS shall be disregarded.

15. Termination and Dissolution; Bankruptcy Consents Required.

(a) The Partnership shall be dissolved, and its affairs shall be wound up only upon the first to occur of: (i) the written determination of the General Partner and, during the Lockout Period, the Rockpoint Preferred Holders; (ii) the entry of a decree of judicial dissolution of the Partnership under the Act; (iii) an event of withdrawal of the General Partner occurring under the Act unless the business of the Partnership is continued in accordance with the Act; or (iv) at any time that there are no limited partners of the Partnership unless the Partnership is continued in accordance with the Act.

(b) The Partnership shall terminate when (i) all of the assets of the Partnership, after payment of or due provision for all debts, liabilities and obligations of the Partnership, shall have been distributed to the Partners in the manner provided for in Section 15(d) and (ii) the Certificate of Limited Partnership shall have been canceled in the manner required by the Act.

(c) During and following dissolution, the Partnership shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating the Partnership and satisfying the claims of its creditors and the Partners. No Partner shall take any action that is inconsistent with winding up the business and affairs pertaining to the Partnership. The General Partner has the responsibility to oversee the winding up and liquidation of the Partnership.

(d) After the Partnership’s assets which are to be liquidated have been liquidated, the cash proceeds therefrom, plus any Partnership assets not liquidated, to the extent sufficient, shall be applied and distributed in the following order of priority:

(i) First, to creditors of the Partnership (including Partners who are creditors, to the extent otherwise permitted by law) in satisfaction of all of the debts and liabilities of the Partnership, whether by payment or the making of reasonable provision for payment thereof (including the creation of reserves for contingencies which the General Partner determines to be necessary); and

(ii) The remainder, within the time specified in Regulations Section 1.704-1(b)(2)(ii)(b)(2), to the Partners in accordance with the positive balances in their Capital Accounts, after taking into account all allocations pursuant to Section 7.

(e) Except as otherwise provided herein, upon dissolution of the Partnership, the Partners shall look solely to the Partnership's assets for the return of their Capital Contributions, and if the assets of the Partnership remaining after payment of or due provision for all debts, liabilities and obligations of the Partnership are insufficient to return such Capital Contributions, the Partners shall have no recourse against the Partnership or any other Partner. Except as otherwise provided herein, no Partner shall be required to pay to the Partnership or any other Person any deficit or negative balance which may exist in such Partner's Capital Account from time to time or upon liquidation of the Partnership. A negative Capital Account shall not be considered a loan from or an asset of the Partnership.

16. Indemnification.

(a) To the fullest extent permitted by law, each Partner shall indemnify, defend and hold harmless the other Partners and the Partnership and any Subsidiaries from and against any and all losses, claims, demands, costs, damages, liabilities, expenses of any nature (including reasonable attorneys' fees and disbursements), judgments, fines, settlements, taxes and other amounts relating to or arising out of, directly or indirectly and in whole or in part, any activity or liability of the indemnifying party that is outside the scope or purpose of this Agreement and the other Transaction Documents, or regarding any period prior to the Second Amendment Effective Date. This indemnification shall continue as to a Person that has ceased to be a Partner. The indemnification shall inure to the benefit of the heirs, successors and/or personal representatives of any such party.

The Partnership Interest of each Partner is personal property.

21. Benefits of Agreement; No Third-Party Rights. None of the provisions of this Agreement shall be for the benefit of or enforceable by any creditor of the Partnership or any Subsidiary, or by any creditor of any Partner or its Affiliates. Nothing in this Agreement shall be deemed to create any right in any Person (other than Indemnified Parties) not a party hereto, and this Agreement shall not be construed in any respect to be a contract in whole or in part for the benefit of any third Person (other than Indemnified Parties).

22. Confidentiality Covenants.

(a) Each Partner recognizes and acknowledges that it has and may in the future receive certain confidential and proprietary information and trade secrets of the Partnership and its Subsidiaries, including, but not limited to, confidential information of the Partnership and its Subsidiaries regarding identifiable, specific and discrete business opportunities being pursued by the Partnership or its Subsidiaries (the “**Confidential Information**”). Each Partner (on behalf of itself and its Representatives) agrees that it will not and will cause its respective Representatives not to, during or for a period of two (2) years after it and its Affiliates are no longer a Partner, whether directly or indirectly through any Controlling or Controlled Affiliate or otherwise, disclose Confidential Information to any Person for any reason or purpose whatsoever, except: (i) to authorized Representatives in the course of performing such Partner’s obligations or enforcing such Partner’s rights under this Agreement, the Transaction Documents and other agreements expressly contemplated hereby, provided that such disclosing Partner shall be responsible for any breach of this Section 22(a) by such Representative; (ii) as part of such Partner’s normal reporting, rating or review procedure (including normal credit rating and pricing process), or in connection with such Partner’s or such Partner’s Affiliates’ normal fundraising, marketing, informational or reporting activities, or to such Partner’s Affiliates, auditors, accountants, attorneys, lenders, investors, potential lenders or investors or other agents; (iii) to any (A) investor or permitted, bona fide prospective investor in such Partner or its Affiliates, (B) permitted, bona fide prospective purchaser of the equity or assets of such Partner or its Affiliates or the Securities held by such Partner, or (C) prospective merger partner of such Partner or its Affiliates, provided that such investor, prospective investor, purchaser or merger partner agrees to be bound by the provisions of this Section 22(a) or substantially comparable confidentiality restrictions; or (iv) as is required to be disclosed by order of a court of competent jurisdiction, administrative body or governmental

body, or by subpoena, summons or legal process, or by law, rule or regulation; provided that the Partner required to make such disclosure pursuant to clause (iv) above shall, to the extent permitted by applicable law, rule or regulation, provide to the Partnership prompt notice of such disclosure.

(b) For purposes of this Section 22(b), the term "Confidential Information" shall not include any information of which (x) such Person learns from a source other than the Partnership or any of its Representatives, and in each case who is not known by such Person to be bound by a confidentiality obligation to the Partnership, or (y) at the time of disclosure or thereafter is in or becomes generally available to the public other than as a result of disclosure directly or indirectly by such Person or any of such Person's Affiliates or Representatives, or (z) was or is independently developed by such Person or its Representatives or on their respective behalves without use of the Confidential Information and otherwise violating the terms of this Section 22(b). Nothing in this Section 22(b) shall in any way limit or otherwise modify any confidentiality covenants entered into by any employee of the Partnership pursuant to any other agreement.

23. General Provisions.

(a) To the fullest extent permitted by law, the rights of and restrictions on the Partnership and the Partners hereunder shall be binding on, apply to and govern the operations and acts of all Subsidiaries. The Partners agree to execute and deliver such documents and agreements required to give effect to the foregoing, as may be required or requested by the General Partner.

(b) This Agreement, together with the other Transaction Documents, constitutes the entire agreement and understanding of the Partners with respect to the matters covered hereby and shall supersede all previous written, oral or implied agreements, representations, statements, promises and understandings between them with respect to such matters.

(c) This Agreement shall be binding upon, and inure to the benefit of, the parties to this Agreement and their respective permitted successors and assigns.

(d) The validity, interpretation and enforcement of this Agreement shall be governed by the laws of the State of Delaware without regard to its principles of conflicts of law.

(e) Each Partner hereby submits to the exclusive jurisdiction of any United States Federal court sitting in New York County or New York State Court located in New York County in any action or proceeding arising out of or relating to this Agreement.

(f) EACH OF THE PARTNERS HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, A TRIAL BY JURY IN ANY ACTION ARISING OUT OF MATTERS RELATED TO THIS AGREEMENT, WHICH WAIVER IS INFORMED AND VOLUNTARY.

(g) Subject to Section 23(e), if any provision in this Agreement shall be determined by a court of competent jurisdiction to be invalid or unenforceable, such provision shall be enforced to the extent it can be so enforced and such determination shall not affect the remaining provisions of this Agreement, all of which shall remain in full force and effect.

- (h) (h) The failure of any Partner to enforce at any time any of the provisions of this Agreement shall not be construed to be a waiver of any such provision or of any other provision, nor in any way affect the validity of this Agreement or the right of any Partner to enforce each and every such provision in the future. No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. Any Partner may, at such Partner's option, waive any provision of this Agreement provided such waiver is in writing.
- (i) The rights and remedies of the Partners set forth in this Agreement are not exclusive and each Partner shall be entitled to all rights and remedies available to such party under applicable legal or equitable principles.
- (j) The headings of the Sections in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.
- (k) Whenever the context may require, any pronoun used in this Agreement shall include the corresponding masculine, feminine and neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural, and vice versa.
- (l) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original against any party who signed such counterpart, but all of which together shall constitute one and the same instrument. A facsimile or electronic PDF copy of a signature hereto shall be fully effective as if an original.
- (m) The Schedules and Exhibits annexed hereto or otherwise set forth in the Supplemental Letter and the Add-On Supplemental Letter are an integral part of this Agreement and all references herein to this Agreement shall encompass such Schedules and Exhibits.
- (n) Unless otherwise indicated, all section references are to this Agreement.
- (o) Each Partner hereby agrees and acknowledges that: (i) the General Partner and Roseland Residential Holding, LLC, as a Limited Partner, has retained Seyfarth Shaw LLP (the "**GP Law Firm**"), the Rockpoint Preferred Holders, as a Limited Partner, has retained Gibson, Dunn & Crutcher LLP (the "**RP Law Firm**"), in each case, in connection with the drafting of this Agreement, and (ii) each of the General Partner and Roseland Residential Holding, LLC, on the one hand, and the Rockpoint Preferred Holders, on the other hand, expects to continue to retain the GP Law Firm and the RP Law Firm, respectively, in connection with matters involving the Partnership. The other Partners agree that the GP Law Firm may continue to represent MCRC, MCRLP, MCPT, the General Partner, the Partnership and related Affiliates and Subsidiaries. Each of the Partners agrees and waives any present or future conflict for such representation. The RP Law Firm shall be free to represent the Rockpoint Preferred Holders and their respective Affiliates in the enforcement of the Transaction Documents. Each of the Rockpoint Preferred Holders agrees and acknowledges that in the event of a default on the part of any of the Rockpoint Preferred Holders, the GP Law Firm shall be free to represent each of the Partners (other than the Rockpoint Preferred Holders) and their respective Affiliates and Subsidiaries in the enforcement of the Transaction Documents. Each Partner has had, and will have, the opportunity to retain its own independent counsel with respect to this Agreement and as to any other matters related hereto and

to future matters, but unless otherwise agreed to, shall pay all its own fees and expenses of such independent counsel.

24. Certification of Partnership Interests.

(a) Each Partnership Interest shall constitute and shall remain a “security” within the meaning of, and governed by, (i) Article 8 of the Uniform Commercial Code (including Section 8-102(a)(15) thereof) as in effect from time to time in the States of Delaware and New York and (ii) the corresponding provisions of the Uniform Commercial Code of any other applicable jurisdiction that now or hereafter substantially includes the 1994 revisions to Article 8 of the Uniform Commercial Code as adopted by the American Law Institute and the National Conference of Commissioners on Uniform State Laws and approved by the American Bar Association on February 14, 1994 (and each Partnership Interest shall be treated as such a “security” for all purposes, including, without limitation, perfection of the security interest therein under Article 8 of each applicable Uniform Commercial Code as the Partnership has “opted-in” to such provisions). Notwithstanding any provision of this Agreement to the contrary, to the extent that any provision of this Agreement is inconsistent with any non-waivable provision of Article 8 of the Uniform Commercial Code as in effect in the State of Delaware (6 Del C. § 8-101, et. seq.) (the “UCC”), such provision of Article 8 of the UCC shall be controlling.

(b) Upon the issuance of Partnership Interests to any Person in accordance with the provisions of this Agreement or with respect to any Partnership Interests that have already been issued by the Partnership and are currently outstanding and owned by any Person, without any further act, vote or approval of any Partner or any officer, director or officer of the Partnership, or any Person, the Partnership and the General Partner as the General Partner on behalf of the Partnership, may, but shall not be required to, issue or cause to be issued one or more non-negotiable certificates in the name of such Person evidencing the ownership of the Partnership Interests in the Partnership of such Person (each such certificate, a “**Partnership Interest Certificate**”). Each such Partnership Interest Certificate shall be denominated in terms of the Partnership Units in the Partnership evidenced by such Partnership Interest Certificate and shall be signed by the General Partner on behalf of the Partnership.

(c) Without any further act, vote or approval of any Partner, the Partnership and the General Partner on behalf of the Partnership shall issue or cause to be issued a new Partnership Interest Certificate in place of any Partnership Interest Certificate previously issued if the holder of the Partnership Interests represented by such Partnership Interest Certificate, as reflected on the books and records of the Partnership:

(i) makes proof by affidavit, in form and substance satisfactory to the General Partner on behalf of the Partnership, that such previously issued Partnership Interest Certificate has been lost, stolen or destroyed; and

(ii) requests the issuance of a new Partnership Interest Certificate before the Partnership has written notice that such previously issued Partnership Interest Certificate has been acquired by a purchaser for value in good faith and without notice of an adverse claim.

(d) Upon a Partner's transfer in a transaction that constitutes a Permitted Transfer in accordance with the provisions of this Agreement of any or all Partnership Interests represented by a Partnership Interest Certificate, the transferee of such Partnership Interests shall deliver such Partnership Interest Certificate to the Partnership for cancellation (executed by such transferee on the reverse side thereof), and the Partnership shall thereupon issue a new Partnership Interest Certificate to such transferee for the Partnership Units in the Partnership being transferred and, if applicable, cause to be issued to such Partner a new Partnership Interest Certificate for that percentage of Partnership Interests in the Partnership that were represented by the canceled Partnership Interest Certificate and that are not being transferred.

25. Registration of Partnership Interests.

The Partnership shall maintain books for the purpose of registering the Transfer of Partnership Interests. A Transfer of a Partner's Partnership Interests shall be effective upon registration of such Transfer in the books of the Partnership, subject to, and in accordance with, the terms of this Agreement.

26. Events of Default; Remedies.

(a) **Events of Default.** Any of the following shall constitute an "Event of Default":

(i) The Partnership fails to pay to a Rockpoint Preferred Holder or its Affiliates, as applicable, any financial obligations required to be paid to it pursuant to this Agreement, including, without limitation, the Purchase Payments, and such failure continues for five (5) Business Days following the General Partner's receipt of written notice from the Rockpoint Class A Preferred Holder with respect to such non-payment;

(ii) The occurrence of a Rockpoint Class A Base Return Default and such failure continues for five (5) Business Days following the General Partner's receipt of written notice from the Rockpoint Class A Preferred Holder with respect to such Rockpoint Class A Base Return Default;

(iii) The Partnership, the General Partner, MCRC or any other MCRC Party or Partnership Party, each as defined in the Investment Agreement, fails to perform or observe any other material covenant or agreement (not specified in Section 26(a)(i) above) contained in the Transaction Documents on such Person's part to be performed or observed and such failure continues (A) for twenty (20) Business Days following the General Partner's receipt of written notice from a Rockpoint Preferred Holder with respect to such default or (B) if such failure is not capable of being cured within twenty (20) Business Days, the General Partner delivers to each Rockpoint Preferred Holder a written notice indicating that such failure is not capable of being cured within twenty (20) Business Days, then such Person shall have up to an additional twenty (20) Business Days to cure such failure; provided such Person uses its commercially reasonable efforts to cure in a diligent fashion such failure within such period; and (iv) A FIRPTA Event shall occur.

(b) **Remedies.**

(i) If any Event of Default occurs:

(A) and is continuing, the rate of the Rockpoint Class A Base Return and any Deficiency Return described in clause (i)(A) of the definition of such term shall automatically increase to eighteen percent (18%) per annum, compounded monthly and based on a thirty (30)-day month and three hundred sixty (360)-day year;

(B) (I) described in Section 26(a)(i) remains uncured for a period of one hundred twenty (120) calendar days following the General Partner's receipt of written notice of such Event of Default from the Rockpoint Preferred Holders (an "**Uncured Event of Default**"), which such Uncured Event of Default, once triggered at the end of such one hundred twenty (120) calendar day period, may not be subsequently cured without the written consent of the Rockpoint Preferred Holders, and (II) such Event of Default is continuing following the tenth (10th) anniversary of the Second Amendment Effective Date, the Rockpoint Preferred Holders may effect their right to expand the RRT Board of Trustees and to nominate and have elected a majority of the members of the RRT Board of Trustees as provided in the Amended and Restated RRT Shareholders Agreement;

(C) during the Lockout Period and such Event of Default is an Uncured Event of Default, then, for the purposes set forth in this Section 26(b)(i)(C), the Rockpoint Preferred Holders may by delivery of written notice to the Partnership cause the Lockout Period to be treated as having ended as of the date of such notice and the Rockpoint Preferred Holders and the REIT Owners shall have the right to cause the General Partner to acquire the Put/Call Interests in the same manner as if the General Partner were acquiring the Put/Call Interest in connection with an Early Purchase (which, for the avoidance of doubt, would include the right to any Distribution Make-Whole and the right to make the Conversion Election and cause the Partnership to issue Common Interests in exchange for the Preferred Interests held by the Rockpoint Preferred Holders in accordance with Section 13(f)). Nothing in this Section 26(b)(i)(C) shall be deemed to end the Lockout Period for purposes of the General Partner's or Partnership's rights to cause the Put/Call Interests to be acquired.

(ii) The remedies specified in Section 26(b)(i) above are not intended to be exclusive of any other remedy and shall be in addition to every other remedy now or hereafter existing at law or in equity.

AMENDED AND RESTATED SHAREHOLDERS AGREEMENT

This Amended and Restated Shareholders Agreement (the "Agreement") is entered into as of the 28th day of June, 2019 by and among Roseland Residential Trust, a Maryland real estate investment trust (the "Trust"), RPIIA-RLA Aggregator, L.L.C., a Delaware limited liability company, as successor in interest to RPIIA-RLA, L.L.C. (together with its permitted successors, assigns and transferees, the "RP Investor I"), RPIIA-RLB, L.L.C., a Delaware limited liability company (together with its permitted successors, assigns and transferees, the "RP Investor II" and, together with the RP Investor I, the "RP Investors") and each of the shareholders of the Trust listed on Schedule I attached hereto (each individually a "Shareholder" and collectively, the "Shareholders").

WHEREAS, each Shareholder is as of the date hereof (and giving effect to the RRT Add-On Capital Contribution (as defined in the Partnership Agreement) as if such contribution had already occurred), the record or beneficial owner of the number of common shares of beneficial interest, par value \$0.01 per share (the "Common Shares"), of the Trust set forth on Schedule I attached hereto;

WHEREAS, the Trust is the general partner of Roseland Residential, L.P., a Delaware limited partnership (the "Partnership");

WHEREAS, the RP Investor I has agreed to purchase additional preferred limited partnership interests in the Partnership (the "Investment") pursuant to (a) the Preferred Equity Investment Agreement, dated June 26, 2019 (the "Investment Agreement"), by and among the Partnership, Mack-Cali Realty Corporation, a Maryland corporation, Mack-Cali Realty, L.P., a Delaware limited partnership ("MCRLP"), Mack-Cali Property Trust, a Maryland real estate investment trust, Mack-Cali Texas Property, L.P., a Texas limited partnership, and the RP Investors and (b) the Third Amended and Restated Limited Partnership Agreement of the Partnership, dated as of the date hereof (the "Partnership Agreement"), by and among the Trust, the RP Investors and MCRLP; and

WHEREAS, as a condition to the RP Investor I making the Investment and the RP Investors entering into the Investment Agreement and the Partnership Agreement, the RP Investors have requested that the Shareholders and the Trust agree and the Shareholders and the Trust have agreed, to enter into this Agreement in order to amend and restate that certain Shareholders Agreement dated March 10, 2017 (the "2017 Shareholders Agreement") by and among certain of the parties hereto and to set forth certain provisions regarding the election and removal of trustees of the Trust and the approval of certain actions of the Trust.

NOW, THEREFORE, in consideration of the mutual agreements and covenants set forth herein, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Board Representation; Board Size.

(a) The RP Investor II shall have the right to designate two trustees (such trustees and any trustee who subsequently replaces either of such trustees in accordance with this Agreement, a "Primary RP Trustee") for election to the Board of Trustees of the Trust (the "Board") in accordance with, and subject to the conditions of, Section 10(a)(iii) of the Partnership Agreement. In the event that any Primary RP Trustee shall die, retire from or be removed from the Board, a substitute Primary RP Trustee shall be designated by the RP Investor II for election to the Board pursuant to this Agreement. Each of the Shareholders shall vote, or cause to be voted, all of the Common Shares beneficially owned or held of record by such Shareholder at any regular or special meeting of the shareholders of the Trust called for the purpose of filling positions on the Board, or in any written or electronic consent executed in lieu of such a meeting of shareholders, to cause the election to the Board of the Primary RP Trustee. The RP Investor II has named Paisley Boney and Tom Gilbane as the initial Primary RP Trustees.

(b) The RP Investor II shall have the exclusive right to cause the removal of any Primary RP Trustee (any such removed trustee, a "Removed Trustee") and designate a replacement RP Trustee in accordance with, and subject to the conditions of, Section 10(a)(iii) of the Partnership Agreement. If the Removed Trustee does not resign or if the Board does not fill the resulting vacancy with the replacement Primary RP Trustee within five (5) business days of written notice from the RP Investor II, each of the Shareholders shall act by written or electronic consent to remove the Removed Trustee and elect a replacement Primary RP Trustee (or, if such written or electronic consent would not be effective for any reason, by causing the Trust to call a special meeting of the shareholders of the Trust and voting all of the Common Shares beneficially owned or held of record by such Shareholder at such special meeting of the shareholders in favor of such actions).

(c) If an Event of Default (as defined in the Partnership Agreement) occurs and remains uncured for a period of sixty (60) calendar days following the Trust's receipt of written notice from the RP Investor II: (i) the RP Investor II shall have the right by written notice to the Trust (the "Board Increase Election") to request that the number of trustees then constituting the Board be increased by a number of trustees that would result in the RP Investor II being entitled to designate for nomination and election a majority of the members of the Board (each such additional trustee and any trustee who subsequently replaces such trustee in accordance with this Agreement, an "Additional RP Trustee" and, together with the Primary RP Trustees, the "RP Trustees"); (ii) the removal of any Additional RP Trustees may only be effected in accordance with the terms of Section 1(b) of this Agreement; (iii) in the event that any Additional RP Trustee shall die, retire from or be removed from the Board, a substitute Additional RP Trustee shall be designated by the RP Investor II; and (iv) each of the Shareholders shall vote, or cause to be voted, all of the Common Shares beneficially owned or held of record by such Shareholder at any regular or special meeting of the shareholders of the Trust called for the purpose of filling positions on the Board, or in any written or electronic consent executed in lieu of such a meeting of shareholders, to cause the election to the Board of the Additional RP Trustees. If for any reason the number of trustees on the Board is not increased in accordance with (i) above so that the RP Trustees constitute a majority of the Board, each of the Shareholders shall act by written or electronic consent to remove such number of trustees and elect Additional RP Trustees so that the RP Trustees constitute a majority of the Board (or, if such written or electronic consent would not be effective for any reason, by causing the Trust to call a special meeting of the shareholders of the

Trust and voting all of the Common Shares beneficially owned or held of record by such Shareholder at such special meeting of the shareholders in favor of such actions).

(d) Each Shareholder shall vote any additional Common Shares or other voting securities of the Trust acquired by such Shareholder after the date hereof in accordance with the provisions of Paragraphs (a), (b) and (c) above.

(e) The Trust shall use commercially reasonable efforts to convene bi-weekly "executive meetings" consistent with past practices (except to the extent the RP Investors consent in writing to a lesser frequency (e-mail being sufficient for such consent), and which consent shall not be unreasonably withheld); it being understood that, in the event that such meeting cannot be held due to scheduling conflicts, then a telephonic conversation between a senior executive of the General Partner and a senior representative of the RP Investors shall be sufficient for the purposes of this subparagraph. The RP Investors shall (i) be given reasonable advance notice of, and be furnished with all information related to the Trust or any Subsidiary (as defined in the Investment Agreement) thereof circulated to the participants in connection with all such bi-weekly "executive meetings" convened by the Trust, and (ii) have the right to have one or more representatives designated by the RP Investors attend such meetings in person or via conference call at the election of the RP Investors.

(f) The Primary RP Trustees shall serve on each committee of the Board and shall be provided substantially comparable access to the business records and operational matters of the Trust as the other members of the Board.

(g) The RP Investor II shall also have the right to designate one individual as a non-voting observer to the Board (a "Board Observer"), who shall initially be Ron Hoyl. Any Board Observer shall be entitled to attend all bi-weekly "executive meetings" and all meetings of the Board and any committee of the Board and to receive all information related to the Trust or any Subsidiary thereof provided to the members of the Board or its committees (including minutes of previous meetings of the Board or such committees) and participants in "executive meetings," provided, that (i) the Board Observer shall not be entitled to vote on any matter submitted to the Board or any of its committees nor to offer any motions or resolutions to the Board or such committees and (ii) the Trust may withhold information or materials from the Board Observer and exclude such Board Observer from any meeting or portion thereof if (as determined by the Board in good faith) access to such information or materials or attendance at such meeting would adversely affect the attorney-client or work product privilege between the Trust and its counsel. The RP Investor II shall have the exclusive right to remove a Board Observer and designate a replacement Board Observer at any time.

(h) Each Shareholder has executed and delivered the Irrevocable Limited Proxy attached hereto as Exhibit A (the "Limited Proxy") that grants the RP Investor II (or its designee) an irrevocable limited proxy to vote all Common Shares held by such Shareholder or execute a written or electronic consent in lieu of meeting of shareholder of the Trust on behalf of such Shareholder, each in accordance with this Section 1.

2. Approval Rights. The Trust shall not take, or cause to be taken, any of the following actions without the approval the Board, which such approval must include the approval of both RP Trustees:

(a) Any action in furtherance of a Major Decision (as defined in the Partnership Agreement);

(b) Any amendment or repeal of the Bylaws of the Trust (the "Bylaws") (or any other action) that would cause Title 3, Subtitle 7 of the Maryland General Corporation Law (the "MGCL") to apply to any control share acquisition by any of the RP Investors or any associate (as such term is defined in Title 3, Subtitle 7 of the MGCL) or affiliate of such person;

(c) Any adoption, amendment or repeal of a resolution of the Board that would cause the provisions of Section 3-602 of the MGCL to apply to (i) any RP Investor (iii) any of each RP Investor's existing or future "affiliates" (as that term is defined in Section 3-601 of the MGCL) (iii) any of each RP Investor's or any of its "affiliates" existing or future "associates" (as that term is defined in the Section 3-601 of the MGCL) and (iv) any person or entity acting in concert with any of the persons or entities described in (i)-(iii) and

(d) Any amendment, alteration or repeal of any provision of the Declaration of Trust (the "Declaration") of the Trust or the Bylaws that would limit, modify or materially and adversely impact the rights of the RP Investors under Sections 1, 2 or 7 of this Agreement.

3. Representations and Warranties of Shareholders. Each Shareholder represents and warrants to the Trust and the RP Investors as follows:

(a) Such Shareholder has all necessary power and authority to execute and deliver this Agreement, to perform such Shareholder's obligations hereunder and to consummate the transactions contemplated hereby.

(b) This Agreement has been duly executed and delivered by such Shareholder, and constitutes the valid and legally binding obligation of such Shareholder enforceable against such Shareholder in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to creditors' rights and general principals of equity.

(c) The Common Shares listed on Schedule I hereto are the only voting securities of the Trust owned (beneficially or of record) by such Shareholder and are owned free and clear of all liens, charges, encumbrances, restrictions and commitments of any kind. Except as contemplated by this Agreement, such Shareholder has not appointed or granted any irrevocable proxy, which appointment or grant is still effective, with respect to the Common Shares owned by such Shareholder.

(d) The execution and delivery of this Agreement by such Shareholder does not (i) conflict with or violate any agreement, law, rule, regulation, order, judgment or decision or other instrument binding upon such Shareholder, nor require any consent, notification, regulatory filing or approval or (ii) result in any breach of or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination,

amendment, acceleration or cancellation of, or result in the creation of a lien or encumbrance on any of the Common Shares owned by such Shareholder pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which such Shareholder is a party or by which such Shareholder or the Common Shares owned by such Shareholder are bound or effected.

4. Representations and Warranties of the Trust The Trust represents and warrants to each Shareholder and the RP Investors as follows:

(a) The Trust has all necessary trust power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby.

(b) This Agreement has been duly executed and delivered by the Trust, and constitutes the valid and legally binding obligation of the Trust enforceable against the Trust in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to creditors' rights and general principles of equity.

5. Representations and Warranties of the RP Investors Each of the RP Investors represents and warrants to each Shareholder and the Trust as follows:

(a) Each RP Investor has all necessary power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby.

(b) This Agreement has been duly executed and delivered by the RP Investor, and constitutes the valid and legally binding obligation of the RP Investor enforceable against the RP Investor in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to creditors' rights and general principles of equity.

6. Additional Covenants of Shareholders. Each Shareholder hereby agrees that:

(a) Except as contemplated by this Agreement, such Shareholder shall not enter into any voting agreement or grant an irrevocable proxy or power of attorney with respect to the Common Shares or any other voting securities of the Trust acquired by such Shareholder which is inconsistent with this Agreement.

(b) The transfer by such Shareholder of any Common Shares or any other voting securities of the Trust owned by such Shareholder shall be conditioned upon execution by the transferee of (i) a counterpart of this Agreement, pursuant to which such transferee shall be required to vote any Common Shares or other voting securities of the Trust transferred by such Shareholder in accordance with the provisions of this Agreement, and (ii) the Limited Proxy.

7. Additional Covenants of the Trust (a) The issuance by the Trust of any additional shares of Common Shares or any other voting security of the Trust shall be conditioned upon execution of a counterpart of this Agreement and the Limited Proxy by any new shareholder prior to its receipt of Common Shares or other voting securities issued by the Trust.

(b) In the event the Trust elects (the "Election") to qualify as a real estate investment trust under Section 856 through 860 of the Internal Revenue Code of 1986, as amended, the RP Investors and their affiliates will be granted an exemption from the Aggregate Share Ownership Limit and the Common Share Ownership Limit (each as defined in the Declaration) pursuant to, and subject to the terms and conditions of, Section 7.2.7 of the Declaration, and subject to the legal duties of the Trustees of the Trust, to the extent required so that no Common Shares then owned by the RP Investors nor any Common Shares which the RP Investors may own in the future pursuant to the Investment Agreement and the Partnership Agreement will be transferred to a Charitable Trust (as defined in the Declaration) pursuant to Section 7.2(b) of the Declaration.

8. Specific Performance. The parties hereto acknowledge that failure on any of their part to comply with the terms of this Agreement shall cause the other party hereto immediate and irreparable harm that cannot be adequately compensated by the remedies at law, and that in the event of such breach or violation, or threatened breach or violation, the other parties hereto shall be entitled to have such provisions of this Agreement specifically enforced by preliminary and permanent injunctive relief without having to prove the inadequacy of the available remedies at law or any actual damages and without posting any bond or other security. Any remedies sought or obtained by a party hereto shall not be considered either exclusive or a waiver of the rights of a party hereto to assert any other remedies they have in law or equity.

9. Miscellaneous.

(a) Notices. All notices and other communications hereunder shall be in writing and shall be delivered personally, or transmitted by telecopier or by registered or certified mail (postage pre-paid, return receipt requested) or by a nationally recognized overnight delivery service to the Shareholders at their addresses as set forth on the books and records of the Trust, to the Trust at its principal office located at Mack-Cali Property Trust, c/o Mack-Cali Realty Corporation, Harborside 3, 210 Hudson Street, Suite 400, Jersey City, New Jersey 07311, and to the RP Investors at c/o Rockpoint Group, L.L.C., 500 Boylston Street, Suite 2100, Boston, Massachusetts 02116. Any notice shall be deemed to have been given on the date of receipt if delivered personally or by overnight courier, the date of transmission with confirmation back if transmitted by telecopier, or the fifth day following posting if transmitted by registered or certified mail.

(b) Amendments, Waivers, Etc. This Agreement may not be amended, changed, supplemented, waived or otherwise modified or terminated except by an instrument in writing signed by the RP Investors, the Trust and each of the Shareholders. Notwithstanding the foregoing, the parties hereto agree that in the event the RRT Add-On Capital Contribution is not made pursuant to the Partnership Agreement, then Schedule I hereto will automatically be amended accordingly.

(c) Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the parties and their respective successors and assigns, including without limitation, any corporate successor by merger or otherwise.

(d) Entire Agreement. This Agreement, along with the Partnership Agreement and the Investment Agreement, embodies the entire agreement and understanding among the

parties relating to the subject matter hereof and supersedes all prior agreements and understandings relating to such subject matter. This Agreement amends and restates in its entirety the 2017 Shareholders Agreement, and the 2017 Shareholders Agreement is hereby deemed replaced in its entirety by this Agreement. There are no representations, warranties or covenants by the parties hereto relating to such subject matter other than those expressly set forth in this Agreement.

(e) Severability. If any term of this Agreement or the application thereof to any party or circumstance shall be held invalid or unenforceable to any extent, the remainder of this Agreement and the application of such term to the other parties or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by applicable law. In such event the parties shall negotiate in good faith in an attempt to agree to another provision (in lieu of the term or application held to be invalid or unenforceable) that will be valid and enforceable and will carry out the parties' intentions hereunder.

(f) No Waiver. The failure of either party hereto to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity, or to insist upon compliance by the other party hereto with its obligations hereunder, and any custom or practice of the parties at variance with the terms hereof, shall not constitute a waiver by such party of its rights to exercise any such or other right, power or remedy or to demand such compliance.

(g) No Third Party Beneficiaries. This Agreement is not intended to be for the benefit of and shall not be enforceable by any person or entity who or which is not a party hereto.

(h) Termination. This Agreement shall terminate at such time as the RP Investors have no rights to take any of the following actions: (i) to appoint RP Trustees pursuant to Section 10(a)(iii) of the Partnership Agreement, (ii) to approve Major Decisions pursuant to Section 10(b) of the Partnership Agreement or (iii) to make a Board Increase Election pursuant to this Agreement and Section 26(b) of the Partnership Agreement.

(i) Governing Law. This Agreement and all disputes hereunder shall be governed by and construed and enforced in accordance with the laws of the State of Maryland without regard to rules of conflict of law.

(j) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies each signed by less than all, but together signed by all, of the parties hereto.

AMENDED AND RESTATED DISCRETIONARY DEMAND PROMISSORY NOTE

June 28, 2019

For value received and in consideration of any advance or advances (individually, an “Advance” and collectively, the “Advances”) which MACK-CALI REALTY, L.P., a Delaware limited partnership (together with its successors and assigns, the “Lender”) may, in its absolute and sole discretion elect to make to ROSELAND RESIDENTIAL, L.P., a Delaware limited partnership (the “Borrower”), from time to time, the Borrower hereby unconditionally and irrevocably promises to pay to the order of the Lender at the Lender’s principal place of business located at Harborside 3, 210 Hudson Street, Suite 400, Jersey City, New Jersey 07311 or to such other place as the Lender may designate in writing to the Borrower, in lawful money of the United States of America in immediately available funds, the principal amount of each such Advance on DEMAND. The maximum aggregate principal amount of Advances at any one time hereunder shall be \$50,000,000.00; provided, however, that such amount may be increased by the amount which the Borrower has requested be funded pursuant to the RP Subscription Right set forth in Section 5(b)(ii) of the Partnership Agreement (as defined herein), which additional amount must be repaid, or converted into a cash Capital Contribution (in an amount equal to the outstanding principal amount of such additional amount) in respect of Common Partnership Units for purposes of determining Unreturned RRT Capital Contributions (as such terms are defined in the Partnership Agreement), pursuant to and to the extent permitted by the applicable terms of the Partnership Agreement, including without limitation, the pre-emptive rights contained therein, on the first to occur of (x) 105 days from the date of such advance or (y) any funding of the RP Subscription Right pursuant to said Section 5(b)(ii).

The Borrower also promises to pay to the Lender interest on the outstanding principal amount of each Advance from the date of each Advance at the Applicable Rate, as defined herein, on the date on which the Borrower repays any principal amount of such Advance (such date, the “Interest Payment Date,” and each period beginning on the date of any such Advance through and including the business day that precedes any subsequent Interest Payment Date, an “Interest Period”). The “Applicable Rate” means, as of any date of determination, a fluctuating rate *per annum* equal to, for each Interest Period, the LIBOR Rate for such Interest Period *plus* fifty (50) basis points above the Applicable Margin for Revolving Credit Loans (as used and defined in that certain Amended and Restated Revolving Credit and Term Loan Agreement dated as of January 25, 2017 (the “Credit Agreement”) by and among Lender, Bank of America, N.A., JPMorgan Chase Bank, N.A., Wells Fargo Bank, N.A. and certain other lending institutions which are or may become parties to the Credit Agreement.

“LIBOR Rate” means, for any Interest Period, the rate specified in the Wall Street Journal, “Money Rates” column (or any successor column), as the “London Interbank Offered Rate” for the month beginning on the first day of such Interest Period (as published on the second business day in London prior to the first day of such Interest Period). Accrued interest shall be due and payable at the end of each Interest Period. Interest on this Note and the amounts payable hereunder shall be computed on the basis of a 360-day year and the actual number of days elapsed (including the first day of the period and excluding the date of repayment). Any change in the interest rate resulting from a change in the rate applicable thereto (or any component thereof) pursuant to the

terms hereof shall become effective as of the opening of business on the day on which such change in the applicable rate (or component) shall become effective.

The Applicable Rate applicable to an Advance shall be set forth on the payment grid attached hereto and made a part hereof on Schedule 1 (the "Grid"), as adjusted by time to time by the Lender in accordance with changes to the Applicable Rate.

All payments made in connection with this Discretionary Demand Promissory Note (this "Note") shall be in lawful money of the United States in immediately available funds without counterclaim or setoff and free and clear of and without any deduction or withholding for, any taxes or other payments. All such payments shall be applied by the Lender to the outstanding principal and interest accrued on the Advances, and other liabilities of the Borrower hereunder, first, in respect of any interest then due, and second to outstanding principal.

BORROWER ACKNOWLEDGES AND AGREES THAT THE LENDER HAS NO COMMITMENT OR OBLIGATION TO MAKE ANY ADVANCE TO THE BORROWER, AND MAY REFUSE, IN THE EXERCISE OF ITS SOLE DISCRETION, TO MAKE ANY ADVANCE TO THE BORROWER.

In consideration of the granting of the Advances evidenced by this Note, the Borrower hereby further agrees as follows:

1. No Commitment; Advance Requests. The Lender shall have no obligation to make any Advance hereunder. Requests for Advances shall be made within a time period acceptable to the Lender. No course of dealing, expectation, or reliance shall be established by any action of Lender to approve an Advance or make an Advance within any time period.

2. Prepayment. The Borrower may prepay any Advance at any time in whole or in part without premium or penalty. Each such prepayment shall be made together with interest accrued thereon to and including the date of prepayment.

3. Lender's Books and Records; Grid. The Lender shall maintain an account or accounts evidencing the indebtedness of the Borrower to the Lender resulting from each Advance made by the Lender, including (i) the amount of each Advance, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to the Lender hereunder and (iii) the amount of any payment received by the Lender hereunder. The Lender shall record such amounts on the Grid, but in the event of any conflict between the Grid and Lender's records concerning the size of such Advance, and other amounts related thereto, the records deemed most accurate by the Lender shall govern and control, absent manifest error.

4. RESERVED.

5. Representations and Warranties; Covenants. The Borrower represents and warrants to the Lender (which representations and warranties shall be deemed to be made at the time of each Advance hereunder) that: (a) it is duly organized, validly existing and in good standing under the laws of the state of Delaware and is qualified to do business and is in good standing under the laws of every state where its failure to so qualify could reasonably be expected to have a material and adverse effect on its business, operations, property or other condition; (b) the execution,

issuance and delivery of this Note by the Borrower are within its organizational powers and have been duly authorized, and the Note is valid and binding, and is not in violation of law or of the terms of the Borrower's organizational documents and does not result in the breach of or constitute a default under any indenture, agreement or undertaking to which the Borrower is a party or by which it or its property may be bound or affected; (c) no authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for the due execution, delivery and performance by the Borrower of this Note; (d) all Advances shall at all times rank at least *pari passu* with all other unsecured indebtedness of the Borrower; and (e) on the occasion of the granting of each Advance all representations and warranties contained herein shall be true and correct in all material respects and with the same force and effect as though such representations and warranties had been made on and as of the date of the making of each such Advance.

6. **Payment on Demand.** The Lender may by notice to the Borrower at any time and for any reason declare the principal amount of all Advances hereunder, together with accrued interest thereon and any other amounts owing hereunder, to be due and payable, subject to Section 7. The Borrower shall, upon any such demand, repay all such amounts in accordance with such demand within thirty (30) business days. The failure by the Borrower to repay all such amounts (the "**Default Amount**") in accordance with such demand within thirty (30) business days shall constitute an event of default (an "**Event of Default**") hereunder.

7. **Remedies.** Upon the occurrence of an Event of Default, the Lender shall, within five (5) business days thereof, give written notice (a "**Default Notice**") to the Rockpoint Preferred Holders (as defined in the Third Amended and Restated Limited Partnership Agreement of the Borrower dated as of June 28, 2019 (the "**Partnership Agreement**")) in accordance with the notice provisions set forth in the Partnership Agreement. Such notice shall be in addition to the notice the Lender shall give to the Borrower, and shall be given concurrent therewith. Following receipt of a Default Notice, the Rockpoint Preferred Holders, or any affiliate(s) thereof or other parties designated by them (collectively, "**Rockpoint**"), shall have the right, but not the obligation, to make payment to the Lender, within thirty (30) business days of receiving the Default Notice (the period from the occurrence of the Event of Default through the expiration of such thirty (30) business day period, the "**Default Election Period**"), in an amount equal to the Default Amount (a "**Default Advance**"). During any Default Election Period, the Lender shall have no right to enforce the provisions hereof in respect of such Event of Default or pursue any remedies in connection therewith, including declaring the principal amount of the Advances or interest thereon (whether or not accrued) or any other amounts payable hereunder due and payable. In the event Rockpoint elects to make a Default Advance, such Default Advance shall be deemed to (a) cure the Event of Default and (b) be a demand loan by Rockpoint to the Borrower, and shall bear interest payable to Rockpoint monthly at a rate equal to the lesser of (i) eighteen percent (18%) per annum or, if lower, (ii) the highest rate of interest permitted under applicable law, from and after the date of the Default Advance until the date such Default Advance is repaid by the Borrower to Rockpoint in full. If Rockpoint does not elect to make a Default Advance during the Default Election Period, the Lender shall, following the expiration of the Default Election Period, be entitled to enforce the provisions hereof in respect of such Event of Default and pursue any remedies it may be entitled to at law or in equity in respect of the Event of Default, including its right to declare the principal amount of the Advances or interest thereon (whether or not accrued) or any other amounts payable hereunder due and payable. For the avoidance of doubt, in the event Rockpoint makes a Default Advance,

Rockpoint shall, at any time, be entitled pursue any and all rights and remedies it may have in law or in equity against the Borrower in the event the Borrower fails to repay to Rockpoint the amount of the Default Advance or fails to pay any interest thereon to Rockpoint when due.

8. Additional Guarantees and Other Credit Support At No Cost To the extent that the Lender or any of its subsidiaries (not including the Borrower or its subsidiaries) currently guarantees or otherwise promises to pay or provides other credit support for any present obligations or liabilities of the Borrower or any of its subsidiaries, or determines in its discretion to do so in the future, of any type or description as of or following the date hereof, (i) whether arising under or in connection with credit agreements, notes, guaranties, reimbursement agreements, other agreements, by operation of law or otherwise, obligations and liabilities under any hedging contracts, (ii) whether for money borrowed, in respect of letters of credit, for goods and services delivered or rendered, or other amounts, (iii) whether for principal, interest, letter of credit or other reimbursement obligations, cash collateral cover, fees expenses, indemnities or other amounts (including attorneys' fees and expenses), (iv) whether or not evidenced by one or more instruments, documents agreements or other writings, or (v) whether incurred by the Borrower or any of its subsidiaries individually or as a member of a group, the Lender or any of its subsidiaries providing any such guarantee or otherwise promising to pay or providing credit support shall do so unconditionally, and neither the Partnership nor any such subsidiary shall bear any cost or other obligation in respect of such guarantee or other promise to pay. Notwithstanding the foregoing, nothing in this Section 8 shall be construed as an obligation on the part of the Lender or any of its subsidiaries to provide any such guarantee or promise to pay or other credit support, other than any such arrangements in effect as of the date hereof.

9. Miscellaneous.

(a) Notices.

(i) All notices, requests or other communications required or permitted to be delivered hereunder to the Lender or Borrower (each, a "Party") shall be delivered in writing to such address as provided for the applicable Party on page one of this Note or as such Party may otherwise specify from time to time in writing.

(ii) Notices if (A) mailed by certified or registered mail or sent by hand or overnight courier service shall be deemed to have been given when received, (B) sent by facsimile during the recipient's normal business hours shall be deemed to have been given when sent (and if sent after normal business hours shall be deemed to have been given at the opening of the recipient's business on the next business day) and (C) sent by e-mail shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment).

(b) RESERVED.

(c) Waivers; Amendments. No waiver of any provision of this Note shall be effective unless such waiver shall be in writing and signed by a duly authorized officer of the Lender (or, with respect to any rights of Rockpoint hereunder, the Rockpoint Preferred Holders), and the same shall then be effective only for the period and on the conditions and for the specific

instances specified in such writing. No failure or delay by the Lender or Rockpoint, as the case may be, in exercising any right, power or privilege hereunder shall operate as a waiver thereof by the Lender or Rockpoint; nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any rights, power or privilege. This Note may not be amended or modified except by a written instrument describing such amendment or modification executed by the Borrower and the Lender, and for so long as any Preferred Interests are held by a Rockpoint Preferred Holder, the Rockpoint Preferred Holders.

(d) Third Party Beneficiaries. The Lender and Borrower agree that it is the specific intention of the Lender and Borrower that Rockpoint is and shall be a third-party beneficiary of the provisions of Section 7 and Section 8 hereof, and any rights, powers, privileges and other provisions of this Note relating thereto.

(e) Governing Law. This Note shall be construed in accordance with and governed by the laws of the State of New York (excluding the laws applicable to conflicts or choice of law). The Borrower and Lender each agree that any suit relating to this Note may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York and consent to the nonexclusive jurisdiction of such court and service of process in any such suit being made upon the Borrower and the Lender by mail at the address set forth on the signature page of this Note. Each of the Borrower and Lender hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient forum. Final judgment in any action, suit or proceeding shall be conclusive and may be enforced in any other jurisdiction by suit on the judgment.

(f) Interest Adjustment. All agreements between the Borrower and the Lender are hereby expressly limited so that in no contingency or event whatsoever shall the amount of interest paid or agreed to be paid to the Lender exceed the maximum permissible under applicable law. In this regard, it is expressly agreed that it is the intent of the Borrower and the Lender in the execution, delivery and acceptance of this Note to contract in strict compliance with the laws of the State of New York from time to time in effect. If, under or from any circumstances whatsoever, fulfillment of any provision hereof at the time of performance of such provision shall be due, shall involve transcending the limit of such validity prescribed by applicable law, then the obligation to be fulfilled shall automatically be reduced to the limits of such validity, and if under or from circumstances whatsoever the Lender should ever receive as interest an amount which would exceed the highest lawful rate, such amount which would be excessive interest shall be applied to the reduction of the principal balance evidenced hereby and not to the payment of interest. This provision shall control every other provision of all agreements between the Borrower and the Lender.

(g) **WAIVER OF JURY TRIAL AND CERTAIN OTHER WAIVERS. THE BORROWER AND THE LENDER (BY ACCEPTANCE OF THIS NOTE) MUTUALLY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT TO A TRIAL BY JURY IN EACH CASE IN RESPECT OF ANY LEGAL ACTION BASED HEREON, ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS NOTE OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY, INCLUDING, WITHOUT LIMITATION, ANY COURSE OF CONDUCT, COURSE OF**

DEALINGS, STATEMENTS OR ACTIONS OF THE LENDER RELATING TO THE ADMINISTRATION OF THE ADVANCES AND AGREE THAT NEITHER PARTY WILL SEEK TO CONSOLIDATE ANY SUCH ACTION WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. EXCEPT AS PROHIBITED BY LAW, THE BORROWER HEREBY WAIVES ANY RIGHT IT MAY HAVE TO CLAIM OR RECOVER IN ANY LITIGATION ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES OR ANY DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES.

(h) No Assignments. This Note shall not be assignable by either the Lender or the Borrower other than with the consent of each party hereto.

(i) Successors and Assigns. ARTICLE I

SHARED SERVICES

Section 1.1 Shared Services, Assets, and Employees.

(a) Services.

Commencing on the Effective Date and continuing through the duration of the Services Period (as defined below), MCRLP shall assist the Partnership in its day-to-day business and operations, as an indirect subsidiary of MCRLP. MCRLP shall provide the Partnership with (i) those services provided to the Partnership prior to the Effective Date and those services described on Schedule 1 and (ii) any additional services reasonably required by the Partnership to conduct its business that MCRLP provides for itself or its affiliates (the “Base Services” and, together with Additional Services agreed by the Parties in accordance with Section 1.1(b), the “Services”). The Services shall only be made available, and the Partnership shall only be entitled to utilize the Services, for the benefit of the operation of the Partnership’s business. MCRLP’s obligations to perform services hereunder shall be limited to the Services. Schedule 1 may be amended from time to time with the mutual consent of both Parties, or as otherwise provided in this Agreement.

(b) Additional Services.

In the event that the Partnership determines that it would be beneficial for MCRLP to provide any additional service or services not included in the Services, or a material change in the then-current Services, to the Partnership, the Partnership shall request in writing that MCRLP provide such additional services (as so determined, the “Additional Services”). MCRLP shall, in its reasonable discretion, determine (i) whether to provide such Additional Services, taking into consideration its ability to provide such Additional Services, and (ii) the amount, if any, by which the Services Fee (as defined below) shall be increased to reflect all Additional Services to be performed. The Parties shall agree in writing on any Additional Services to be performed and any corresponding increase in the Services Fee. Following such agreement, Schedule 1 shall be amended to reflect all Additional Services to be performed. The Additional Services shall be subject to the terms and conditions of this Agreement as with any other Services provided hereunder. Except as provided herein, the Services Fee may not be increased without the prior written approval of the RP Investors, which approval may not be unreasonably withheld. Notwithstanding the foregoing, MCRLP shall have no obligation to provide any Additional Services or to negotiate the additional Services Fee with the Partnership or the RP Investors.

(c) Subcontractors.

MCRLP may, directly or through one or more affiliates, hire or engage one or more subcontractors, consultants, vendors, or other third parties (each, a “Subcontractor”) to perform any or all of the Services under this Agreement to the extent MCRLP has determined in its sole discretion that such Subcontractors are reasonably necessary for the efficient performance of any of the Services and to the extent MCRLP, directly or through one or more affiliates, hires or engages such Subcontractors to provide similar services for itself or its affiliates; *provided*, that

MCRLP shall remain ultimately responsible for ensuring that the obligations set forth in this Agreement are satisfied with respect to any Services provided by any Subcontractor.

(d) Sharing of Space and Assets.

In connection with the provision of the Services, MCRLP agrees to share with the Partnership the commercial office space located at Harborside 3, Jersey City, NJ 07302 and provide certain computer systems, hardware, and other assets to the Partnership (collectively, the “Shared Assets”). The determination of which assets constitute Shared Assets and the scope of the Partnership’s use of the Shared Assets shall be made by MCRLP in its reasonable discretion. For the avoidance of doubt, the commercial office space located at 101 Hudson Street, Jersey City, New Jersey 07302 (the “101 Space”) shall not constitute a “Shared Asset”. As of July 1, 2019, MCRLP and the Partnership will be sharing the 101 Space governed by a separate lease agreement attached hereto as Exhibit A. The Partnership shall be responsible to MCRLP for its proportionate share of all obligations of the tenant under such lease agreement; such proportionate share to be determined by dividing the number of employees primarily performing services to the Partnership by the total number of employees occupying the 101 Space.

(e) Service Delivery Employees.

MCRLP may, from time to time, permit some of its employees to render the Services or perform other functions for the benefit of the Partnership (the “Service Delivery Employees”). The Service Delivery Employees will, at all times, remain employees of MCRLP or its affiliates, and shall not become employees of the Partnership. MCRLP shall remain solely responsible for any liability in respect to the Service Delivery Employees and their beneficiaries and dependents relating to any employment or termination of employment of any Service Delivery Employees. The use of Service Delivery Employees and their scope of responsibilities shall be determined by MCRLP in its sole discretion.

Section 1.2 Term and Termination.

(a) Term. The term of this Agreement shall commence as of the Effective Date, and shall continue until terminated as provided in Section 1.2(b) herein (the “Services Period”).

(b) Termination. This Agreement may be terminated as follows:

(i) by MCRLP:

- (A) in the event that the Partnership has not paid any amounts required to be paid under Section 2.1(a) (other than, for purposes of clarification, with respect to disputed amounts) within thirty (30) days after the applicable due date and such breach remains uncured for ten (10) business days after receipt of written notice by the Partnership and the RP Investors from MCRLP; or
- (B) in the event that the Partnership has filed a voluntary petition or has filed against it a petition for an order of relief under the federal bankruptcy code, as the same may be amended, so as to take

advantage of any insolvency laws (which is not dismissed or discontinued within sixty (60) days after the filing of such petition) or to file an answer admitting the general obligations of an insolvency petition.

(C) upon one hundred twenty (120) days' prior written notice to the Partnership and the RP Investors.

(ii) by the Partnership in the event that MCRLP:

(A) commits a material breach of this Agreement and such breach remains uncured for ten (10) business days after receipt of written notice by MCRLP from the Partnership;

(C) upon thirty (30) days' prior written notice to MCRLP and the RP Investors.

(iii) by the Parties at any time upon mutual written consent.

Notwithstanding the foregoing, in providing the Services, neither MCRLP nor any of its affiliates shall be obligated to: (A) hire any additional employees; (B) maintain the employment of any specific employee; or (C) purchase, lease or license any additional equipment, hardware, intellectual property or software (other than such equipment, hardware or software that is necessary to replace damaged or broken equipment or hardware or software necessary to perform the Services).

(ii) MCRLP shall not be required, and shall be excused from providing, any Service to the extent and for so long as the performance of such Service becomes impracticable as a result of a cause or causes outside the reasonable control of MCRLP, including unfeasible technological requirements, or to the extent the performance of such Service would require MCRLP or a Subcontractor to violate any applicable law, or would result in the breach of any software license or other applicable contract, whether related to intellectual property or otherwise. In the event that MCRLP claims any of the foregoing conditions to excuse MCRLP's performance of any Service, then MCRLP shall provide prompt written notice to the Partnership and shall use commercially reasonable efforts to cure, remove or resolve the condition as promptly as possible or to find an alternative manner to achieve the intent of this Agreement.

(iii) MCRLP shall not have any responsibility under this Agreement for verifying the accuracy of any information given to it by the Partnership or on behalf of the Partnership by its third parties (other than MCRLP or any Subcontractor) for the purpose of providing the Services.

Each of the Parties hereto shall, with respect to its obligations and performance hereunder, comply with all applicable requirements of applicable law, including import and export control, environmental and occupational safety requirements.

Section 6.2 **Confidentiality.**

Each Party shall keep confidential all information obtained by it in connection with this Agreement and provision of the Services and shall not disclose any such information (or use the same except in furtherance of its duties and obligations under this Agreement) to unaffiliated third parties, except: (a) with the prior written consent of the applicable Party; (b) to legal counsel, accountants and other professional advisors; (c) to appraisers, financing sources and others in the ordinary course of business; (d) to third parties who agree to keep such information confidential by contract or by professional or ethical duty and who need to know such information to perform services or to evaluate a prospective transaction; (e) to governmental officials having jurisdiction over the applicable Party; (f) in connection with any governmental or regulatory filings of the applicable Party, or disclosure or presentations to such Party's investors; (vii) as required by law or legal process to which a Party or any person to whom disclosure is permitted hereunder is subject; or (g) to the extent such information is otherwise publicly available through the actions of a person other than the Party not resulting from the Party's violation of this Section 6.2.

Section 6.3 **Governing Law.**

This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York without regard to the conflicts of law principles of such State. The Parties hereto consent and submit to the exclusive jurisdiction of the courts (State and federal) located in the State of New York in connection with any controversy arising under this Agreement or its subject matter. The Parties hereby waive any objection they may have in any such action based on lack of personal jurisdiction, improper venue or inconvenient forum. The Parties further agree that service of any process, summons, notice or document by U.S. registered mail to its respective address set forth below shall be effective legal service for any litigation brought in such courts.

This Agreement amends and restates the 2017 Shared Services Agreement in its entirety, and the 2017 Shared Services Agreement is hereby deemed replaced in its entirety by this Agreement.

Section 6.9 **Severability.**

The provisions of this Agreement are severable, and in the event that any one or more provisions are deemed illegal or unenforceable the remaining provisions shall remain in full force and effect, unless the deletion of such provision shall materially adversely affect the benefits or obligations of MCRLP, on the one hand, or the Partnership, on the other hand, in which event the Parties shall use their respective commercially reasonable efforts to arrive at an accommodation that best preserves for the Parties the benefits and obligations of the offending provision.

WITNESSETH:

A. The Responsible Parties, Mack-Cali Property Trust, a Maryland real estate investment trust ("MCPT"), Mack-Cali Texas Property, L.P., a Texas limited partnership ("MCTP"), the Rockpoint Preferred Holders, and Roseland Residential, L.P., a Delaware limited partnership (the "Partnership") have entered into that certain Preferred Equity Investment Agreement dated June 26, 2019 (the "Investment Agreement"), pursuant to which RP Investor I is acquiring, concurrently herewith, additional Preferred Interests of the Partnership.

B. In connection with the Investment Agreement and concurrently herewith, RRT, as the general partner of the Partnership and the Rockpoint Preferred Holders, as existing or newly admitted limited partners of the Partnership, and, for the purposes set forth therein, MCRLP, MCRC and the other parties named therein, are entering into that certain Third Amended and Restated Limited Partnership Agreement of the Partnership, dated as of the date hereof (the "Limited Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Limited Partnership Agreement.

C. The Partnership directly or indirectly owns certain real property (individually or collectively, as the context may require, "Property," and any Person through which the Partnership owns its interests in such Property, a "Property Owner"), more particularly described in the Limited Partnership Agreement.

D. The Rockpoint Preferred Holders have required, as conditions to their entering into the Investment Agreement, dated February 27, 2017 (the "Preferred Equity Investment Agreement (Original)," and the investment in the Partnership made pursuant thereto, the "Original Preferred Investment"), among the Partnership, the Responsible Parties, MCPT, MCTP, Roseland Residential Holding L.L.C., a Delaware limited liability company, RPIIA-RLA, L.L.C., a Delaware limited liability company, and RP Investor II, the Investment Agreement and the Limited Partnership Agreement, and RP Investor I making its additional investment in the Partnership (such additional investment, together with the Original Preferred Investment, the "Preferred Investment"), that (i) the Responsible Parties, jointly and severally, unconditionally guarantee the payment and performance to the Rockpoint Preferred Holders of the Recourse Obligations (as herein defined) and (ii) the Responsible Parties agree and the Responsible Parties have agreed, to

enter into this Agreement with the Rockpoint Preferred Holders, in order to amend and restate that certain Recourse Agreement dated as of March 10, 2017 by and among certain of the parties hereto.

E. The Responsible Parties own direct or indirect interests in the Partnership, and the Responsible Parties will directly benefit from the Preferred Investment by RP Investor I in the Partnership.

NOW, THEREFORE, as an inducement to the Rockpoint Preferred Holders to enter into the Investment Agreement and the Limited Partnership Agreement and to RP Investor I making the Preferred Investment, and for other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

ARTICLE 1
NATURE AND SCOPE OF GUARANTY

Section 1.1 **Guaranty of Obligations**

(a) Each Responsible Party hereby irrevocably and unconditionally guarantees to the Rockpoint Preferred Holders and their successors and assigns the payment and performance of the Recourse Obligations, as and when the same shall be due and payable, whether by lapse of time, by acceleration of maturity or otherwise. Each Responsible Party hereby irrevocably and unconditionally covenants and agrees that it is liable for the Recourse Obligations as a primary obligor.

(b) As used herein, the term "Recourse Obligations" means any Losses (as herein defined) actually incurred or suffered by the Rockpoint Preferred Holders and their permitted assignees arising out of or in connection with any of the following actions, in each case taken or not taken, as the case may be, by the Partnership, any Property Owner, any Responsible Party or any of their respective Controlled Affiliates (as defined below), agents, contractors or anyone acting at the direction of any of the foregoing (collectively, the "RR Parties" and each a "RR Party"), and in each case whether occurring before or after the date hereof: (i) distributions, payments or transfers of, or the failure to make distributions, payments or transfers of, Available Cash, Class A Capital Event Cash Flow, or Class B Capital Event Cash Flow, or the Property or any portion thereof, (ii) the failure to make any Purchase Payment, redemption payment, payment in respect of any indemnity obligation under the Limited Partnership Agreement, or any payment in connection with the dissolution of the Partnership, or the purchase of Rockpoint REIT Interests or Partnership Interests when due, or (iii) the failure to honor any Conversion Election made by a Rockpoint Preferred Holder, in any case that is a breach of the Limited Partnership Agreement that has not been cured before the expiration of any applicable notice and cure periods set forth in the Limited Partnership Agreement.

(c) As used herein, the term "Losses" means the Available Cash, Class A Capital Event Cash Flow, or Class B Capital Event Cash Flow, or the value of any Security or Property or any portion thereof, or the amount of any Purchase Payment, redemption payment, payment in respect of any indemnity obligation under the Limited Partnership Agreement, or any payment in connection with the dissolution of the Partnership or the purchase of Rockpoint REIT interests or Partnership Interests, which, if not for a breach of the Limited Partnership Agreement

by the Partnership, RRT or any other RR Party, would have been, or would have been required to have been, distributed, paid or transferred to (or imputed to the capital account of) the Rockpoint Preferred Holders or REIT Owners under the terms of the Limited Partnership Agreement, as well as reasonable attorneys' fees and other out-of-pocket expenses incurred in connection with investigating, enforcing or defending any right hereunder and/or breach hereof.

(d) Notwithstanding anything to the contrary in this Agreement or in any of the other Transaction Documents, the Rockpoint Preferred Holders shall not be deemed to have waived any right which the Rockpoint Preferred Holders may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Preferred Investment.

Section 1.2 Termination of Guaranty. The obligations and liability of the Responsible Parties, and the rights of the Rockpoint Preferred Holders to assert a claim against the Responsible Parties for performance and payment of the Recourse Obligations, shall terminate following: (i) conversion by the Rockpoint Preferred Holders of their Preferred Units to Common Units pursuant to the terms of the Limited Partnership Agreement; or (ii) the redemption or purchase of the Rockpoint Preferred Holders' Preferred Interests in the Partnership, directly or indirectly, by the Partnership or the Responsible Parties pursuant to the Limited Partnership Agreement, in which, following such redemption or purchase, the Rockpoint Preferred Holders no longer hold Preferred Units, directly or indirectly. Notwithstanding the foregoing, any Recourse Obligations that arose prior to such termination and that remain outstanding, shall continue as the valid obligations and liabilities of the Responsible Parties until satisfied in full.

Section 1.3 Nature of Guaranty. This Agreement is an irrevocable, absolute, continuing guaranty of payment and performance of the Recourse Obligations and not a guaranty of collection. This Agreement may not be revoked by any Responsible Party and shall continue to be effective with respect to any Recourse Obligations arising or created after any attempted revocation by any Responsible Party. The fact that at any time or from time to time the Recourse Obligations may be increased or reduced shall not release or discharge the obligation of any Responsible Party to the Rockpoint Preferred Holders with respect to the Recourse Obligations. This Agreement may be enforced by the Rockpoint Preferred Holders, and any subsequent holder of the Preferred Interests of the Rockpoint Preferred Holders under the Limited Partnership Agreement, and shall not be discharged by the assignment or negotiation of all or part of any such Preferred Interests.

Section 1.4 Recourse Obligations Not Reduced by Offset The Recourse Obligations and the liabilities and obligations of the Responsible Parties to the Rockpoint Preferred Holders hereunder are joint and several obligations of the Responsible Parties, and shall not be reduced, discharged or released because or by reason of any existing or future offset, claim or defense of the Partnership or any other party against the Rockpoint Preferred Holders or against payment of the Recourse Obligations, whether such offset, claim or defense arises in connection with the Recourse Obligations (or the transactions creating the Recourse Obligations) or otherwise.

Section 1.5 Payment By Responsible Parties. If all or any part of the Recourse Obligations is or shall give rise to a monetary obligation, and such monetary obligation shall not be punctually paid when due under the terms of the Limited Partnership Agreement, whether at

demand, maturity, acceleration or otherwise, the Responsible Parties shall, immediately upon demand by the Rockpoint Preferred Holders and without presentment, protest, notice of protest, notice of non-payment, notice of intention to accelerate the maturity, notice of acceleration of the maturity or any other notice whatsoever, all such notices being hereby waived by the Responsible Parties, pay in lawful money of the United States of America, the amount due on the Recourse Obligations to the Rockpoint Preferred Holders or REIT Owners at the Rockpoint Preferred Holders' address as set forth herein. Such demand(s) may be made at any time coincident with or after the time for payment of all or part of the Recourse Obligations and may be made from time to time with respect to the same or different items of Recourse Obligations. Such demand shall be deemed made, given and received in accordance with the notice provisions hereof.

Section 1.6 **No Duty To Pursue Others** It shall not be necessary for the Rockpoint Preferred Holders (and the Responsible Parties hereby waive any rights which the Responsible Parties may have to require the Rockpoint Preferred Holders), in order to enforce the obligations of the Responsible Parties hereunder, first to (i) institute suit or exhaust its remedies against the Partnership or others liable for the outstanding Preferred Interests or the Recourse Obligations or any other Person, (ii) enforce the Rockpoint Preferred Holders' rights after an Event of Default, (iii) enforce the Rockpoint Preferred Holders' rights against any other guarantors of the Recourse Obligations, (iv) join the Partnership or any others liable on the Recourse Obligations in any action seeking to enforce this Agreement, (v) exhaust any remedies available to the Rockpoint Preferred Holders under any of the Transaction Documents, or (vi) resort to any other means of obtaining payment of the Recourse Obligations. The Rockpoint Preferred Holders shall not be required to mitigate damages or take any other action to reduce, collect or enforce the Recourse Obligations; provided, that any amounts on account of the Recourse Obligations received by the Rockpoint Preferred Holders from sources other than the Responsible Parties shall reduce the liability of the Responsible Parties for the Recourse Obligations by such amounts received, including, without limitation, pursuant to the provisions of the Limited Partnership Agreement.

Section 1.7 **Waivers**. Except as otherwise provided herein or with respect to any notice and cure periods set forth herein or in the Limited Partnership Agreement, each Responsible Party agrees to the provisions of the Transaction Documents and hereby waives notice of (i) acceptance of this Agreement, (ii) any amendment of the Investment Agreement, the Limited Partnership Agreement or any other Transaction Document, (iii) the execution and delivery by any Responsible Party, or any of their respective Affiliates, and the Rockpoint Preferred Holders of any other agreement or of the execution and delivery by any Responsible Party, or any of their respective Affiliates, of any other document arising under the Transaction Documents or in connection with any Property, (iv) the occurrence of (A) any breach by any Responsible Party, or any of their respective Affiliates, of any of the terms or conditions of the Investment Agreement or the Limited Partnership Agreement or any of the other Transaction Documents, or (B) an Event of Default, (v) the Rockpoint Preferred Holders' transfer or disposition of the Recourse Obligations, or any part thereof, (vi) the enforcement of the Rockpoint Preferred Holders' rights under the Investment Agreement or the Limited Partnership Agreement, (vii) protest, proof of non-payment or default by RRT or MCRLP, or (viii) any other action at any time taken or omitted by the Rockpoint Preferred Holders and, generally, all demands and notices of every kind in connection with this Agreement, the Investment Agreement, the Limited Partnership Agreement, any documents or agreements evidencing, securing or relating to any of the Recourse Obligations and/or the obligations hereby guaranteed.

Section 1.8 **Payment of Expenses.** The Responsible Parties shall, promptly upon demand by the Rockpoint Preferred Holders, pay the Rockpoint Preferred Holders all reasonable out-of-pocket costs and expenses (including court costs and reasonable attorneys' fees) incurred by the Rockpoint Preferred Holders in the enforcement hereof or the preservation of the Rockpoint Preferred Holders' rights hereunder, together with interest thereon at the rate of 18% per annum, compounded monthly, from the fifteenth (15th) business day after the date requested in writing by the Rockpoint Preferred Holders until the date of payment to the Rockpoint Preferred Holders. The covenant contained in this Section shall survive the payment and performance of the Recourse Obligations.

Section 1.9 **Effect of Bankruptcy.** In the event that pursuant to any insolvency, bankruptcy, reorganization, receivership or other debtor relief law or any judgment, order or decision thereunder, the Rockpoint Preferred Holders must rescind or restore any payment or any part thereof received by the Rockpoint Preferred Holders in satisfaction of the Recourse Obligations, as set forth herein, any prior release or discharge from the terms of this Agreement given to any Responsible Party by the Rockpoint Preferred Holders to the extent of such sums rescinded or restored shall be without effect and this Agreement shall remain (or shall be reinstated to be) in full force and effect. It is the intention of the Partnership and the Responsible Parties that a Responsible Party's obligations hereunder shall not be discharged except by the Responsible Parties' performance of such obligations and then only to the extent of such performance.

Section 1.10 **Waiver of Subrogation, Reimbursement and Contribution.** Notwithstanding anything to the contrary contained in this Agreement, each Responsible Party hereby unconditionally and irrevocably waives, releases and abrogates any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating any Responsible Party to the rights of the Rockpoint Preferred Holders), to assert any claim against or seek contribution, indemnification or any other form of reimbursement from the Partnership or any other party liable for the payment of any or all of the Recourse Obligations, other than from the other Responsible Parties, for any payment made by any Responsible Party under or in connection with this Agreement or otherwise.

ARTICLE 2
EVENTS AND CIRCUMSTANCES NOT REDUCING
OR DISCHARGING RESPONSIBLE PARTIES' OBLIGATIONS

Each Responsible Party hereby consents and agrees to each of the following and agrees that such Responsible Party's obligations under this Agreement shall not be released, diminished, impaired, reduced or adversely affected by any of the following and waives any common law, equitable, statutory or other rights (including rights to notice) which such Responsible Party might otherwise have as a result of or in connection with any of the following:

Section 2.1 **Modifications.** Any renewal, extension, increase, modification, alteration or rearrangement of all or any part of the Recourse Obligations, the Investment Agreement, the Limited Partnership Agreement, or any other document, instrument, contract or understanding between the Partnership and either the Rockpoint Preferred Holders or any other parties pertaining to the Recourse Obligations or any failure of the Rockpoint Preferred Holders to notify such Responsible Party of any such action.

Section 2.2 **Adjustment.** Any adjustment, indulgence, forbearance or compromise that might be granted or given by the Rockpoint Preferred Holders to the Partnership or any Responsible Party.

Section 2.3 **Condition of the Partnership or any Responsible Party.** The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of the Partnership, any Responsible Party or any other Person at any time liable for the payment of all or part of the Recourse Obligations; or any dissolution of the Partnership or any Responsible Party or any sale, lease or transfer of any or all of the assets of the Partnership or any Responsible Party or any changes in the direct or indirect shareholders, partners or members, as applicable, of the Partnership or any Responsible Party; or any reorganization of the Partnership or any Responsible Party.

Section 2.4 **Invalidity of Recourse Obligations.** The invalidity, illegality or unenforceability of all or any part of the Recourse Obligations or any document or agreement executed in connection with the Recourse Obligations for any reason whatsoever, including the fact that (i) the Recourse Obligations or any part thereof exceeds the amount permitted by law, (ii) the act of creating the Recourse Obligations or any part thereof is ultra vires, (iii) the officers or representatives of the RR Parties executing the Investment Agreement, the Limited Partnership Agreement or the other Transaction Documents or otherwise creating the Recourse Obligations acted in excess of their authority, (iv) the Recourse Obligations violate applicable usury laws, (v) the Partnership or any other Person has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Recourse Obligations wholly or partially uncollectible from the Partnership or such other Person(s), (vi) the creation, performance or repayment of the Recourse Obligations (or the execution, delivery and performance of any document or instrument representing part of the Recourse Obligations or executed in connection with the Recourse Obligations or given to secure the repayment of the Recourse Obligations) is illegal, uncollectible or unenforceable, or (vii) the Investment Agreement, the Limited Partnership Agreement or any of the other Transaction Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that each Responsible Party shall remain liable hereon to the extent set forth in this Agreement regardless of whether the Partnership or any other Person be found not liable on the Recourse Obligations or any part thereof by reason of any invalidity, illegality or unenforceability of all or any part of the Recourse Obligations or any document or agreement executed in connection with the Recourse Obligations for any reason.

Section 2.5 **Other Collateral.** The taking or accepting of any security, collateral or other guaranty, or other assurance of payment, for all or any part of the Recourse Obligations.

Section 2.6 **Care and Diligence.** The failure of the Rockpoint Preferred Holders or any other party to exercise diligence or reasonable care in enforcing the Recourse Obligations, including any neglect, delay, omission, failure or refusal of the Rockpoint Preferred Holders (i) to take or prosecute any action for the collection of any of the Recourse Obligations, (ii) to declare an Event of Default, or (iii) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Recourse Obligations.

Section 2.7 **Unenforceability.** The fact that the Recourse Obligations, or any part thereof, shall prove to be unenforceable, it being recognized and agreed by each Responsible Party

that such Responsible Party is not entering into this Agreement in reliance on, or in contemplation of the benefits of, the validity or enforceability of any Transaction Document, unless such unenforceability is the result of fraud, gross negligence or wilful misconduct of the Rockpoint Preferred Holders.

Section 2.8 **Offset**. Any existing or future right of offset, claim or defense of the Partnership against any Rockpoint Preferred Holders, or any other party, or against payment of the Recourse Obligations, whether such right of offset, claim or defense arises in connection with the Recourse Obligations (or the transactions creating the Recourse Obligations) or otherwise.

Section 2.9 **Merger**. The reorganization, merger or consolidation of the Partnership or any Responsible Party into or with any other Person.

Section 2.10 **Preference**. Any payment by the Partnership to the Rockpoint Preferred Holders is held to constitute a preference under the Bankruptcy Code or for any reason the Rockpoint Preferred Holders are required to refund such payment or pay such amount to the Partnership or to any other Person, except if the Rockpoint Preferred Holders agree in writing, or a court of competent jurisdiction determines, that any such payment or amount is not owed by the Partnership.

Section 2.11 **Other Actions Taken or Omitted**. Any other action taken by any Person or omitted to be taken with respect to the Transaction Documents, the Recourse Obligations or the security and collateral therefor, whether or not such action or omission prejudices any Responsible Party or increases the likelihood that any Responsible Party will be required to pay the Recourse Obligations pursuant to the terms hereof, it being the unambiguous and unequivocal intention of each Responsible Party that such Responsible Party shall be obligated to pay the Recourse Obligations when due, notwithstanding any occurrence, circumstance, event, action or omission whatsoever, whether contemplated or un contemplated, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the full and final payment and satisfaction of the Recourse Obligations.

ARTICLE 3 **REPRESENTATIONS AND WARRANTIES**

To induce the Rockpoint Preferred Holders to enter into the Investment Agreement and the Limited Partnership Agreement and to induce RP Investor I to provide the Preferred Investment to the Partnership, each Responsible Party represents and warrants to the Rockpoint Preferred Holders as follows:

Section 3.1 **Benefit**. Such Responsible Party is an Affiliate of the Partnership, is the owner of a direct or indirect interest in the Partnership and has received, or will receive, direct or indirect benefit from the making of this Agreement with respect to the Recourse Obligations.

Section 3.2 **Familiarity and Reliance**. Such Responsible Party is familiar with, and has independently reviewed books and records regarding, the financial condition of the Partnership; however, such Responsible Party is not relying on such financial condition or any collateral as an inducement to enter into this Agreement.

Section 3.3 **No Representation By the Rockpoint Preferred Holders** Neither the Rockpoint Preferred Holders nor any other party has made any representation, warranty or statement to such Responsible Party in order to induce such Responsible Party to execute this Agreement.

Section 3.4 **Responsible Party's Financial Condition.** As of the date hereof, and after giving effect to this Agreement and the contingent obligation evidenced hereby, such Responsible Party (a) is and will be solvent, (b) has and will have assets which, fairly valued, exceed its obligations, liabilities (including contingent liabilities) and debts, and (c) has and will have property and assets sufficient to satisfy and repay its obligations and liabilities, including the Recourse Obligations.

Section 3.5 **Legality.** The execution, delivery and performance by such Responsible Party of this Agreement and the consummation of the transactions contemplated hereunder do not and will not contravene or conflict with any law, statute or regulation whatsoever to which such Responsible Party is subject, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the breach of, any indenture, mortgage, charge, lien, contract, agreement or other instrument to which such Responsible Party is a party or which may be applicable to such Responsible Party. This Agreement is a legal and binding obligation of such Responsible Party and is enforceable against such Responsible Party in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to the enforcement of creditors' rights.

Section 3.6 **Litigation.** There is no action, suit, proceeding or investigation pending or, to such Responsible Party's knowledge, threatened in writing against such Responsible Party in any court or by or before any other governmental authority that, if adversely determined, could reasonably be expected to materially and adversely affect the ability of such Responsible Party to carry out the obligations contemplated by this Agreement.

Section 3.7 **Survival of Representations and Warranties.** All representations and warranties made by such Responsible Party herein shall survive the execution hereof.

ARTICLE 4 **SUBORDINATION OF CERTAIN INDEBTEDNESS**

Section 4.1 **Subordination of All Responsible Party Claims.** As used herein, the term "Responsible Party Claims" shall mean all debts and liabilities of the Partnership to Responsible Party, whether such debts and liabilities now exist or are hereafter incurred or arise, and whether the obligations of the Partnership thereon be direct, contingent, primary, secondary, several, joint and several, or otherwise, and irrespective of whether such debts or liabilities be evidenced by note, contract, open account, or otherwise, and irrespective of the Person or Persons in whose favor such debts or liabilities may, at their inception, have been, or may hereafter be, created, or the manner in which they have been, or may hereafter be, acquired by Responsible Party other than such debts and liabilities arising from, or in connection with, that certain Amended and Restated Discretionary Demand Promissory Note, dated June 28, 2019, or that certain Amended and Restated Shared Services Agreement, dated June 28, 2019. The Responsible Party Claims shall include, without limitation, all rights and claims of a Responsible Party against the Partnership

(arising as a result of subrogation or otherwise) as a result of a Responsible Party's payment of all or a portion of the Recourse Obligations. So long as any portion of the Preferred Interests of the Rockpoint Preferred Holders or the Recourse Obligations remain outstanding, a Responsible Party shall not receive or collect, directly or indirectly, from the Partnership or any other Person any amount upon the Responsible Party Claims.

Section 4.2 **Claims in Bankruptcy.** In the event of any receivership, bankruptcy, reorganization, arrangement, debtor's relief or other insolvency proceeding involving Responsible Party as a debtor, the Rockpoint Preferred Holders shall have the right to prove its claim in any such proceeding so as to establish its rights hereunder and receive directly from the receiver, trustee or other court custodian dividends and payments which would otherwise be payable upon Responsible Party Claims. Should the Rockpoint Preferred Holders receive, for application against the Recourse Obligations, any dividend or payment which is otherwise payable to Responsible Party and which, as between the Partnership and any Responsible Party, shall constitute a credit against the Responsible Party Claims, then, upon payment to the Rockpoint Preferred Holders in full of the Recourse Obligations, Responsible Party shall become subrogated to the rights of the Rockpoint Preferred Holders to the extent that such payments to the Rockpoint Preferred Holders on the Responsible Party Claims have contributed toward the liquidation of the Recourse Obligations, and such subrogation shall be with respect to that proportion of the Recourse Obligations which would have been unpaid if the Rockpoint Preferred Holders have not received dividends or payments upon the Responsible Party Claims.

Section 4.3 **Payments Held for the Benefit of Rockpoint Preferred Holders.** Notwithstanding anything to the contrary contained in this Agreement, in the event that a Responsible Party should receive any funds, payments, claims and/or distributions which are prohibited by this Agreement, such Responsible Party agrees to hold for the benefit of the Rockpoint Preferred Holders an amount equal to the amount of all funds, payments, claims and/or distributions so received, and agrees that it shall have absolutely no dominion over the amount of such funds, payments, claims and/or distributions so received except to pay such funds, payments, claims and/or distributions promptly to the Rockpoint Preferred Holders, and such Responsible Party covenants promptly to pay the same to the Rockpoint Preferred Holders.

ARTICLE 5 **MISCELLANEOUS**

Section 5.1 **Waiver.** No failure to exercise, and no delay in exercising, on the part of the Rockpoint Preferred Holders, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right. The rights of the Rockpoint Preferred Holders hereunder shall be in addition to all other rights provided by law. No modification or waiver of any provision of this Agreement, nor any consent to any departure therefrom, shall be effective unless in writing and no such consent or waiver shall extend beyond the particular case and purpose involved. No notice or demand given in any case shall constitute a waiver of the right to take other action in the same, similar or other instances without such notice or demand.

Section 5.2 **Notices.** All notices, demands, requests, consents, approvals or other communications (any of the foregoing, a "Notice") required, permitted or desired to be given

hereunder shall be in writing and shall be sent (i) by hand, (ii) by email; provided, that such email is followed by delivery by overnight courier in accordance with the following clause (iii) or (iii) by reputable overnight courier, addressed to the party to be so notified at its address hereinafter set forth, or to such other address as such party may hereafter specify in accordance with the provisions of this Section 5.2. Any Notice shall be deemed to have been received: (a) on the date of sending by email if sent during business hours on a Business Day (otherwise on the next Business Day), (b) on the date of delivery by hand if delivered during business hours on a Business Day (otherwise on the next Business Day), and (c) on the next Business Day if sent by an overnight commercial courier, in each case addressed to the parties as follows:

ARTICLE II REGISTRATION RIGHTS

Section 2.1 Demand Registrations.

(a) (i) Subject to Section 2.1(d), at any time beginning 180 days after the first date on which the Partnership, the General Partner or any other Alternative IPO Entity (as defined in Section 4.11) (each an “Issuer”) shall have effected the registration under the Securities Act of any Registrable Securities, one or more Holders shall have the right to require the Issuer to file a registration statement on Form S-1 or Form S-11, as applicable, or any successor forms thereto (each, a “Long-Form Registration”) or on Form S-3 or any successor form thereto (each, a “Short-Form Registration”) and together with the Long-Form Registrations, the “Demand Registrations”) under the Securities Act covering all or a portion of the then outstanding Registrable Securities beneficially owned by the Holders, by delivering a written request therefor

to the Issuer specifying the number of Registrable Securities to be included in such registration by such Holders and the intended method of distribution thereof. All such requests by any Holder pursuant to this Section 2.1(a)(i) are referred to as “Demand Registration Requests,” and the Holders making such demand for registration are referred to as the “Initiating Holders.” As promptly as practicable, but no later than 10 days after receipt of a Demand Registration Request, the Issuer shall give written notice (a “Demand Exercise Notice”) of such Demand Registration Request to all other Holders.

(ii) The Issuer, subject to Sections 2.3 and 2.6, shall include in a Demand Registration (A) the Registrable Securities of the Initiating Holders and (B) the Registrable Securities of any other Holder of Registrable Securities that shall have validly made a written request to the MC Partnership Parties within the time limits specified below for inclusion in such registration (together with the Initiating Holders, the “Participating Holders”). Any such request from the other Holders must be delivered to the Issuer within 15 days after the receipt of the Demand Exercise Notice and must specify the maximum number of Registrable Securities intended to be disposed of by such other Holders.

(iii) The Issuer, as expeditiously as possible but subject to Section 2.1(d), shall use their commercially reasonable efforts to file a Registration Statement, and cause such Registration Statement to be declared effective after the filing thereof under the Securities Act, covering all of the Registrable Securities that the Holders have requested to register for distribution in accordance with such intended method of distribution.

(b) Registrations under this Section 2.1 shall be on such appropriate registration form of the SEC for the disposition of such Registrable Securities in accordance with the intended method of disposition thereof, which form shall be selected by the Issuer and shall be reasonably acceptable to the Majority Participating Holders.

(c) Without limiting the foregoing, within ten Business Days after the Issuer becomes eligible to file a shelf registration statement that permits sales of Registrable Securities on a delayed or continuous basis pursuant to Rule 415 under the Securities Act (a “Shelf Registration Statement”), the Issuer shall give written notice (the “Shelf Notice”) to all Holders and shall include in such registration all Registrable Securities of the Holders. The Issuer shall as promptly as practicable, and in any event within twenty Business Days after the giving of the Shelf Notice, file with the SEC a Shelf Registration Statement with respect to such Registrable Securities to be included in accordance with the foregoing sentence and shall amend such Shelf Registration Statement at such times and as reasonably requested by Holders so as to permit the inclusion of any Registrable Securities therein. With respect to any Shelf Registration Statement covering Registrable Securities, the Issuer shall use their commercially reasonable efforts (if the Issuer is not eligible to use an automatic shelf registration statement as defined in Rule 405 under the Securities Act (an “automatic shelf registration statement”) to keep such Shelf Registration Statement continuously effective under the Securities Act in order to permit the prospectus forming a part thereof to be usable by the applicable Holder until the date as of which all Registrable Securities included in such Shelf Registration Statement either (1) have been sold pursuant to the Shelf Registration Statement or another Registration Statement filed under the Securities Act (but in no event prior to the applicable period referred to in Section 4(a)(3) of the Securities Act and Rule 174 thereunder), or (2) cease to be Registrable Securities.

(d) The Demand Registration rights granted in Section 2.1(a) to the Holders are subject to the following limitations:

(i) the Issuer shall not be required to cause a registration pursuant to Section 2.1(a) to be filed within 90 days or to be declared effective within a period of 180 days after the effective date of any other registration statement of the Issuer filed pursuant to the Securities Act;

(ii) if in the opinion of outside counsel to the Issuer, any registration of Registrable Securities would require disclosure of information not otherwise then required by law to be publicly disclosed and, in the good faith judgment of the board of directors of the Issuer, such disclosure is reasonably likely to adversely affect any material financing, acquisition, corporate reorganization or merger or other material transaction or event involving the Issuer or otherwise have a material adverse effect on the Issuer (a "Valid Business Reason"), the Issuer may postpone or withdraw a filing of a registration statement relating to a Demand Registration Request until such Valid Business Reason no longer exists, but in no event shall the Issuer avail itself of such right for more than 90 days, in the aggregate, in any period of 365 consecutive days (such period of postponement or withdrawal under this clause (ii), the "Postponement Period"); and the Issuer shall give notice of its determination to postpone or withdraw a registration statement and of the fact that the Valid Business Reason for such postponement or withdrawal no longer exists, in each case, promptly after the occurrence thereof; and

(iii) In connection with the provisions of this Section 2, the Holders shall have three Demand Registration Requests, in each case with respect to Long-Form Registrations which they are permitted to deliver (or cause to be delivered) to the Issuer hereunder. The Holders shall have an unlimited number of Demand Registration Requests with respect to Short-Form Registrations which they are permitted to deliver (or cause to be delivered) to the Issuer hereunder.

If the Issuer shall give any notice of postponement or withdrawal of any registration statement pursuant to clause (ii) above, the Issuer shall not register any equity security of the Issuer during the period of postponement or withdrawal. Each Holder of Registrable Securities agrees that, upon receipt of any notice from the Issuer that the Issuer has determined to withdraw any registration statement pursuant to clause (ii) above, such Holder will discontinue its disposition of Registrable Securities pursuant to such registration statement. If the Issuer shall have withdrawn or prematurely terminated a registration statement filed under Section 2.1(a)(i), the Issuer shall not be considered to have effected an effective registration for the purposes of this Agreement until the Issuer shall have filed a new registration statement covering the Registrable Securities covered by the withdrawn registration statement and such registration statement shall have been declared effective and shall not have been withdrawn. If the Issuer shall give any notice of withdrawal or postponement of a registration statement, at such time as the Valid Business Reason that caused such withdrawal or postponement no longer exists (but in no event more than 90 days after the date of the postponement or withdrawal), the Issuer shall use its commercially reasonable efforts to effect the registration under the Securities Act of the Registrable Securities covered by the withdrawn or postponed registration statement in accordance with this Section 2.1.

(e) The Issuer, subject to Sections 2.3 and 2.6, may elect to include in any registration statement and offering made pursuant to Section 2.1(a)(i), (i) authorized but unissued

Common Units of the Partnership and (ii) any other Common Units that are requested to be included in such registration pursuant to the exercise of piggyback rights granted by the Issuer that are not inconsistent with the rights granted in, or otherwise conflict with the terms of, this Agreement (“Additional Piggyback Rights”); provided, however, that such inclusion shall be permitted only to the extent pursuant to and subject to the terms of the underwriting agreement or arrangements, if any, entered into by the Participating Holders.

(f) A Holder may withdraw its Registrable Securities from a Demand Registration at any time. If all such Holders do so, the Issuer shall cease all efforts to secure registration and such registration nonetheless shall be deemed a Demand Registration for purposes of this Section 2.1 unless (i) the withdrawal is made following withdrawal or postponement of such registration by the Issuer pursuant to a Valid Business Reason as contemplated by Section 2.1(d), (ii) the withdrawal is based on the reasonable determination of the Holders who requested such registration that there has been, since the date of the Demand Registration Request, a material adverse change in the business or prospects of the Issuer or (iii) the Holders who requested such registration shall have paid or reimbursed the Issuer for all of the reasonable out-of-pocket fees and expenses incurred by the Issuer in connection with the withdrawn registration.

(g) A Demand Registration shall not be deemed to have been effected and shall not count as such (i) unless a registration statement with respect thereto has become effective and has remained effective for a period of at least 180 days or such shorter period during which all Registrable Securities covered by such Registration Statement either (x) have been sold or withdrawn, (y) cease to be Registrable Securities or, (z) if such Registration Statement relates to an underwritten offering, such longer period as, in the opinion of counsel for the underwriter(s), is required by law for delivery of a prospectus in connection with the sale of Registrable Securities by an underwriter or dealer, (ii) if, after the registration statement with respect thereto has become effective, it becomes subject to any stop order, injunction or other order or requirement of the SEC or other governmental agency or court for any reason, (iii) if it is withdrawn by the Issuer pursuant to a Valid Business Reason as contemplated by Section 2.1(d) or (iv) if the conditions to closing specified in the purchase agreement or underwriting agreement entered into in connection with such Demand Registration are not satisfied, other than solely by reason of some act or omission of the Participating Holders.

(h) In connection with any Demand Registration, the Majority Participating Holders may designate the lead managing underwriter in connection with such registration and each other managing underwriter for such registration, provided, that, in each case, each such underwriter is reasonably satisfactory to the Issuer. Notwithstanding the foregoing, the Issuer will have the right to designate the underwriters in connection with any registration of equity securities to be sold for the account of any Issuer.

Section 2.2 Piggyback Registrations.

(a) If, at any time, the Issuer proposes or is required to register any Registrable Securities under the Securities Act (other than pursuant to (i) registrations on such form or similar forms solely for registration of securities in connection with an employee benefit plan or dividend reinvestment plan; (ii) a Demand Registration under Section 2.1; or (iii) in connection with registrations relating to an IPO (other than a Registration Statement on Form S-4, Form S-8 or any

successor forms thereto), (x) if the equity securities so registered or proposed to be registered in such IPO are solely on account of the Issuer and do not include equity securities of any other party and (y) none of the proceeds from any such IPO will be paid (including by dividend, distribution, loan repayment or otherwise) to any MCRC Party or any of its Affiliates other than the Issuer or any of its wholly-owned subsidiaries (any such IPO, a “Non-Piggyback IPO”) on a registration statement on Form S-1 or Form S-11 or Form S-3, as applicable, or an equivalent general registration form then in effect, as applicable, whether or not for its own account (except as otherwise provided herein) (a “Piggyback Registration”), the Issuer shall give prompt written notice of their intention to do so to each Holder of record of Registrable Securities. Upon the written request of any such Holder, made within 15 days following the receipt of any such written notice (which request shall specify the maximum number of Registrable Securities intended to be disposed of by such Holder and the intended method of distribution thereof), the Issuer, subject to Sections 2.2(b), 2.3 and 2.6, shall use commercially reasonable efforts to cause all such Registrable Securities to be included in the registration statement with the securities that the Issuer at the time proposes to register to permit the sale or other disposition by the Holders in accordance with the intended method of distribution thereof of the Registrable Securities to be so registered. No registration of Registrable Securities effected under this Section 2.2(a) shall relieve the Issuer of its obligations to effect Demand Registrations under Section 2.1.

(b) If, at any time after giving written notice of the Issuer’s intention to register any equity securities and prior to the effective date of the registration statement filed in connection with such registration, the Issuer shall determine for any reason not to register or to delay registration of such equity securities, the Issuer will give written notice of such determination to each Holder of record of Registrable Securities and (i) in the case of a determination not to register, shall be relieved of their obligation to register any Registrable Securities in connection with such abandoned registration, without prejudice, however, to the rights of Holders under Section 2.1 and (ii) in the case of a determination to delay such registration of their equity securities, shall be permitted to delay the registration of such Registrable Securities for the same period as the delay in registering such other equity securities.

(c) Any Holder shall have the right to withdraw its request for inclusion of its Registrable Securities in any registration statement pursuant to this Section 2.2 by giving written notice to the Issuer of its request to withdraw. Such request must be made in writing prior to the earlier of the execution of the underwriting agreement or the execution of the custody agreement with respect to such registration. Such withdrawal shall be irrevocable and, after making such withdrawal, a Holder shall no longer have any right to include Registrable Securities in the registration as to which such withdrawal was made.

Section 2.3 Priority in Registrations.

(a) If any requested registration made pursuant to Section 2.1 involves an underwritten offering and the lead managing underwriter of such offering (the “Manager”) shall advise the Issuer that, in its view, the number of securities requested to be included in such registration by the Holders of Registrable Securities or any other persons, including those Registrable Securities requested by the Issuer to be included in such registration, exceeds the largest number (the “Section 2.3(a) Sale Number”) that can be sold in an orderly manner in such

offering within a price range acceptable to the Majority Participating Holders, the Issuer shall use commercially reasonable efforts to include in such registration:

(i) first, all Registrable Securities requested to be included in such registration by the Holders thereof provided, however, that, if the number of such Registrable Securities exceeds the Section 2.3(a) Sale Number, the number of such Registrable Securities (not to exceed the Section 2.3(a) Sale Number) to be included in such registration shall be allocated on a pro rata basis among all Holders requesting that Registrable Securities be included in such registration, based on the number of Registrable Securities then owned by each such Holder requesting inclusion in relation to the number of Registrable Securities owned by all Holders requesting inclusion;

(ii) second, to the extent that the number of securities to be included pursuant to clause (i) of this Section 2.3(a) is less than the Section 2.3(a) Sale Number, the remaining units to be included in such registration shall be allocated on a pro rata basis among all Holders requesting that securities be included in such registration pursuant to the exercise of Additional Piggyback Rights ("Piggyback Units"), based on the aggregate number of Piggyback Units then owned by each Holder requesting inclusion in relation to the aggregate number of Piggyback Units owned by all Holders requesting inclusion, up to the Section 2.3(a) Sale Number; and

(iii) third, to the extent that the number of securities to be included pursuant to clauses (i) and (ii) of this Section 2.3(a) is less than the Section 2.3(a) Sale Number, any securities that the Issuer proposes to register, up to the Section 2.3(a) Sale Number.

If, as a result of the proration provisions of this Section 2.3(a), any Holder shall not be entitled to include all Registrable Securities in a registration that such Holder has requested be included, such Holder may elect to withdraw its request to include Registrable Securities in such registration or may reduce the number requested to be included; provided, however, that (A) such request must be made in writing prior to the earlier of the execution of the underwriting agreement or the execution of the custody agreement with respect to such registration and (B) such withdrawal shall be irrevocable and, after making such withdrawal, such Holder shall no longer have any right to include Registrable Securities in the registration as to which such withdrawal was made.

(b) If any registration pursuant to Section 2.2 involves an underwritten offering that was proposed by the Issuer and the Manager shall advise the Issuer that, in its view, the number of securities requested to be included in such registration exceeds the number (the "Section 2.3(b) Sale Number") that can be sold in an orderly manner in such registration within a price range acceptable to the Issuer, the Issuer shall include in such registration:

(i) first, all Registrable Securities that the Issuer proposes to register, or in the event of an IPO other than a Non-Piggyback IPO, the units to be allocated in such registration shall be allocated on a pro rata basis among the Issuer, if any, and all holders requesting that Registrable Securities or Piggyback Units be included in such registration pursuant to the exercise of piggyback rights pursuant to Section 2.2 of this Agreement or Additional Piggyback Rights, based on the aggregate number of Registrable Securities and Piggyback Units then owned by each

holder requesting inclusion in relation to the aggregate number of Registrable Securities and Piggyback Units owned by all holders requesting inclusion and by the Issuer, up to the Section 2.3(b) Sale Number; and

(ii) second, to the extent that the number of securities to be included pursuant to clause (i) of this Section 2.3(b) is less than the Section 2.3(b) Sale Number, the remaining units to be included in such registration shall be allocated on a pro rata basis among all holders requesting that Registrable Securities or Piggyback Units be included in such registration pursuant to the exercise of piggyback rights pursuant to Section 2.2 of this Agreement or Additional Piggyback Rights, based on the aggregate number of Registrable Securities and Piggyback Units then owned by each holder requesting inclusion in relation to the aggregate number of Registrable Securities and Piggyback Units owned by all holders requesting inclusion, up to the Section 2.3(b) Sale Number.

(c) If any registration pursuant to Section 2.2 involves an underwritten offering that was proposed by Holders of securities of the Issuer that have the right to require such registration pursuant to an agreement entered into by the Issuer in accordance with Section 3.3 (“Additional Demand Rights”) and the Manager shall advise the Issuer that, in its view, the number of securities requested to be included in such registration exceeds the number (the “Section 2.3(c) Sale Number”) that can be sold in an orderly manner in such registration within a price range acceptable to the Issuer, the Issuer shall include in such registration:

(i) first, all securities requested to be included in such registration by the holders of Additional Demand Rights (“Additional Registrable Securities”); provided, however, that, if the number of such Additional Registrable Securities exceeds the Section 2.3(c) Sale Number, the number of such Additional Registrable Securities (not to exceed the Section 2.3(c) Sale Number) to be included in such registration shall be allocated on a pro rata basis among all holders of Additional Registrable Securities requesting that Additional Registrable Securities be included in such registration, based on the number of Additional Registrable Securities then owned by each such holder requesting inclusion in relation to the number of Additional Registrable Securities owned by all of such holders requesting inclusion;

(ii) second, to the extent that the number of securities to be included pursuant to clause (i) of this Section 2.3(c) is less than the Section 2.3(c) Sale Number, any Preferred Units that the Issuer proposes to register for its own account, up to the Section 2.3(c) Sale Number; and

(iii) third, to the extent that the number of securities to be included pursuant to clauses (i) and (ii) of this Section 2.3(c) is less than the Section 2.3(c) Sale Number, the remaining units to be included in such registration shall be allocated on a pro rata basis among all holders requesting that Registrable Securities or Piggyback Units be included in such registration pursuant to the exercise of piggyback rights pursuant to Section 2.2 or Additional Piggyback Rights, based on the aggregate number of Registrable Securities and Piggyback Units then owned by each holder requesting inclusion in relation to the aggregate number of Registrable Securities and Piggyback Units owned by all holders requesting inclusion, up to the Section 2.3(c) Sale Number.

Section 2.4 Registration Procedures. Whenever the Issuer is required by the provisions of this Agreement to use commercially reasonable efforts to effect or cause the registration of any Registrable Securities under the Securities Act as provided in this Agreement, the Issuer as expeditiously as possible:

(a) shall prepare and file with the SEC the requisite registration statement, which shall comply as to form in all material respects with the requirements of the applicable form and shall include all financial statements required by the SEC to be filed therewith, and use commercially reasonable efforts to cause such registration statement to become and remain effective (provided, however, that before filing a registration statement or prospectus or any amendments or supplements thereto, or comparable statements under securities or blue sky laws of any jurisdiction, or any Issuer Free Writing Prospectus related thereto, the Issuer will furnish to one counsel for the Holders participating in the planned offering (selected by the Majority Participating Holders) and the lead managing underwriter, if any, copies of all such documents proposed to be filed (including all exhibits thereto), which documents will be subject to the reasonable review and reasonable comment of such counsel, and the Issuer shall not file any registration statement or amendment thereto, any prospectus or supplement thereto or any Issuer Free Writing Prospectus related thereto to which the holders of a majority of the Registrable Securities covered by such registration statement or the underwriters, if any, shall reasonably object);

(b) shall prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for such period as any seller of Registrable Securities pursuant to such registration statement shall request and to comply with the provisions of the Securities Act with respect to the sale or other disposition of all Registrable Securities covered by such registration statement in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such registration statement;

(c) shall furnish, without charge, to each seller of such Registrable Securities and each underwriter, if any, of the securities covered by such registration statement such number of copies of such registration statement, each amendment thereto, the prospectus included in such registration statement, each preliminary prospectus and each Issuer Free Writing Prospectus utilized in connection therewith, all in conformity with the requirements of the Securities Act, and such other documents as such seller and underwriter reasonably may request in order to facilitate the public sale or other disposition of the Registrable Securities owned by such seller, and shall consent to the use in accordance with all applicable law of each such registration statement, each amendment thereto, each such prospectus, preliminary prospectus or Issuer Free Writing Prospectus by each such seller of Registrable Securities and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such registration statement or prospectus;

(d) shall use commercially reasonable efforts to register or qualify the Registrable Securities covered by such registration statement under such other securities or "blue sky" laws of such jurisdictions as any sellers of Registrable Securities or any managing underwriter, if any, reasonably shall request, and do any and all other acts and things that may be reasonably necessary or advisable to enable such sellers or underwriter, if any, to consummate the

disposition of the Registrable Securities in such jurisdictions, except that in no event shall any Issuer be required to qualify to do business as a foreign corporation in any jurisdiction where, but for the requirements of this Section 2.4(d), it would not be required to be so qualified, to subject itself to taxation in any such jurisdiction or to consent to general service of process in any such jurisdiction;

(e) shall promptly notify each Holder selling Registrable Securities covered by such registration statement and each managing underwriter, if any:

(i) when the registration statement, any pre-effective amendment, the prospectus or any prospectus supplement related thereto, any post-effective amendment to the registration statement or any Issuer Free Writing Prospectus has been filed and, with respect to the registration statement or any post-effective amendment, when the same has become effective;

(ii) of any request by the SEC or state securities authority for amendments or supplements to the registration statement or the prospectus related thereto or for additional information;

(iii) of the issuance by the SEC of any stop order suspending the effectiveness of the registration statement or the initiation of any proceedings for that purpose;

(iv) of the receipt by the Issuer of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the securities or blue sky laws of any jurisdiction or the initiation of any proceeding for such purpose;

(v) of the existence of any fact of which the Issuer becomes aware which results in the registration statement, the prospectus related thereto, any document incorporated therein by reference, any Issuer Free Writing Prospectus or the information conveyed to any purchaser at the time of sale to such purchaser containing an untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make any statement therein not misleading; and

(vi) if at any time the representations and warranties contemplated by any underwriting agreement, securities sale agreement, or other similar agreement, relating to the offering shall cease to be true and correct in all material respects; and, if the notification relates to an event described in clause (v), the Issuer, subject to the provisions of Section 2.1(d), promptly shall prepare and file with the SEC, and furnish to each seller and each underwriter, if any, a reasonable number of copies of, a prospectus supplemented or amended so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in the light of the circumstances under which they were made not misleading;

(f) shall comply with all applicable rules and regulations of the SEC, and make generally available to its security holders, as soon as reasonably practicable after the effective date of the registration statement (and in any event within 90 days after the end of such 12 month period described hereafter), an earnings statement, which need not be audited, covering the period of at least 12 consecutive months beginning with the first day of the Issuer's first calendar quarter after

the effective date of the registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(g) shall use commercially reasonable efforts to cause all Registrable Securities covered by such registration statement to be authorized to be listed on a national securities exchange if units of the particular class of Registrable Securities are at that time, or will be immediately following the offering, listed on such exchange;

(h) shall provide and cause to be maintained a transfer agent and registrar for all such Registrable Securities covered by such registration statement not later than the effective date of such registration statement;

(i) shall enter into such customary agreements (including, if applicable, an underwriting agreement) and take such other actions as the Majority Participating Holders shall reasonably request in order to expedite or facilitate the disposition of such Registrable Securities (it being understood that the Holders of the Registrable Securities that are to be distributed by any underwriters shall be parties to any such underwriting agreement and may, at their option, require that the Issuer make to and for the benefit of such Holders the representations, warranties and covenants of the Issuer which are being made to and for the benefit of such underwriters);

(j) shall use commercially reasonable efforts to obtain an opinion from the Issuer's counsel and a "cold comfort" letter from the Issuer's independent public accountants in customary form and covering such matters as are customarily covered by such opinions and "cold comfort" letters delivered to underwriters in underwritten public offerings, which opinion and letter shall be reasonably satisfactory to the underwriter, if any;

(k) shall use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of the registration statement;

(l) shall provide a CUSIP number for all Registrable Securities, not later than the effective date of the registration statement;

(m) shall make reasonably available its employees and personnel for participation in "road shows" and other marketing efforts and otherwise provide reasonable assistance to the underwriters, taking into account the needs of the Issuer's businesses and the requirements of the marketing process, in the marketing of Registrable Securities in any underwritten offering;

(n) shall promptly prior to the filing of any document that is to be incorporated by reference into the registration statement or the prospectus, and prior to the filing of any Issuer Free Writing Prospectus, provide copies of such document to counsel for the selling holders of Registrable Securities and to each managing underwriter, if any, and make the Issuer's representatives reasonably available for discussion of such document and make such changes in such document concerning the selling holders prior to the filing thereof as counsel for such selling holders or underwriters may reasonably request;

(o) shall cooperate with the sellers of Registrable Securities and the managing underwriter, if any, to facilitate the timely preparation and delivery of certificates not bearing any

restrictive legends representing the Registrable Securities to be sold, and cause such Registrable Securities to be issued in such denominations and registered in such names in accordance with the underwriting agreement prior to any sale of Registrable Securities to the underwriters or, if not an underwritten offering, in accordance with the instructions of the sellers of Registrable Securities at least three Business Days prior to any sale of Registrable Securities and instruct any transfer agent and registrar of Registrable Securities to release any stop transfer orders in respect thereof;

(p) shall take all such other commercially reasonable actions as are necessary or advisable in order to expedite or facilitate the disposition of such Registrable Securities;

(q) shall not take any direct or indirect action prohibited by Regulation M under the Exchange Act;

(r) shall cooperate with each seller of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA; and

(s) shall take all reasonable action to ensure that any Issuer Free Writing Prospectus utilized in connection with any registration covered by Section 2.1 or 2.2 complies in all material respects with the Securities Act, is filed in accordance with the Securities Act to the extent required thereby, is retained in accordance with the Securities Act to the extent required thereby and, when taken together with the related prospectus, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

To the extent the Issuer is a well-known seasoned issuer as defined in Rule 405 under the Securities Act (a "WKSI") at the time any Demand Registration Request is submitted to the Issuer, and such Demand Registration Request requests that the Issuer file an automatic shelf registration statement on Form S-3, the Issuer shall file an automatic shelf registration statement that covers those Registrable Securities that are requested to be registered. The Issuer shall use commercially reasonable efforts to remain a WKSI and not become an ineligible issuer (as defined in Rule 405 under the Securities Act) during the period during which such automatic shelf registration statement is required to remain effective. If the Issuer does not pay the filing fee covering the Registrable Securities at the time the automatic shelf registration statement is filed, the Issuer shall pay such fee at such time or times as the Registrable Securities are to be sold. If the automatic shelf registration statement has been outstanding for at least three years, at the end of the third year the Issuer shall refile a new automatic shelf registration statement covering the Registrable Securities. If at any time when the Issuer is required to re-evaluate its WKSI status, the Issuer determines that it is not a WKSI, the Issuer shall use commercially reasonable efforts to refile the shelf registration statement on Form S-3 and, if such form is not available, Form S-1 or S-11, as applicable, and keep such registration statement effective during the period during which such registration statement is required to be kept effective.

Notwithstanding anything contained herein to the contrary, the Issuer shall be entitled to exclude from the shelf registration statement such Registrable Securities as the Issuer and their securities counsel reasonably determine (in consultation with the Majority Participating Holders and their securities counsel) is reasonably necessary for the offering to qualify as a

secondary (rather than a primary) offering pursuant to Rule 415 under the Securities Act in response to comments from the staff of the SEC. To the extent any Registrable Securities are so excluded, the Issuer agrees to register such excluded securities in accordance with Section 2.1 promptly when eligible to do so under applicable federal securities laws, rules, regulations and policies, as the Issuer and their securities counsel reasonably determine (in consultation with the Majority Participating Holders and their securities counsel).

If the Issuer files any shelf registration statement for the benefit of the holders of any of its securities other than the Holders, the Issuer shall include in such registration statement such disclosures as may be required by Rule 430B under the Securities Act, referring to the unnamed selling security holders in a generic manner by identifying the initial offering of the securities to the Holders, in order to ensure that the Holders may be added to such shelf registration statement at a later time through the filing of a prospectus supplement rather than a post-effective amendment.

The Issuer may require as a condition precedent to the Issuer's obligations under this Section 2.4 that each seller of Registrable Securities as to which any registration is being effected furnish the Issuer such information in writing regarding such seller and the distribution of such Registrable Securities as the Issuer from time to time reasonably may request; provided, that such information is necessary for the Issuer to consummate such registration and shall be used only in connection with such registration.

Each seller of Registrable Securities agrees that upon receipt of any notice from the Issuer under Section 2.4(e)(v), such seller will discontinue such seller's disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until such seller's receipt of the copies of the supplemented or amended prospectus. In the event the Issuer shall give any such notice, the applicable period set forth in Section 2.4(b) shall be extended by the number of days during such period from and including the date of the giving of such notice to and including the date when each seller of any Registrable Securities covered by such registration statement shall have received the copies of the supplemented or amended prospectus.

If any such registration statement or comparable statement under "blue sky" laws refers to any Holder by name or otherwise as the Holder of any securities of the Issuer, such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder and the Issuer, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the Issuer's securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Issuer or (ii) in the event that such reference to such Holder by name or otherwise is not in the judgment of the Issuer, as advised by counsel, required by the Securities Act or any similar federal statute or any state "blue sky" or securities law then in force, the deletion of the reference to such Holder.

Section 2.5 Registration Expenses.

(a) The Issuer shall pay all Registration Expenses (i) with respect to any Demand Registration whether or not it becomes effective or remains effective for the period contemplated by Section 2.4(b) and (ii) with respect to any registration effected under Section 2.2.

(b) Notwithstanding the foregoing, (i) the provisions of this Section 2.5 shall be deemed amended to the extent necessary to cause these expense provisions to comply with “blue sky” laws of each state in which the offering is made, (ii) in connection with any registration hereunder, each Holder of Registrable Securities being registered shall pay all underwriting discounts and commissions and any transfer taxes, if any, attributable to the sale of such Registrable Securities, pro rata with respect to payments of discounts and commissions in accordance with the number of units or other equity securities sold in the offering by such Holder and (iii) the Issuer shall, in the case of all registrations under this Article II, be responsible for all their internal expenses.

Section 2.6 Underwritten Offerings.

(a) If requested by the underwriters for any underwritten offering by the Holders pursuant to a registration requested under Section 2.1, the Issuer shall enter into a customary underwriting agreement with the underwriters. Such underwriting agreement shall be satisfactory in form and substance to the Majority Participating Holders and shall contain such representations and warranties by, and such other agreements on the part of, the Issuer and such other terms as are generally prevailing in agreements of that type. Any Holder participating in the offering shall be a party to such underwriting agreement and, at its option, may require that any or all of the representations and warranties by, and the other agreements on the part of, the Issuer to and for the benefit of such underwriters also shall be made to and for the benefit of such Holder and that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement be conditions precedent to the obligations of such Holder; provided, however, that the Issuer shall not be required to make any representations or warranties with respect to written information specifically provided by a selling Holder for inclusion in the registration statement. No Holder shall be required to make any representations or warranties to or agreements with the Issuer or the underwriters other than representations, warranties or agreements regarding such Holder, its ownership of and title to the Registrable Securities and its intended method of distribution; and any liability of such Holder to any underwriter or other Person under such underwriting agreement shall be limited to liability arising from breach of its representations and warranties and shall be limited to an amount equal to the proceeds (net of expenses and underwriting discounts and commissions) that it derives from such registration.

(b) In the case of a registration pursuant to Section 2.2, if the Issuer shall have determined to enter into an underwriting agreement in connection therewith, any Registrable Securities to be included in such registration shall be subject to such underwriting agreement. Any Holder participating in such registration may, at its option, require that any or all of the representations and warranties by, and the other agreements on the part of, the Issuer to and for the benefit of such underwriters shall also be made to and for the benefit of such Holder and that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement be conditions precedent to the obligations of such Holder. No Holder shall be required to make any representations or warranties to or agreements with the Issuer or the underwriters other than representations, warranties or agreements regarding such Holder, its ownership of and title to the Registrable Securities and its intended method of distribution; and any liability of such Holder to any underwriter or other Person under such underwriting agreement shall be limited to liability arising from breach of its representations and warranties and shall be

limited to an amount equal to the proceeds (net of expenses and underwriting discounts and commissions) that it derives from such registration.

(c) In the case of any registration under Section 2.1 pursuant to an underwritten offering, or, in the case of a registration under Section 2.2, if the Issuer has determined to enter into an underwriting agreement in connection therewith, all securities to be included in such registration shall be subject to an underwriting agreement and no Person may participate in such registration unless such Person agrees to sell such Person's securities on the basis provided therein and, subject to the provisions of this Section 2.6, completes and executes all reasonable questionnaires, and other documents, including custody agreements and powers of attorney, that must be executed in connection therewith, and provides such other information to the Issuer or the underwriter as may be necessary to register such Person's securities.

Section 2.7 Holdback Agreements.

(a) Each seller of Registrable Securities agrees, to the extent requested in writing by a managing underwriter, if any, of any registration effected pursuant to Section 2.1, not to sell, transfer or otherwise dispose of, including any sale pursuant to Rule 144 under the Securities Act, any Preferred Units, or any other equity security of the Issuer or any security convertible into or exchangeable or exercisable for any equity security of the Issuer other than as part of such underwritten public offering during the time period reasonably requested by the managing underwriter, not to exceed 90 days.

(b) The Issuer agrees that, if they shall previously have received a request for registration pursuant to Section 2.1 or 2.2, and if such previous registration shall not have been withdrawn or abandoned, they shall not sell, transfer or otherwise dispose of any Preferred Units, or any other equity security of the Issuer or any security convertible into or exchangeable or exercisable for any equity security of the Issuer (other than as part of such underwritten public offering, a registration on Form S-4 or Form S-8 or any successor or similar form which is then in effect or upon the conversion, exchange or exercise of any then outstanding Preferred Unit Equivalents), until a period of 90 days (180 days in connection with a registration hereunder that is an IPO) shall have elapsed from the effective date of such previous registration; and the Issuer shall so provide in any registration rights agreements hereafter entered into with respect to any of its securities.

Section 2.8 No Required Sale. Nothing in this Agreement shall be deemed to create an independent obligation on the part of any Holder to sell any Registrable Securities pursuant to any effective registration statement.

Section 2.9 Indemnification.

(a) In the event of any registration of any securities of the Issuer under the Securities Act pursuant to this Article II, the Issuer will, and hereby agrees to, indemnify and hold harmless, to the fullest extent permitted by law, each Holder of Registrable Securities, its directors, officers, fiduciaries, employees, agents, affiliates, consultants, representatives, general and limited partners, stockholders, successors, assigns (and the directors, officers, employees and stockholders thereof), and each other Person, if any, who controls such Holder within the meaning of the

Securities Act, from and against any and all losses, claims, damages or liabilities, joint or several, actions or proceedings (whether commenced or threatened) and expenses (including reasonable fees of counsel and any amounts paid in any settlement effected with the Issuer's consent, which consent shall not be unreasonably withheld or delayed) to which each such indemnified party may become subject under the Securities Act or otherwise in respect thereof (collectively, "Losses"), insofar as such Losses arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in any registration statement under which such securities were registered under the Securities Act or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary, final or summary prospectus or any amendment or supplement thereto, together with the documents incorporated by reference therein, or any Issuer Free Writing Prospectus utilized in connection therewith, or the omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and the Issuer will reimburse any such indemnified party for any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such Loss as such expenses are incurred; provided, however, that the Issuer shall not be liable to any such indemnified party in any such case to the extent such Loss arises out of or is based upon any untrue statement or alleged untrue statement of a material fact or omission or alleged omission of a material fact made in such registration statement or amendment thereof or supplement thereto or in any such prospectus or any preliminary, final or summary prospectus or Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Issuer by or on behalf of such indemnified party specifically for use therein. Such indemnity and reimbursement of expenses shall remain in full force and effect regardless of any investigation made by or on behalf of such indemnified party and shall survive the transfer of such securities by such Holder.

(b) Each Holder of Registrable Securities that are included in the securities as to which any registration under Section 2.1 or 2.2 is being effected shall, severally and not jointly, indemnify and hold harmless (in the same manner and to the same extent as set forth in paragraph (a) of this Section 2.9) to the extent permitted by law the Issuer, their officers and directors, each Person controlling the Issuer within the meaning of the Securities Act and all other prospective sellers and their respective directors, officers, fiduciaries, employees, agents, affiliates, consultants, representatives, general and limited partners, stockholders, successors, assigns and respective controlling Persons with respect to any untrue statement or alleged untrue statement of any material fact in, or omission or alleged omission of any material fact from, such registration statement, any preliminary, final or summary prospectus contained therein, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus utilized in connection therewith, if such statement or alleged statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Issuer or its representatives by or on behalf of such Holder specifically for use therein and reimburse such indemnified party for any legal or other expenses reasonably incurred in connection with investigating or defending any such Loss as such expenses are incurred; provided, however, that the aggregate amount that any such Holder shall be required to pay pursuant to this Section 2.9(b) and Sections 2.9(c), (e) and (f) shall in no case be greater than the amount of the net proceeds received by such Holder upon the sale of the Registrable Securities pursuant to the registration statement giving rise to such claim. Such indemnity and reimbursement of expenses shall remain in full force and effect regardless of any

investigation made by or on behalf of such indemnified party and shall survive the transfer of such securities by such Holder.

(c) Any Person entitled to indemnification under this Agreement promptly shall notify the indemnifying party in writing of the commencement of any action or proceeding with respect to which a claim for indemnification may be made pursuant to this Section 2.9, but the failure of any such Person to provide such notice shall not relieve the indemnifying party of its obligations under the preceding paragraphs of this Section 2.9, except to the extent the indemnifying party is materially prejudiced thereby and shall not relieve the indemnifying party from any liability that it may have to any such Person otherwise than under this Article II. In case any action or proceeding is brought against an indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, unless in the reasonable opinion of outside counsel to the indemnified party a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim, to assume the defense thereof jointly with any other indemnifying party similarly notified, to the extent that it chooses, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party that it so chooses, the indemnifying party shall not be liable to such indemnified party for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided, however, that (i) if the indemnifying party fails to take reasonable steps necessary to defend diligently the action or proceeding within 20 days after receiving notice from such indemnified party, (ii) if such indemnified party who is a defendant in any action or proceeding that is also brought against the indemnifying party reasonably shall have concluded that there may be one or more legal defenses available to such indemnified party that are not available to the indemnifying party or (iii) if representation of both parties by the same counsel is otherwise inappropriate under applicable standards of professional conduct, then, in any such case, the indemnified party shall have the right to assume or continue its own defense as set forth above (but with no more than one firm of counsel for all indemnified parties in each jurisdiction, except to the extent any indemnified party or parties reasonably shall have concluded that there may be legal defenses available to such party or parties that are not available to the other indemnified parties or to the extent representation of all indemnified parties by the same counsel is otherwise inappropriate under applicable standards of professional conduct) and the indemnifying party shall be liable for any expenses therefor. Without the written consent of the indemnified party, which consent shall not be unreasonably withheld, no indemnifying party shall effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder, whether or not the indemnified party is an actual or potential party to such action or claim, unless such settlement, compromise or judgment (A) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (B) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If for any reason the foregoing indemnity is unavailable or is insufficient to hold harmless an indemnified party under Section 2.9(a), (b) or (c), then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of any Loss in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and the indemnified party, on the other hand, with respect to such offering of securities. The

relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. If, however, the allocation provided in the second preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative faults but also the relative benefits of the indemnifying party and the indemnified party as well as any other relevant equitable considerations. The parties hereto agree that it would not be just and equitable if contributions pursuant to this Section 2.9(d) were to be determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the preceding sentences of this Section 2.9(d). The amount paid or payable in respect of any Loss shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such Loss. No Person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. Notwithstanding anything in this Section 2.9(d) to the contrary, no indemnifying party other than the Issuer shall be required pursuant to this section 2.9(d) to contribute any amount in excess of the net proceeds received by such indemnifying party from the sale of Registrable Securities in the offering to which the losses, claims, damages or liabilities of the indemnified parties relate, less the amount of any indemnification payment made by such indemnifying party pursuant to Sections 2.9(b) and (c).

(e) The indemnity and contribution agreements contained herein shall be in addition to any other rights to indemnification or contribution which any indemnified party may have pursuant to law or contract and shall remain operative and in full force and effect regardless of any investigation made or omitted by or on behalf of any indemnified party and shall survive the transfer of the Registrable Securities by any such party.

(f) The indemnification and contribution required by this Section 2.9 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred.

ARTICLE III GENERAL

Section 3.1 Rule 144. The Issuer covenants that (a) upon such time as it becomes, and so long as it remains, subject to the reporting provisions of the Exchange Act, it will timely file the reports required to be filed by it under the Securities Act or the Exchange Act or, if it is not required to file such reports, upon the request of any Holder it shall make publicly available other information so long as necessary to permit sales of such Registrable Securities in compliance with Rule 144 under the Securities Act and (b) it will take such further action as any Holder of Registrable Securities reasonably may request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (i) Rule 144 under the Securities Act, as such Rule may be amended from time to time, or (ii) any similar rule or regulation hereafter adopted by the SEC.

Upon the request of any Holder of Registrable Securities, the Issuer will deliver to such Holder a written statement as to whether it has complied with such requirements.

Section 3.2 Nominees for Beneficial Owners. If Registrable Securities are held by a nominee for the beneficial owner thereof, the beneficial owner thereof may, at its option, be treated as the Holder of such Registrable Securities for purposes of any request or other action by any Holder or Holders of Registrable Securities pursuant to this Agreement or any determination of any number or percentage of units constituting Registrable Securities held by any Holder or Holders of Registrable Securities contemplated by this Agreement; provided, that the Issuer shall have received assurances reasonably satisfactory to it of such beneficial ownership.

Section 3.3 No Inconsistent Agreements. The rights granted to the Holders of Registrable Securities hereunder do not in any way conflict with and are not inconsistent with any other agreements to which the MCRC Parties or the MC Partnership Parties are a party or by which they are bound. Without the prior written consent of Holders of a majority of the then outstanding Registrable Securities, the MCRC Parties and the MC Partnership Parties will not enter into any agreement with respect to their securities that is inconsistent with the rights granted in this Agreement or otherwise conflicts with the provisions hereof or provides terms and conditions that are more favorable to, or less restrictive on, the other party thereto than the terms and conditions contained in this Agreement are to the Holders, other than any lock-up agreement with the underwriters in connection with any registered offering effected hereunder, pursuant to which the MC Partnership Parties shall agree not to register for sale, and the MC Partnership Parties shall agree not to sell or otherwise dispose of, Preferred Units, or any securities convertible into or exercisable or exchangeable for Preferred Units, for a specified period following the registered offering. If the MCRC Parties and the MC Partnership Parties enter into any other registration rights agreement with respect to any of their securities that contains terms that are more favorable to, or less restrictive on, the other party thereto than the terms and conditions contained in this Agreement are to the Holders, the terms and conditions of this Agreement shall immediately be deemed to have been amended without further action by the MC Partnership Parties or any of the Holders of Registrable Securities so that the Holders shall each be entitled to the benefit of any such more favorable or less restrictive terms or conditions.

ARTICLE IV MISCELLANEOUS

Section 4.1 Amendment and Waiver.

(a) Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by the MCRC Parties and the MC Partnership Parties and a majority in interest of the Holders or, in the case of a waiver, by the party or parties against whom the waiver is to be effective, in an instrument specifically designated as an amendment or waiver hereto; provided, however, that waiver by the Holders shall require the consent of a majority in interest of the Holders.

(b) No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of

conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies which they would otherwise have hereunder.

Section 4.2 Notices. All notices and other communications hereunder shall be in writing and shall be deemed duly given (a) on the date of delivery if delivered personally, or if by facsimile or e-mail, upon written confirmation of receipt by facsimile, e-mail or otherwise, (b) on the first Business Day following the date of dispatch if delivered utilizing a next-day service by a recognized next-day courier or (c) on the earlier of confirmed receipt or the fifth Business Day following the date of mailing if delivered by registered or certified mail, return receipt requested, postage prepaid. The word "including" and words of similar import when used in this Agreement will mean "including, without limitation," unless otherwise specified. The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to the Agreement as a whole and not to any particular provision in this Agreement. The term "or" is not exclusive. The word "will" shall be construed to have the same meaning and effect as the word "shall." References to days mean calendar days unless otherwise specified.

Section 4.4 Entire Agreement. This Agreement, the Investment Agreements and the Ancillary Agreements constitute the entire agreement, and supersede all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings between the parties with respect to the subject matter hereof and thereof. This Agreement amends and restates the 2017 Registration Rights Agreement in its entirety, and the 2017 Registration Rights Agreement is hereby deemed replaced in its entirety by this Agreement.

Section 4.5 No Third-Party Beneficiaries. Except as provided in Section 2.9, nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties and their respective successors and permitted assigns any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement.

Section 4.6 Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of New York, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of New York (other than Section 5-1401 of the New York General Obligations Law).

Section 4.7 Submission to Jurisdiction. Each of the parties irrevocably agrees that any legal action or proceeding arising out of or relating to this Agreement brought by any other party or its successors or assigns shall be brought and determined in any New York State or federal court sitting in the Borough of Manhattan in The City of New York (or, if such court lacks subject matter jurisdiction, in any appropriate New York State or federal court), and each of the parties hereby irrevocably submits to the exclusive jurisdiction of the aforesaid courts for itself and with respect to its property, generally and unconditionally, with regard to any such action or proceeding arising out of or relating to this Agreement and the transactions contemplated hereby. Each of the parties agrees not to commence any action, suit or proceeding relating thereto except in the courts described above in New York, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in New York as described herein. Each of the parties further agrees that notice as provided herein shall constitute sufficient service of process and the parties further waive any argument that such service is insufficient. Each of the parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, (a) any claim that it is not personally subject to the jurisdiction of the courts in New York as described herein for any reason, (b) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) that (i) the suit, action or proceeding in any such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Agreement, or the subject matter hereof, may not be enforced in or by such courts.

Section 4.8 Assignment; Successors. This Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns. If any Person shall acquire Registrable Securities from any Holder in any manner, whether

by operation of law or otherwise, such Person shall promptly notify the MC Partnership Parties and such Registrable Securities acquired from such Holder shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be entitled to receive the benefits of and be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement. Any such successor or assign shall agree in writing to acquire and hold the Registrable Securities acquired from such Holder subject to all of the terms hereof. If any Holder shall acquire additional Registrable Securities, such Registrable Securities shall be subject to all of the terms, and entitled to all of the benefits, of this Agreement.

Section 4.9 Enforcement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the parties shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in any New York State or federal court sitting in the Borough of Manhattan in The City of New York (or, if such court lacks subject matter jurisdiction, in any appropriate New York State or federal court), this being in addition to any other remedy to which such party is entitled at law or in equity. Each of the parties hereby further waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security as a prerequisite to obtaining equitable relief.

Section 4.10 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

Section 4.11 Alternative IPO Entities. In the event that any MCRC Party or the General Partner elects to effect an underwritten registered offering of equity securities of any of its directly or indirectly owned subsidiaries or any other entity through which it directly or indirectly maintains an interest in the Partnership (excluding any registered offerings of equity securities directly by the Partnership) or if such offering involves the formation of a public UPREIT or an UPREIT beneath a public entity (in either case, collectively, the "Alternative IPO Entities"), rather than the equity securities of the Partnership (provided the applicable MCRC Party or the General Partner has received written consent of the Holders to effect such registered offering in accordance with the terms of the Third Amended and Restated LP Agreement if and to the extent required), the MCRC Parties and the General Partner shall cause the Alternative IPO Entity to enter into an agreement with the Holders that provides the Holders with registration rights with respect to the equity securities of the Alternative IPO Entity that are substantially the same as, and in any event no less favorable in the aggregate to, the registration rights provided to the Holders under this Agreement (including making appropriate provision, if necessary, for any Common Units to be convertible or exchangeable by Holders for substantially similar equity securities of the Alternative IPO Entity).

Section 4.12 Termination. The obligations of the MC Partnership Parties and of any Holder, other than those obligations contained in Section 2.5, Section 2.9 and this Article 4, shall terminate with respect to the MC Partnership Parties and such Holder as soon as such Holder no longer holds any Registrable Securities.

Section 4.13 Waiver of Jury Trial. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 4.14 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

Section 4.15 Facsimile or .pdf Signature. This Agreement may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes

Section 4.16 Time of Essence. Time is of the essence with regard to all dates and time periods set forth or referred to in this Agreement.

Section 4.17 No Presumption Against Drafting Party. Each of the parties hereto acknowledges that it has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

INDEMNITY AGREEMENT

THIS INDEMNITY AGREEMENT (this "Indemnity Agreement") made as of the day of , 20 by and among Rockpoint Growth and Income Real Estate Fund II, L.P., a Delaware limited partnership ("Indemnitor"); Mack-Cali Realty Corporation, a Maryland corporation ("MCRC"); Mack-Cali Realty, L.P., a Delaware limited partnership ("MCRLP"); Mack-Cali Property Trust, a Maryland business trust ("MCPT"); Roseland Residential Trust, a Maryland business trust ("RRT"); and [Mack-Cali Purchaser] (the "Purchaser", and together with MCRC, MCRLP, MCPT and RRT, the "Indemnitees" and each, individually, an "Indemnitee"). Each of the Indemnitor and the Indemnitees is referred to herein individually as a "Party", and collectively, as "Parties."

WITNESSETH:

WHEREAS, RRT, RPIA-RLA Aggregator, L.L.C., a Delaware limited liability company, as successor in interest to RPIA-RLA, L.L.C., a Delaware limited liability company that has elected to be treated as a real estate investment trust for U.S. federal income tax purposes ("Rockpoint Class A Preferred Holder"), RPIA-RLB, L.L.C., a Delaware limited liability company, and MCRLP have entered into that certain Third Amended and Restated Limited Partnership Agreement of Roseland Residential, L.P. (the "Partnership"), dated as of June 28, 2019 (such agreement, including any subsequent amendments thereto, the "LP Agreement"); and

WHEREAS, the Indemnitor is an affiliate of RPIA-RLA, L.L.C., a Delaware limited liability company ("REIT I") and of Rockpoint Growth and Income Upper REIT II-A, L.L.C. ("REIT II"), RPIA-RLA Upsize, L.L.C. ("REIT III") and Rockpoint Growth and Income Upper REIT Upsize II-A, L.L.C. ("REIT IV"), each a Delaware limited liability company that has elected to be treated as a real estate investment trust for U.S. federal income tax purposes (each of REIT I, REIT II, REIT III and REIT IV is referred to herein as a "REIT" and together, the "REITs"); and

WHEREAS, as contemplated in Section 13(f)(iii) of the LP Agreement, Purchaser shall acquire one hundred percent (100%) of the outstanding common equity interests of each REIT (with the sole exception of the common equity interests in a REIT owned by another REIT) (collectively, the "REIT Interests"), from the owners thereof (each owner individually a "Seller" and such owners, collectively, the "Sellers"); and

WHEREAS, as a material inducement to Purchaser's acquiring the REIT Interests (it being recognized and agreed by the Parties that Purchaser would not otherwise acquire the REIT Interests but for Indemnitor's entering into this Indemnity Agreement), the Indemnitor agrees to indemnify the Indemnitees as provided herein.

NOW, THEREFORE, in consideration of the foregoing recitals and the covenants and agreements of the Parties herein contained and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Indemnitor and the Indemnitees hereby agree as follows:

1. Indemnity. Except as otherwise set forth herein (including but not limited to Sections 3(h), 3(i) and 3(j)), Indemnitee shall indemnify and hold harmless each of the Indemnitees, together with the officers, directors, employees, affiliates, successors and permitted assigns of the Indemnitees (collectively, the "Indemnitee Parties" and each, individually, an "Indemnitee Party"), in the event, and to the extent, that any of them shall incur any damage, loss, liability, claim, action, judgment, settlement, interest, award, penalty, fine, cost, U.S. tax, or other expense of any type or kind solely as a result of the failure of any of the specified matters (the "Specified Matters") set forth in Section 2 of this Indemnity Agreement to be true and correct in any material respect as of the date of this Indemnity Agreement (a "Loss"), provided that indemnification in the event of a Loss that is a result of a failure of a Specified Matter set forth in Section 2(e) to be true and correct (i) shall be limited to U.S. taxes, interest, penalties, additions to tax, contest costs, and other reasonable professional fees and expenses and (ii) shall be paid by the Indemnitee on an after-tax basis, and provided further that indemnification for Losses shall not include (A) any incidental, consequential, special and indirect damages except to the extent such damages are actually incurred and were reasonably foreseeable, and (B) any punitive damages and damages based on any multiple of revenue or income unless, and only to the extent, actually awarded by a governmental authority or other third party.

2. Specified Matters. The Specified Matters referred to in Section 1 are as follows:

(a) Each REIT is a limited liability company duly organized, validly existing and in good standing under the Delaware Limited Liability Company Act, as amended. Indemnitee has all necessary limited partnership power and authority to enter into this Indemnity Agreement and to carry out its obligations hereunder. Indemnitee is a limited partnership duly organized, validly existing and in good standing under the Delaware Revised Uniform Limited Partnership Act, as amended. Indemnitee has all necessary right, power and authority to enter into this Indemnity Agreement, and to carry out its obligations hereunder. Each Seller has all necessary right, power and authority to effectuate the sale of its interest in the REIT Interests to Purchaser. The execution and delivery by Indemnitee of this Indemnity Agreement, the performance by Indemnitee of its obligations hereunder and the consummation by each Seller of the sale of its interest in the REIT Interests contemplated hereby have been duly authorized by all requisite actions on the part of Indemnitee and Seller, as applicable. This Indemnity Agreement has been duly executed and delivered by the Indemnitee and constitutes a legal, valid and binding obligation thereof, enforceable against Indemnitee in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding at law or in equity). Each person signing this Indemnity Agreement on behalf of Indemnitee is authorized to do so.

(b) The execution, delivery and performance by Indemnitee of this Indemnity Agreement, and the consummation of the transactions contemplated hereby, does not and will not: (1) result in a violation or breach of any provision of the limited partnership agreement, certificate of incorporation, bylaws, certificate of formation, operating agreement, and/or any other formation, organizational or governing document, as applicable, of Indemnitee, any Seller, or any REIT; (2) result in a violation or breach of any provision of any law or governmental order applicable to Indemnitee, any Seller, or any REIT; or (3) require the consent, notice or other action by any person under, conflict with, result in a violation or breach of, constitute a default under or

result in the acceleration of any agreement to which Indemnitee, any Seller, or any REIT is a party, except in the cases of this clause (3) or clause (2) above, where the violation, breach, conflict, default, acceleration or failure to give notice, obtain consent or take other action would not have a material adverse effect on such Indemnitee's, Seller's, or REIT's ability to consummate the transactions contemplated hereby, and except, in the case of clause (3) above, for any consents, notices or actions that have been or will be duly and timely obtained, given or taken as required. No consent, approval, permit, governmental order, declaration or filing with, or notice to any governmental authority is required by or with respect to Indemnitee in connection with the execution and delivery of this Indemnity Agreement and the consummation of the transactions contemplated hereby other than any that have been or will be duly and timely obtained, received, made or filed as required.

(c) Each Seller has exclusive legal title to, is the sole owner of, and has the unrestricted power, right and authority to sell, convey, transfer, assign and deliver its interest in the REIT Interests free and clear of all encumbrances of any kind or nature. Following the acquisition by Purchaser of the REIT Interests as contemplated herein and in the LP Agreement, Purchaser shall have legal title to, and shall be the exclusive legal and equitable owner of, the REIT Interests free and clear of all encumbrances of any kind or nature (other than any encumbrances arising from acts of the Purchaser or any other Indemnitee).

(d) Other than as expressly set forth in the Transaction Documents (as defined in the LP Agreement), as of the date hereof, each REIT has (i) no material indebtedness or other material liabilities including material contingent liabilities, (ii) in the case of REIT I and REIT III, no material assets other than ownership of a membership interest in Rockpoint Class A Preferred Holder and, (iii) in the case of REIT II and REIT IV, ownership of an interest in REIT I and REIT III, respectively (it being understood that any obligation to return or restore an amount pursuant to Section 9(d) of the LP Agreement shall not be a Specified Matter giving rise to indemnity under this Agreement).

(e) Except as may result from (i) an action expressly permitted in the Transaction Documents, or (ii) any action taken by or at the written request of Indemnitees or their affiliates, each REIT (A) has never been classified as an association taxable as a corporation (other than a corporation that has elected to be treated as a real estate investment trust within the meaning of the Internal Revenue Code of 1986, as amended (the "Code")) for U.S. federal income tax purposes, (B) was eligible to make and timely made an election to be taxed as a real estate investment trust within the meaning of the Code, (C) other than during any period in which it was a disregarded entity or partnership for U.S. federal income tax purposes, for each year of its existence, beginning with its first taxable year, has qualified as a real estate investment trust within the meaning of the Code, (D) has operated in such a manner as to qualify as a real estate investment trust within the meaning of the Code for each such year and through the effective date of the applicable Seller's sale of its interest in the REIT Interests to Purchaser as contemplated herein and in the LP Agreement, and (E) has not taken, omitted to take, or permitted or suffered to be taken any action which would cause such REIT to fail to qualify as a real estate investment trust within the meaning of the Code.

(f) Each of Indemnitee, each Seller, and each REIT has not (i) made a general assignment for the benefit of creditors, (ii) filed any voluntary petition in bankruptcy or suffered

the filing of any involuntary petition by its creditors, (iii) suffered the appointment of a receiver to take possession of all, or substantially all, of its assets, (iv) suffered the attachment or other judicial seizure of all, or substantially all, of its assets, (v) admitted in writing to outside third parties (which, for the avoidance of doubt, shall not be deemed to include internal communications or privileged or confidential communications with counsel, accountants, financial advisors or other consultants, advisors, representatives or agents of any of the Indemnitor, any Seller or any REIT or similar parties acting for or on behalf of the Indemnitor or any Seller or REIT) its inability to pay its debts generally as they come due, or (vi) made an offer of settlement, extension or composition to its creditors generally.

(g) There are no claims, actions, causes of action, demands, lawsuits, arbitrations, inquiries, notice of violations, proceedings, litigations, tax audits, citations, summons, subpoenas or investigations of any nature, civil, criminal, administrative, regulatory or otherwise, whether at law or in equity (each, an "Action") pending or, to Seller's knowledge, threatened in writing against Indemnitor, any Seller, or any REIT (or an affiliate of Indemnitor, any Seller, or any REIT) that would have a material adverse effect on any REIT, on Indemnitor's ability to satisfy its obligations pursuant to this Indemnity Agreement, or on any Seller's ability to sell its interest in the REIT Interests as contemplated herein and in the LP Agreement. To the knowledge of Indemnitor, no event has occurred and no circumstances exist that would be reasonably likely to give rise to, or serve as a basis for, any such Action. There are no outstanding governmental orders and no unsatisfied judgments, penalties or awards against or adversely affecting any REIT or that would otherwise prevent Indemnitor from being able to perform its obligations under this Indemnity Agreement or prevent any Seller from being able to sell its interest in the REIT Interests to Purchaser.

3. Contests.

(a) If the Purchaser, any other Indemnitee or any affiliate thereof receives any written notice of a pending or threatened audit, investigation, inquiry, assessment, proposed adjustment, notice of deficiency, litigation, contest or other dispute that could result in a Loss for which the Indemnitor is obligated to indemnify an Indemnitee under this Indemnity Agreement (a "Claim"), the Purchaser agrees promptly to notify the Indemnitor in writing of such Claim.

(b) Upon written notice from the Indemnitor to the Purchaser within fifteen (15) days after receipt by Indemnitor of the notice referred to in Section 3(a), the Indemnitor or its designee shall have the sole right to represent the REITs in the applicable Claim at the expense of the Indemnitor, with counsel selected by the Indemnitor and in the forum selected by the Indemnitor; provided that in the case of a Claim in respect of Section 2(c), the Indemnitor or its designee shall be entitled so to represent the REITs only in a controversy with the Internal Revenue Service (the "IRS") for a taxable period ending on or before or that includes the date of Purchaser's acquisition of the REIT Interests pursuant to the LP Agreement (the "Purchase Date"); provided that the Purchaser or its designee shall be entitled to assume such representation if upon the Purchaser's request the Indemnitor is not able to demonstrate to the Purchaser's reasonable satisfaction that the Indemnitor has the financial capability to satisfy its obligations hereunder with respect to the applicable Claim. Notwithstanding the foregoing, the Indemnitor shall not be entitled to settle any controversy so conducted by the Indemnitor without the prior written consent of the Purchaser (not unreasonably to be withheld, delayed or conditioned) if such settlement could

(i) adversely affect the tax status or liability of any REIT, any Indemnitee or any affiliate thereof for any taxable period commencing on or after or that includes the Purchase Date or (ii) reasonably be expected to result in a Loss to an Indemnitee for which such Indemnitee would not be indemnified under this Indemnity Agreement.

(c) The Purchaser or its designee shall contest any Claim not contested by the Indemnitor or its designee pursuant to Section 3(b), in good faith at the expense of the Indemnitor (such expenses, including reasonable legal, accounting and investigatory fees and costs, to be paid currently by the Indemnitor), with counsel selected by the Purchaser and in the forum selected by the Purchaser upon written request therefor from the Indemnitor to the Purchaser within thirty (30) days after receipt by the Indemnitor of the notice referred to in Section 3(a) accompanied by proof reasonably satisfactory to the Purchaser that the Indemnitor has the financial capability to satisfy its obligations hereunder with respect to the applicable Claim along with an opinion in form and substance reasonably satisfactory to Purchaser of independent tax counsel or accountants of recognized standing reasonably satisfactory to the Purchaser to the effect that there is substantial authority for the position that the Purchaser seeks to take in the contest of such Claim, provided that (i) the Purchaser shall not be required to pursue any appeal of a judicial decision under this Section 3(c) unless timely so requested in writing by Indemnitor and shall not be obligated to contest any Claim in the U. S. Supreme Court, and (ii) the Indemnitor shall advance to the Purchaser on an interest free basis sufficient funds to pay the applicable tax, interest, penalties and additions to tax to the extent necessary for the contest to proceed in the forum selected by the Purchaser. The Purchaser shall have the sole right to represent the REITs in any controversy with the IRS that does not constitute a Claim or that is solely with respect to taxable periods beginning after the Purchase Date and to employ counsel of its choice at its expense. The Purchaser shall (except to the extent provided in Section 3(d)) have full control over the conduct of any contest under this Section 3(c) but shall keep the Indemnitor informed as to the progress of such contest, shall provide the Indemnitor with all documents and information related to such contest reasonably requested in writing by the Indemnitor (other than tax returns (except for (i) separate company tax returns of any or all REITs or (ii) portions of tax returns that include but are not limited to any or all REITs or information therefrom compiled by the Purchaser) and other confidential information), and shall consider in good faith any suggestions made by the Indemnitor as to the conduct of such contest. Neither the Purchaser nor any REIT or any Indemnitee shall waive or extend the statute of limitations with respect to any taxable year of any REIT ending on or before or that includes the Purchase Date without the prior written consent of the Indemnitor (not unreasonably to be withheld, delayed or conditioned).

(d) Purchaser shall advise Indemnitor in writing of any settlement offer made by the IRS with respect to a controversy being contested pursuant to Section 3(c). Purchaser shall not be entitled to settle or compromise, either administratively or after the commencement of litigation, any controversy conducted by it pursuant to Section 3(c) without the prior written consent of the Indemnitor (not unreasonably to be withheld, delayed or conditioned) if such settlement or compromise (i) would give rise to an obligation of Indemnitor to indemnify an Indemnitee under this Indemnity Agreement (unless Purchaser waives payment of such indemnity) or (ii) could adversely affect the liability of Indemnitor or any direct or indirect owner of Indemnitor for taxes. If the Indemnitor requests in writing that the Purchaser accept a settlement or compromise offer (other than a settlement or compromise offer that would adversely affect the status of any Indemnitee or any affiliate (other than the REITs) as a real estate investment trust for

Federal income tax purposes or a settlement or compromise offer conditioned upon agreement with respect to any matter not indemnified against by Indemnitor under this Indemnity Agreement), the Purchaser shall either accept such settlement offer or agree with the Indemnitor that the liability of the Indemnitor with respect to such Claim under this Indemnity Agreement shall be limited to an amount calculated on the basis of such settlement offer.

(e) Indemnitor shall pay any indemnity amount due under this Indemnity Agreement in respect of a Claim that is contested as set forth in Section 3(b) or 3(c), and Purchaser shall refund to Indemnitor any amount advanced by Indemnitor pursuant to clause (ii) of the proviso to the first sentence of Section 3(c) in excess of the portion thereof due to Purchaser under this Indemnity Agreement, within fifteen (15) Business Days (as defined in the LP Agreement) after the earlier of (i) a decision, judgment, decree or other order by any court of competent jurisdiction which has become final and is not appealed pursuant to this Indemnity Agreement, or (ii) entry into a closing agreement or other settlement agreement or compromise in connection with an administrative or judicial proceeding. Indemnitor shall pay any indemnity amount due under this Indemnity Agreement in respect of a Claim other than a Claim that is contested as set forth in Section 3(b) or 3(c) within fifteen (15) Business Days (as defined in the LP Agreement) after written demand therefor by the Purchaser accompanied by reasonable evidence of the liability for and amount of the indemnity. Late payments shall bear interest at the rate of eighteen percent (18%) per annum compounded monthly (or if less, the highest rate allowed by law).

(f) Except as provided above, the Purchaser and the other Indemnitees shall have full control over any decisions in respect of contesting or not contesting any tax matter and may pursue or not pursue administrative and/or judicial remedies and conduct any contest in any manner as they may determine, in each case in their sole and absolute discretion.

(g) The Parties shall use commercially reasonable efforts to mitigate any Loss, including by availing the REITs at the expense of the Indemnitor of the mitigation provisions available to real estate investment trusts under the Code.

(h) Notwithstanding anything herein to the contrary, under no circumstances shall the Indemnitor be liable for any Loss: (i) incurred by any Person (as defined in the LP Agreement) other than the REITs after the earlier of (A) the day immediately prior to the last day of the calendar quarter that includes the Purchase Date or (B) the last day of the tax year of the REITs that includes the Purchase Date (regardless of when during the Survival Period such taxes are assessed by the IRS) (it being understood that any tax arising from a failure to comply with Section 856(c)(4) of the Code in any quarter is incurred no sooner than the last day of the applicable quarter); or (ii) incurred by any or all of the REITs that results from a transaction (including a transaction deemed to occur for income tax purposes) that occurs after the date which is six (6) months following the Purchase Date (regardless of when during the Survival Period such taxes are assessed by the IRS); provided, however, that Indemnitor's liability for any Loss relating to taxes shall be determined by reference to, and shall not exceed, the RP REITs' Tax Liability Limitation (as hereinafter defined). For purposes of this Agreement, the term "RP REITs' Tax Liability Limitation" (1) with respect to REIT I and REIT II shall mean the tax liabilities of the REITs that would have resulted had REIT I sold its assets on the Purchase Date for the value used to determine the Purchase Payments (as defined in the LP Agreement) under the LP Agreement (such maximum tax liabilities to be determined (x) for the sake of clarity, taking into account any additional tax

arising from such sale resulting from the actual failure of either or both such REITs to qualify as a real estate investment trust within the meaning of Section 856 of the Code on or prior to the Purchase Date, and (y) without giving effect to any items of deduction or credits unrelated to such deemed sales that either or both REITs would have had available to reduce their tax liabilities resulting from such sales), and (2) with respect to REIT III and REIT IV, shall mean the same as such term is defined in clause (1), but substituting "REIT III" for "REIT I" where used therein.

(i) Notwithstanding anything contained herein to the contrary, no Specified Matter shall be treated as failing to be true and correct, and therefore no such Specified Matter shall be the basis for indemnification under this Indemnity Agreement, to the extent any failure of such Specified Matter to be true and correct is the result of a breach by the Partnership or any Indemnitee of any representation or covenant in any Transaction Document, including any failure by the Partnership to operate in accordance with the REIT Requirements (as defined in the LP Agreement), or as a result of any Event of Default (as defined in the LP Agreement).

(j) The amount for which Indemnitor is otherwise liable hereunder shall be reduced by reason of any liability that it would not have incurred but for an Event of Default having occurred.

4. Entire Agreement. This Indemnity Agreement constitutes the entire understanding among the Parties with respect to the subject matter hereof and supersedes any prior agreement or understanding among the Parties with respect to the subject matter hereof.

5. Governing Law; Submission to Jurisdiction; Waiver of Trial by Jury. The validity, interpretation and enforcement of this Indemnity Agreement shall be governed by the laws of the State of New York without regard to its principles of conflicts of law. Each Party hereby submits to the exclusive jurisdiction of any United States Federal court sitting in New York County or New York State Court located in New York County in any action or proceeding arising out of or relating to this Indemnity Agreement. EACH OF THE PARTIES HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, A TRIAL BY JURY IN ANY ACTION ARISING OUT OF MATTERS RELATED TO THIS INDEMNITY AGREEMENT, WHICH WAIVER IS INFORMED AND VOLUNTARY.

6. Amendments. This Indemnity Agreement shall not be modified, altered, supplemented or amended, except pursuant to a written agreement executed and delivered by all of the Parties.

7. Notices. Any notice, demand or request may be given in writing by email transmission to the Party for whom it is intended, or (a) by registered or certified mail (return receipt requested and postage prepaid), (b) by a nationally recognized overnight courier providing for signed receipt of delivery, or (c) by facsimile, with delivery confirmed by the sender and followed by copy sent by nationally recognized overnight courier providing for signed receipt of delivery, in each case at the following address, or such other address as may be designated in writing by notice given in accordance with this Section 7:

All notices (i) shall be deemed to have been delivered on the date that the same shall have been actually delivered in accordance with the provisions of this Section 7 and (ii) may be delivered either by a Party or by such Party's attorneys. Any Party may, from time to time, specify as its address for purposes of this Indemnity Agreement any other address upon the giving of ten (10) days' written notice thereof to the other Parties.

8. Term. The term of this Indemnity Agreement shall survive for the full period of all applicable statutes of limitations (giving effect to any waiver, mitigation or extension thereof) plus sixty (60) days (the "Survival Period").

9. Counterparts. This Indemnity Agreement may be executed in one or more counterparts, all of which taken together shall constitute one and the same instrument. Delivery of such counterpart signature pages may be effectuated by email pursuant to Section 7.

10. Severability. If any provision of this Indemnity Agreement is held to be illegal, invalid, or unenforceable under present or future laws effective during the term of this Agreement, such provision shall be fully severable and this Indemnity Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Indemnity Agreement, and the remaining provisions of this Indemnity Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Indemnity Agreement, unless such continued effectiveness of this Indemnity Agreement, as modified, would be contrary to the basic understandings and intentions of the Parties as expressed herein.

11. Recitals. The recitals and introductory paragraphs hereof are a part hereof, form a basis for this Indemnity Agreement and shall be considered *prima facie* evidence of the facts and documents referred to therein.

12. Third Party Beneficiaries. None of the provisions of this Indemnity Agreement shall be for the benefit of or enforceable by any person not a party hereto, provided, however, that notwithstanding the foregoing, those Indemnitee Parties who are not parties to this Indemnity Agreement are third party beneficiaries hereof, it being agreed to and understood that such Indemnitee Parties shall have the right to be indemnified by Indemnitor pursuant to the terms of this Indemnity Agreement (and shall have the right to enforce this Indemnity Agreement against Indemnitor) as if such Indemnitee Parties were parties hereto.

13. Successors and Assigns. This Indemnity Agreement shall inure to the benefit of, and be binding upon, the Parties hereto and their respective successors and permitted assigns, provided, however, that Indemnitor shall not be entitled to assign its obligations pursuant to this Indemnity Agreement without the express written consent of the Indemnitees (which consent shall not be unreasonably withheld).

14. Sole Remedy. Notwithstanding anything to the contrary in this Indemnity Agreement, the indemnification provided for in this Indemnity Agreement shall be the sole and exclusive remedy of the Purchaser for the failure of any of the Specified Matters set forth in Section 2 to be true and correct in any material respect as of the date of this Indemnity Agreement (taking into account the proviso to the lead in sentence of Section 2) or with respect to any other matter with respect to which indemnification of the Purchaser is contemplated by this Indemnity Agreement. For the avoidance of doubt, the failure of any of the Specified Matters set forth in Section 2 to be true and correct at any time shall not relieve the Purchaser from its obligation to purchase the Put/Call Interests (as defined in the LP Agreement) from Rockpoint Preferred Holders (as defined in the LP Agreement) at any time such purchase is required pursuant to the terms of the LP Agreement.
