Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Our officers and directors are indemnified under Maryland law, our charter and bylaws, and the Second Amended and Restated Agreement of Limited Partnership of Mack-Cali Realty, L.P., as amended (the "Partnership Agreement"), against certain liabilities. Our charter authorizes us, and our bylaws require us, to indemnify our directors and officers to the fullest extent permitted from time to time by the laws of the State of Maryland.

The Maryland General Corporation Law ("MGCL") permits a corporation to indemnify its directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those capacities unless it is established that the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, or the director or officer actually received an improper personal benefit in money, property or services, or in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful, or the director or officer was adjudged to be liable to the corporation for the act or omission. The MGCL does not permit a Maryland corporation to provide indemnification for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless, in either case, a court orders indemnification and then only for expenses. No amendment of our charter or bylaws shall limit or eliminate the right to indemnification provided with respect to acts or omissions occurring prior to such amendment or repeal.

In addition to the circumstances in which the MGCL permits a corporation to indemnify its directors and officers, the MGCL requires a corporation to indemnify its directors and officers in the circumstances described in the following sentence, unless limited by the charter of the corporation. A director who has been successful on the merits or otherwise, in defense of any proceeding or in the defense of any claim, issue or matter in the proceeding to which he is made a party by reason of his service as a director or officer shall be indemnified against reasonable expenses incurred by him in connection with the proceeding, claim, issue or matter in which the director has been successful. Our charter does not alter this requirement.

The MGCL permits the charter of a Maryland corporation to include a provision limiting the liability of its directors and officers to such corporation and its stockholders for money damages, with specified exceptions. Maryland law does not, however, permit the liability of directors and officers to a corporation or its stockholders to be limited to the extent that (1) it is proved that the person actually received an improper benefit or profit in money, property or services (to the extent such benefit or profit was received) or (2) a judgment or other final adjudication adverse to such person is entered in a proceeding based on a finding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. Our charter contains a provision consistent with Maryland law. No amendment of our charter shall limit or eliminate the limitation of liability with respect to acts or omissions occurring prior to such amendment.

The Delaware Revised Limited Partnership Act provides that a limited partnership has the power to indemnify and hold harmless any partner or other person from and against any and all claims and demands whatsoever, subject to such standards and restrictions, if any, as are set forth in its partnership agreement. The Partnership Agreement also provides for indemnification of the General Partner and its officers and directors to the same extent indemnification is provided to the General Partner's officers and directors in its charter, and limits the liability of the General Partner and its officers and directors.

We have entered into indemnification agreements with each of our directors and officers. The indemnification agreements require, among other things, that we indemnify our directors and officers to the fullest extent permitted by law, and advance to the directors and officers all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted. We also must indemnify and advance all expenses incurred by directors and officers seeking to enforce their rights under the indemnification agreements, and cover directors and officers under our directors' and officers' liability insurance. Although the form of indemnification agreement offers substantially the same scope of coverage afforded by provisions of our charter and our bylaws and the Partnership Agreement, it provides greater assurance to directors and officers that indemnification will be available, because, as a contract, it cannot be modified unilaterally in the future by our Board of Directors or by our stockholders to eliminate the rights it provides.

In addition to the above, the 2013 Plan (as amended from time to time) provides that no member of the committee of our Board of Directors that administers the plan shall be personally liable by reason of any contract or other instrument executed by such member in the member's capacity as a member of such committee nor for any mistake of judgment made in good faith, and the Registrant shall indemnify and hold harmless each employee, officer, or director of the Registrant to whom any duty or power relating to the administration or interpretation of such plan may be allocated or delegated, against any cost or expense (including counsel fees) or liability (including any sum paid in settlement with the approval of our Board of Directors) arising out of any act or omission to act in connection with such plan, unless arising out of such person's own fraud or bad faith. This indemnification is in addition to any of the other rights to indemnification described herein. Although the Inducement Award was not granted under the 2013 Plan, it is generally subject to administration consistent with the terms of such plan as described above.

Insofar as indemnification for liabilities arising under the Securities Act is permitted for our directors, officers or controlling persons, pursuant to the above mentioned statutes or otherwise, we understand that the Commission is of the opinion that such indemnification may contravene federal public policy, as expressed in the Securities Act, and therefore, is unenforceable. Accordingly, in the event that a claim for such indemnification is asserted by any of our directors, officers or controlling persons, and the Commission is still of the same opinion, we (except insofar as such claim seeks reimbursement from us of expenses paid or incurred by a director, officer of controlling person in successful defense of any action, suit or proceeding) will, unless the matter has theretofore been adjudicated by precedent deemed by our counsel to be controlling, submit to a court of appropriate jurisdiction the question whether or not indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

At present, there is no pending litigation or proceeding involving any of our directors, officers or employees as to which indemnification is sought, nor are we aware of any threatened litigation or proceeding that may result in claims for indemnification.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

II-4

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SECTION 1. INTRODUCTION

1.1 PURPOSE. On May 15, 2013, the Mack-Cali Realty Corporation 2013 Incentive Stock Plan (the “2013 Plan”) became effective upon the approval of the 2013 Plan by the stockholders of Mack-Cali Realty Corporation (the “Corporation”). The purpose of this Mack-Cali Realty Corporation Amended and Restated 2013 Incentive Stock Plan (as so amended and restated, the “Plan”) is to advance and promote the interests of the Corporation and its Subsidiaries by providing employees, consultants and advisors of the Corporation or its Subsidiaries and non-employee members of the Corporation’s Board of Directors, or its Subsidiaries, if so designated, with an incentive to achieve corporate objectives, to attract and retain employees, consultants, advisors, non-employee Directors of outstanding competence and to provide such individuals with an equity interest in the Corporation through the acquisition of Shares and by providing for payments to such individuals based on the appreciation in value or value of such Shares. The Plan is intended to be construed as an employee benefit plan that satisfies the requirements for exemption from the restrictions of Section 16(b) of the Securities Exchange Act of 1934, as amended, pursuant to the applicable rules promulgated thereunder. In the event of any conflict between the terms and provisions of an Award Agreement and those of an employment or other agreement, the terms of the employment or other agreement shall control.

- (ii) any Shares are purchased pursuant to a tender or exchange offer, other than an offer by the Corporation, that results in any “person” or “group” of persons, as such terms are used in Sections 13 and 14 of the Exchange Act becoming the “beneficial owner” (as such term is defined in Rule 13d-3 under the Exchange Act) of 30% or more of the Shares issued and outstanding immediately prior to such tender or exchange offer; or
-
- (iii) the dissolution or liquidation of the Corporation or the consummation of any merger or consolidation of the Corporation or any sale or other disposition of all or substantially all of its assets, if the shareholders of the Corporation immediately prior to such transaction own, immediately after consummation of such transaction, equity securities (other than options and other rights to acquire equity securities) possessing less than 30% of the voting power of the surviving or acquiring corporation.
- provided, however, that notwithstanding anything in the Plan to the contrary, no Change in Control shall be deemed to have occurred, and no rights arising upon a Change in Control described in the Plan or an applicable Award Agreement shall exist, unless (i) on a Plan wide basis, the Board directs to the contrary by resolution adopted prior to the Change in Control or (ii) on a Participant by Participant basis with respect to individual Participants who have employment or other agreements with the Corporation or any Subsidiary which contain a definition of change in control, the definition of change in control is met under such employment or other agreement and such employment or other agreement specifies that a change in control under such other employment or other agreement will be considered a Change in Control for purposes of the Plan. Any resolution of the Board adopted in accordance with the provisions of this Section directing that this Section become ineffective may be rescinded or countermanded at any time with or without retroactive effect by such Board.

All decisions, actions or interpretations of the Committee on all matters relating to the Plan or any Award Agreement shall be final, binding and conclusive upon all parties. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award.

1.4 PARTICIPATION/SERVICE

(a) **Participation.** The Committee may, in its discretion, grant Awards to any Eligible Individual, whether or not he or she has previously received an Award. Participation in the Plan shall be limited to those Eligible Individuals who have received written notification from the Committee, or from a person designated by the Committee, that they have been selected to participate in the Plan. No such Eligible Individuals shall at any time have the right to be a Participant or to receive an Award unless selected by the Committee pursuant to the Plan. No Participant, having been granted an Award, shall have the right to an additional Award in the future unless such Award is granted by the Committee.

(b) **Transfer of Service.** Notwithstanding any provision in the Plan to the contrary, for purposes of determining the exercise period and exercisability of Awards granted hereunder, a Participant shall not be deemed to have incurred a Termination if the Participant's status as a Director, employee, consultant or advisor terminates and the Participant is then, or immediately thereafter becomes, an Eligible Individual due to another status or relationship with the Corporation or a Subsidiary.

1.5 MAXIMUM NUMBER OF SHARES AVAILABLE FOR AWARDS. Subject to adjustment in accordance with Section 6.2, the maximum number of Shares for which Awards under the Plan shall be available is 6,565,000. Any Shares subject to an Award granted under the 2013 Plan and outstanding on the Effective Date or thereafter under the Plan shall subsequently become available for new grants upon forfeiture, termination or cancellation of the Award; provided, however, that Shares that are (a) forfeited, terminated or canceled in payment of the Option Price for such Award, (b) forfeited, terminated or cancelled to satisfy the applicable tax withholding obligation upon exercise, payment or settlement of the award, and (c) not delivered pursuant to any Option, Phantom Stock Unit Award or SAR Award under this Plan because the Award, although denominated in Shares, is paid in cash, in each case shall be deemed to have been delivered for purposes of determining the maximum number of Shares available for delivery under the Plan, and shall not be available for new grants under the Plan. The number of Shares granted with respect to a SAR shall be the total number of Shares covered by the SAR, and not the number actually issued; provided that if a SAR is granted in connection with an Option the number of Shares covered by the Option and SAR shall only be counted once. The Shares distributed under the Plan may be authorized and unissued shares, shares held in the treasury of the Corporation, or shares purchased on the open market by the Corporation (at such time or times and in such manner as it may determine). The Corporation shall be under no obligation to acquire Shares for distribution to Participants before such Shares are due and distributable. The maximum number of Shares with respect to which Incentive Stock Options may be granted is 6,565,000.

1.6 GENERAL CONDITIONS TO GRANTS. All Awards shall be evidenced by an Award Agreement and any terms and conditions of an Award not set forth in the Plan shall be set forth in the Award Agreement related to that Award or, if applicable, in the Participant's employment or other agreement with the Corporation or any Subsidiary.

SECTION 2. OPTIONS

2.1 AWARD OF OPTIONS. Subject to the provisions of the Plan, the Committee, in its sole discretion, shall determine and designate from time to time those Eligible Individuals to whom Incentive Stock Options or Nonqualified Stock Options, or both, shall be granted, the number of Shares covered by each Option, and the terms and conditions of each Option. Any Option not designated as an Incentive Stock Option shall be a Nonqualified Stock Option. In determining the Eligible Individuals who will be granted Options under the Plan, the Committee may consider such Eligible Individuals' responsibilities, service, present and future value to the Corporation or any Subsidiary and other factors it considers relevant.

6

2.2 TERMS AND CONDITIONS OF OPTIONS. Except as otherwise provided in an applicable Award Agreement, each Option shall be subject to the following express terms and conditions and to such other terms and conditions as the Committee, in its sole discretion, may deem appropriate as set forth in the Award Agreement:

(a) **Option Term.** Each Option shall expire on the 10th anniversary of the Grant Date (or, in the case of an Incentive Stock Option granted to a 10% Owner, on the 5th anniversary of the Grant Date) or such earlier expiration date as shall be specified in the Participant's Award Agreement. To the extent the Award Agreement, or the Plan, provides for the term of an Option to expire earlier as a result of a termination of employment or other event, the Committee may extend the period of time during which the Option is exercisable following such event, but not beyond the end of the original term.

(b) **Option Price.** The Option Price per Share shall be determined by the Committee, in its sole discretion, no later than the Grant Date of any Option; provided, however, that the Option Price shall not be less than the Fair Market Value of a Share on the Grant Date (or, with respect to an Incentive Stock Option granted to a 10% Owner, 110% of the Fair Market Value of a Share on the Grant Date). In no event shall the Option Price per Share be less than the par value of a Share.

(c) **Exercisability of Options.** Options granted under the Plan shall be exercisable at such times and subject to such terms and conditions as shall be determined by the Committee, in its sole discretion, and set forth in the Award Agreement. Such terms and conditions need not be the same for each grant or for each Participant. Except as otherwise provided in the applicable Award Agreement with the Participant, an Option granted to a Participant who is a Key Employee, consultant or advisor shall become exercisable by the Participant in three equal annual installments of 33-1/3% of the total Shares subject to the Option. The first installment shall become exercisable on the December 31st that is at least one year after the Grant Date and each other installment shall become exercisable on each of the next two anniversaries thereafter. With respect to an Option granted to a Participant who is a Director, except as otherwise provided in an applicable Award Agreement, the Option shall become fully exercisable as of the January 1 immediately following the date on which the Participant has completed one year of service as a Director) or such other date as the Committee, in its sole discretion, determines. The preceding exercise schedules are subject to the Participant not having incurred a Termination and to the acceleration or early expiration provisions set forth in this Section 2.2 or in an applicable Award Agreement.

(d) **Exercise Upon Termination.** Subject to Section 1.4(b) and unless otherwise provided in an Award Agreement, the following provisions shall apply upon a Participant's Termination:

(i) **Termination Due to Death.** If a Participant who is a Key Employee, consultant or advisor incurs a Termination due to death, such Participant's Beneficiary, heirs or estate may exercise his or her Options, to the extent the Option would have become exercisable had the Participant's Termination occurred in the calendar year following such Participant's death, and any portion of any Option granted hereunder that would not have vested and been exercisable within the calendar year following such Participant's death if such Participant had not died shall automatically expire and be forfeited as of the date of such Participant's death. If a Participant's service as a member of the Board shall terminate because of his or her death, the Participant's Beneficiary, heirs or estate shall have the right to exercise all Options issued to him or her in such capacity, regardless of whether such Options were exercisable prior to the Participant's death. Upon a Participant's death under this Subsection 2.2(d)(i), the exercisable portion of the Option as determined hereunder may be exercised until the earlier of (x) the expiration date determined under Subsection 2.2(a) or (y) one year from the date of the Participant's death.

(ii) **Termination Due to Disability.** If a Participant who is a Key Employee incurs a Termination due to Disability, such Participant may exercise his or her Options to the extent the Option would have become exercisable had the Participant's Termination occurred in the calendar year following such Participant's Termination, and any portion of any Option granted hereunder that would not have vested and been exercisable within the calendar year following such Participant's Termination shall automatically expire and be forfeited as of the date of such Participant's Termination. If a Participant's service as a member of the Board terminates due to Disability, such Participant shall have the right to exercise all Options issued to him or her in such capacity, regardless of whether such Options were exercisable prior to the Participant's Termination. Upon a Participant's Termination due to Disability under this Subsection 2.2(d)(ii), the exercisable portion of the Option as determined hereunder may be exercised by the Participant until the earlier of (x) the expiration date determined under Subsection 2.2(a) or (y) one year from the date of the Participant's Disability.

- (iii) **Termination Due to Retirement.** If a Participant's service as a member of the Board terminates due to Retirement, the Participant shall have the right to exercise all Options regardless of whether such Options are vested, at any time and from time to time, until the earlier of (x) the expiration date determined under Subsection 2.2(a) hereof or (y) one year following the date of Retirement.
- (iv) **Termination Due to Cause.** If a Participant's service as a Director terminates for Cause, any Option granted to such Participant shall expire immediately and all rights to purchase Shares (whether or not exercisable) under the Option shall cease upon such termination.
- (v) **Other Termination.** In the event of a Participant's Termination for any reason other than as described under Subsection 2.2(d)(i), (ii), (iii) or (iv) above, any Option granted to such Participant shall remain exercisable until the earlier of (x) the expiration date determined under Subsection 2.2(a) or (y) three months from the date of such Termination. In such circumstance, the Option shall only be exercisable to the extent exercisable as of the date of such Termination and shall not be exercisable with respect to any additional Shares.

(e) **Limitations on Incentive Stock Options.** Incentive Stock Options may be granted only to Eligible Individuals who are Key Employees at the Grant Date. The aggregate Fair Market Value (determined at the time the Option is granted) of the Shares with respect to which any Incentive Stock Options are exercisable for the first time by any Key Employee during any calendar year under all option plans of the Corporation and any Subsidiary shall not exceed \$100,000 or such other limit set forth in Section 422 of the Code (the "Code Limits"). If the aggregate Fair Market Value of such Shares exceeds the Code Limits, the excess Shares will be treated as Nonqualified Stock Options under this Plan. In reducing the number of Incentive Stock Options to meet the Code Limits, the most recently granted Incentive Stock Option shall be reduced first. If a reduction of simultaneously granted Options is necessary to meet the Code Limits, the Committee may designate which Shares are to be treated as Shares acquired pursuant to an Incentive Stock Option. In the event that any Incentive Stock Option granted under the Plan fail to meet the requirements for Incentive Stock Options as set forth in the Code, such Incentive Stock Options will be treated and redesignated as a Nonqualified Stock Option for Federal income tax purposes automatically without further action by the Committee on the date of such failure to continue to meet the requirements of Section 422 of the Code.

(f) **Investment Representation.** Each Award Agreement for an Option shall provide that, upon demand by the Committee for such a representation, the Participant (or any person acting under Subsection 2.2(d)) shall deliver to the Committee, at the time of any exercise of an Option or portion thereof, a written representation that the Shares to be acquired upon such exercise are to be acquired for investment and not for resale or with a view to the distribution thereof. Upon such demand, delivery of such representation prior to the delivery of any Shares issued upon exercise of an Option and prior to the expiration of the Option Term shall be a condition precedent to the right of the Participant or such other person to purchase any Shares. In the event certificates for Shares are delivered under the Plan with respect to which such an investment representation has been obtained, the Committee may cause a legend or legends to be placed on such certificates to make appropriate reference to such representations and to restrict transfer in the absence of compliance with applicable federal or state securities laws.

(g) **Participants to Have No Rights as Shareholders.** No Participant shall have any rights as a shareholder with respect to any Shares subject to his or her Option prior to the date of issuance to him or her of such Shares.

(h) **Other Option Provisions.** The Committee may require a Participant to agree, as a condition to receiving an Option under the Plan, that part or all of any Options previously granted to such Participant under the Plan or any prior plan of the Corporation be terminated.

2.3 EXERCISE OF AND PAYMENT FOR OPTIONS. An Option shall be exercised by the delivery to the Corporation during the Option Term of (a) written notice of intent to purchase a specific number of Shares subject to the Option and (b) payment in full of the Option Price of such specific number of Shares. Unless otherwise limited in an Award Agreement, payment of the Option Price may be made either (i) in cash, certified check or wire transfer, (ii) subject to the approval of the Committee, in Mature Shares already owned by the Participant having a total fair market value, as determined by the Committee, equal to the purchase price, or a combination of cash and Mature Shares having a total fair market value, as so determined, equal to the purchase price, (iii) subject to the approval of the Committee, in its sole discretion, by delivering a properly executed exercise notice in a form approved by the Committee, together with an irrevocable notice of exercise and irrevocable instructions to a broker to promptly deliver to the Corporation the amount of applicable sale proceeds sufficient to pay the purchase price for such Shares, together with the amount of federal, state and local withholding taxes payable by Participant by reason of such exercise, (iv) subject to the approval of the Committee, in its sole discretion, by requesting that the Corporation withhold from the number of Shares transferred to the Participant a number of Shares with a fair market value equal to the Option Price, or (v) a combination of the foregoing.

2.4 NOTICE OF DISQUALIFYING DISPOSITION. A Participant shall notify the Corporation of any disposition of Shares issued upon exercise of an Incentive Stock Option within 10 business days after such disposition if such disposition is made during the holding period described in Section 422(a) of the Code resulting in a disqualifying disposition (within the meaning of Treasury Regulation Section 1.421-2(b)).

SECTION 3. STOCK APPRECIATION RIGHTS

3.1 AWARD OF STOCK APPRECIATION RIGHTS. Subject to the provisions of the Plan, the Committee, in its sole discretion, shall determine and designate from time to time those Eligible Individuals to whom SARs shall be granted, the number of Shares to be granted to each such Eligible Individual and the terms and conditions of each SAR. When granted, SARs may, but need not, be identified with a specific Option (including any Option granted on or before the Grant Date of the SARs) in a number equal to or different from the number of Shares subject to such Option. If SARs are identified with Shares subject to an Option, then, unless otherwise provided in the applicable Award Agreement, the Participant's associated SARs shall terminate upon (a) the expiration, termination, forfeiture or cancellation of such Option, or (b) the exercise of such Option.

3.2 STRIKE PRICE. The strike price ("Strike Price") of any SAR shall equal, for any SAR that is identified with an Option, the Option Price of such Option, or for any other SAR, 100% of the Fair Market Value of a Share on the Grant Date of such SAR; except that the Committee may specify a higher Strike Price in the Award Agreement. In no event shall the Strike Price be less than the par value of a Share.

3.3 EXERCISABILITY OF SARs. SARs granted under the Plan shall be exercisable at such times and subject to such terms and conditions as shall be determined by the Committee, in its sole discretion, and set forth in the Award Agreement. Such terms and conditions need not be the same for each grant or for each Participant. Unless otherwise specified in the applicable Award Agreement, the following terms and conditions shall apply:

(a) **SARs Granted to Directors.** SARs granted to a Participant who is a Director shall become exercisable (i) in the case of each SAR not identified with an Option, on the first anniversary of the Grant Date of the SAR, or in such other amounts and over such other time period as may be determined by the Committee, and (ii) in the case of each SAR that is identified with an Option, at the time or times at which the Option with which such SAR is identified may be exercised. The preceding exercise schedule is subject to the Participant not having incurred a Termination and to the acceleration or early expiration provisions set forth in Subsection 3.3(c) and Section 3.6 or in an applicable Award Agreement.

(b) **SARs Granted to Key Employees, Consultants or Advisors.** SARs granted to a Participant who is a Key Employee, consultant or advisor shall become

exercisable (i) in the case of each SAR not identified with an Option, in three equal annual installments of 33-1/3% of the Shares subject to the SAR, with the first installment becoming exercisable on the December 31st that is at least one year after the Grant Date and each other installment becoming exercisable on each of the next two anniversaries thereafter, and (ii) in the case of each SAR that is identified with an Option, at the time or times at which the Option with which such SAR is identified may be exercised. The preceding exercise schedule is subject to the Participant not having incurred a Termination and to the acceleration or early expiration provisions set forth in Subsection 3.3(c) and Section 3.6 or in an applicable Award Agreement.

(c) **SAR Term.** Each SAR shall expire on the 10th anniversary of the Grant Date or, if earlier, upon expiration of any Option with which the SAR is identified. To the extent the Award Agreement, or the Plan, provides for the term of a SAR to expire earlier as a result of a termination of employment or other event, the Committee may extend the period of time during which the SAR is exercisable following such event, but not beyond the end of the original term.

3.4 EXERCISE OF SARs. SARs shall be exercised by delivery to the Corporation of the Participant's written notice of intent to exercise a specific number of SARs. Unless otherwise provided in the applicable Award Agreement, the exercise of SARs which are identified with Shares subject to an Option shall result in the cancellation or forfeiture of an equal number of Shares subject to such Option, and any such Shares so canceled or forfeited shall not thereafter again become available for grant under the Plan. Upon exercise of an SAR, a Participant shall be entitled to receive a per Share payment from the Corporation in an amount equal to (a) the Fair Market Value of the Share on the date of such exercise, minus (b) the Strike Price of Shares subject to the SAR. Such payment shall be made in cash (subject to applicable withholding), except that the Committee, in its sole discretion, may provide, in the applicable Award Agreement, that payment may be made, wholly or partly, in Shares.

3.5 NO RIGHTS AS SHAREHOLDERS. No Participant shall have any rights as a shareholder with respect to any Shares subject to his or her SAR.

3.6 EXERCISE OF SAR IN THE EVENT OF TERMINATION. The Committee, in its sole discretion, shall set forth in the applicable Award Agreement the extent to which a Participant shall have the right to exercise SARs following a Termination. Such provisions need not be uniform among all SARs granted pursuant to the Plan, and may reflect distinctions based on the reasons for such Termination. Subject to Section 1.4(b) and unless otherwise provided in an Award Agreement, the following provisions shall apply:

(a) **Termination Due to Death.** If a Participant who is a Key Employee, consultant or advisor incurs a Termination due to death, such Participant's Beneficiary, heirs or estate may exercise his or her SARs, to the extent the SARs would have become exercisable had the Participant's Termination occurred in the calendar year following such Participant's death, and any portion of any SAR granted hereunder that would not have vested and been exercisable within the calendar year following such Participant's death if such Participant had not died shall automatically expire and be forfeited as of the date of such Participant's death. If Participant's service as a member of the Board shall terminate because of his or her death, the Participant's Beneficiary, heirs or estate shall have the right to exercise all SARs issued to him or her in such capacity, regardless of whether such SARs were exercisable prior to the Participant's death. Upon a Participant's death, the exercisable portion of the SAR as determined hereunder may be exercised until the earlier of (x) the expiration date determined under Subsection 3.3(c) or (y) one year from the date of the Participant's death.

(b) **Termination Due to Disability.** If a Participant who is a Key Employee incurs a Termination due to Disability, such Participant may exercise his or her SARs to the extent the SAR would have become exercisable had the Participant's Termination occurred in the calendar year following such Participant's Termination, and any portion of any SAR granted hereunder that would not have vested and been exercisable within the calendar year following such Participant's Termination shall automatically expire and be forfeited as of the date of such Participant's Termination. If a Participant's service as a member of the Board terminates due to Disability, such Participant shall have the right to exercise all SARs issued to him or her in such capacity, regardless of whether such SARs were exercisable prior to the Participant's Termination. Upon a Participant's Termination due to Disability under this Subsection 3.6(b), the exercisable portion of the SAR as determined hereunder may be exercised by the Participant until the earlier of (x) the expiration date determined under Subsection 3.3(c) or (y) one year from the date of the Participant's Disability.

(c) **Termination Due to Retirement.** If a Participant's service as a member of the Board terminates due to Retirement, the Participant shall have the right to exercise all SARs regardless of whether such SARs are vested, at any time and from time to time, until the earlier of (x) the expiration date determined under Subsection 3.3(c) or (y) one year following the date of Retirement.

(d) **Termination Due to Cause.** If a Participant's service as a Director terminates for Cause, any SAR granted to such Participant shall expire immediately and all rights to exercise the SAR (whether or not exercisable) shall cease upon such termination.

(e) **Other Termination.** In the event of a Participant's Termination for any reason other than as described under Subsection 3.6(a), (b), (c), or (d) above, any SAR granted to such Participant shall remain exercisable until the earlier of the (x) expiration date determined under Subsection 3.3(c) or (y) three months from the date of such Termination. In such circumstance, the SAR shall only be exercisable to the extent exercisable as of the date of such Termination and shall not be exercisable with respect to any additional Shares.

SECTION 4. RESTRICTED AND UNRESTRICTED STOCK

4.1 AWARDS

(a) **Restricted Stock.** Subject to the provisions of the Plan, the Committee, in its sole discretion, shall determine and designate from time to time those Eligible Individuals to whom Restricted Stock shall be granted and the Restrictions as provided in this Section. All Restrictions imposed on any such Award of Restricted Stock shall be made by and at the sole discretion of the Committee, subject to the provisions of the Plan, and are binding on the Corporation and the Participants, their Beneficiaries and legal representatives. Such Restrictions need not be the same for each grant or for each Participant.

(b) **Unrestricted Stock.** Subject to the provisions of the Plan, the Committee, in its sole discretion, shall determine and designate from time to time those Eligible Individuals to whom Unrestricted Stock shall be granted (or sold at par value or such other higher purchase price determined by the Committee). Unrestricted Stock Awards may be granted or sold as described in the preceding sentence in respect of past services or other valid consideration, or in lieu of any cash compensation due to such Eligible Individual. Unrestricted Stock shall be immediately vested upon grant and shall be free of Restrictions based upon continued service or the achievement of performance goals, but may be subject to such other restrictions (including restrictions on transfer) as the Committee may determine, and may be subject to forfeiture in accordance with Section 6.18.

4.2 RESTRICTED PERIOD/RESTRICTIONS. At the time each Award of Restricted Stock is granted, the Committee (i) shall establish a Restricted Period within which Restricted Stock awarded to a Participant may not be sold, assigned, transferred, made subject to gift, or otherwise disposed of, mortgaged, pledged or otherwise encumbered, if any, except to the extent provided in Section 6.8, and (ii) may impose such other Restrictions on any Restricted Stock as it may deem advisable. Unless otherwise provided in an Award Agreement, any Award of Restricted Stock granted after the Effective Date to a Participant who is a Key Employee, consultant or advisor shall provide for a Restricted Period of not less than three (3) years for full vesting (one (1) year in the case of Performance Shares), subject to acceleration as provided in Sections

4.3 RIGHTS AS STOCKHOLDERS. Except for the conditions outlined in Section 4.2, and the forfeiture conditions described in Section 4.5, each Participant shall have all rights of a shareholder of the Corporation with respect to both Restricted and Unrestricted Stock, including the right to receive all dividends or other distributions made or paid in respect of such Shares and the right to vote such Shares at regular or special meetings of the shareholders of the Corporation.

4.4 DELIVERY OF SHARES. The certificates for any Restricted Stock granted to a Participant under the Plan shall be held (together with a stock power executed in blank by the Participant) in escrow by the Secretary of the Corporation under the Participant's name in an account maintained by the Corporation until such Shares of Restricted Stock become nonforfeitable or are forfeited. At the end of the Restricted Period and/or the expiration or attainment of such other Restrictions imposed on any Restricted Stock granted to a Participant, or upon the prior approval of the Committee as described in Section 4.5, and subject to the satisfaction of the Corporation's withholding obligations described in Section 6.7, certificates representing such Shares of Restricted Stock shall be delivered to the Participant, or the Beneficiary or legal representative of the Participant, free of the Restrictions set forth in the Award Agreement pursuant to Section 4.2.

4.5 EFFECT OF TERMINATION. The Committee, in its sole discretion, shall set forth in the applicable Award Agreement the extent to which a Participant shall have the right to Shares subject to a Restricted Stock Award following a Termination. Such provisions need not be uniform among all Awards of Restricted Stock granted pursuant to the Plan, and may reflect distinctions based on the reasons for such Termination. Subject to Section 1.4(b) and unless otherwise provided in an Award Agreement, the following provisions shall apply:

(a) **Termination Due to Death.** If a Participant who is a Key Employee, consultant or advisor incurs a Termination due to death, all Shares of Restricted Stock awarded to such Participant which are then subject to a Restricted Period or other Restrictions, and which would have been released, if the Participant had not died, within the calendar year following such Participant's death shall be released on the date of the Participant's death as if the Restricted Period for such Shares had ended and the other Restrictions had lapsed, and certificates representing such Shares of Restricted Stock shall be delivered to the Participant's Beneficiary, heirs or estate free from such Restrictions as soon as practicable following such Termination, and all other Shares of Restricted Stock which would not have been released, if the Participant had not died, within the calendar year following the Participant's death will be forfeited and become the property of the Corporation on the date of such Termination. If a Participant's service as a member of the Board shall terminate because of his or her death, the Restricted Period or other Restrictions applicable to all previously granted Awards of Restricted Stock shall end or lapse, as the case may be, and such Shares shall be released and certificates representing such Shares of Restricted Stock shall be delivered to the Participant's Beneficiary, heirs or estate free from such Restrictions as soon as practicable following such Termination.

(b) **Termination Due to Disability.** If a Participant who is a Key Employee incurs a Termination due to Disability, all Shares of Restricted Stock awarded to such Participant which are then subject to a Restricted Period or other Restrictions, and which would have been released, if the Participant had not incurred a Termination, within the calendar year following such Participant's Termination shall be released on the date of the Participant's Termination as if the Restricted Period for such Shares had ended and the other Restrictions had lapsed, and certificates representing such Shares of Restricted Stock shall be delivered to the Participant free from such Restrictions as soon as practicable following such Termination, and all other Shares of Restricted Stock which would not have been released, if the Participant had not Terminated, within the calendar year following the Participant's Termination due to Disability will be forfeited and become the property of the Corporation on the date of such Termination. If a Participant's service as a member of the Board shall terminate because of his or her Disability, the Restricted Period or other Restrictions applicable to all previously granted Awards of Restricted Stock shall end or lapse, as the case may be, and such Shares shall be released and certificates representing such Shares of Restricted Stock shall be delivered to the Participant free from such Restrictions as soon as practicable following such Termination.

(c) **Termination Due to Retirement.** If a Participant's service as a member of the Board shall terminate because of his or her Retirement, the Restricted Period or other Restrictions applicable to all previously granted Awards of Restricted Stock shall end or lapse, as the case may be, and such Shares shall be released and certificates representing such Shares of Restricted Stock shall be delivered to the Participant free from such Restrictions as soon as practicable following such Termination.

(d) **Termination Due to Cause.** If a Participant's service as a member of the Board shall terminate for Cause, all Restricted Stock awarded under the Plan which are then subject to a Restricted Period or other Restrictions shall be forfeited and become property of the Corporation on the date of such termination of service.

(e) **Other Termination.** In the event of a Participant's Termination for any reason other than as described under Subsection 4.5(a), (b), (c), or (d) above, all Restricted Stock awarded to the Participant under the Plan which is then subject to a Restricted Period or other Restrictions shall be forfeited and become property of the Corporation on the date of such Termination.

4.6 SECTION 83(b) ELECTIONS. A Participant who files an election permitted under Section 83(b) of the Code with the Internal Revenue Service to include the Fair Market Value of any Shares of Restricted Stock in gross income while the Shares are still subject to a Restricted Period or other Restrictions shall notify the Corporation of such election within 10 days of making such election and promptly furnish to the Corporation a copy of such election together with the amount of any federal, state, local or other taxes required to be withheld to enable the Corporation to claim an income tax deduction with respect to such election.

4.7 PERFORMANCE SHARES. The Committee may designate Restricted Stock as Performance Shares, if the Restrictions applicable to such Performance Shares are dependent, in whole or in part, on the extent to which performance goals specified in the Award Agreement are achieved by the Corporation, any Subsidiary, division or function of the Corporation, or the individual Participant are achieved. The extent to which Performance Shares vest will be determined by the Committee, in its sole discretion, as a function of the extent to which the corresponding performance goals have been achieved. Except as otherwise provided in the Award Agreement, all provisions of the Plan applicable to Restricted Stock shall also apply to Performance Shares, provided that the extent to which Performance Shares vest upon a Termination pursuant to Section 4.5 shall be as set forth in the Award Agreement, or, to the extent not specified in the Award Agreement, as determined by the Committee in its sole discretion.

SECTION 5. PHANTOM STOCK UNITS

5.1 AWARD OF PHANTOM STOCK UNITS. Subject to the provisions of the Plan, the Committee, in its sole discretion, shall determine and designate from time to time those Eligible Individuals to whom Phantom Stock Units shall be granted, the number of Phantom Stock Units to be granted to any one Eligible Individual, the Restricted Period, the ability of Participants to defer the receipt of payment of such Phantom Stock Units, and the other terms and provisions of such Award. A Phantom Stock Unit that provides that the Participant shall be entitled to one Share upon the vesting of the Phantom Stock Unit may be designated by the Committee as a "Restricted Stock Unit", and a Phantom Stock Unit that provides that the Participant will be entitled to one or more Shares, or the equivalent value, may be designated by the Committee as a "Performance Share Unit", and the provisions of this Plan applicable to Phantom Stock Units shall apply equally to Restricted Stock Units or Performance Share Units, except as otherwise provided herein or in an Award Agreement.

5.2 VALUE OF PHANTOM STOCK UNITS. Each Phantom Stock Unit may have an initial value that is established by the Committee at the Grant Date. The Committee may set performance goals in its sole discretion which, depending on the extent to which they are met, will determine the number and/or value of Phantom Stock

Units that will be paid out to the Participant.

5.3 NO RIGHTS AS SHAREHOLDERS. No Participant shall have any rights as a shareholder with respect to any Phantom Stock Units subject to his Award.

5.4 VESTING OR EARNING OF PHANTOM STOCK UNITS. Subject to the terms of the Plan, after the applicable Restricted Period has ended, or the applicable performance goals have been satisfied, Participant shall be entitled to receive a payout of the number and value of Phantom Stock Units vested or earned, as the case may be, by the Participant over the Restricted Period. If the Committee establishes performance goals for an Award, the number and value of Share Units will be determined by the Committee, in its sole discretion, as a function of the extent to which the corresponding performance goals have been achieved. Unless otherwise provided in an Award Agreement, any Award of Phantom Stock Units granted after the Effective Date to a Participant who is a Key Employee, consultant or advisor shall provide for a Restricted Period of not less than three (3) years for full vesting (one (1) year if vesting is also dependent on the achievement of performance goals), subject to acceleration as provided in Section 5.6.

5.5 FORM AND TIMING OF PAYMENT OF PHANTOM STOCK UNITS. Except as provided below, payment of vested or earned Phantom Stock Units shall be made in the form of cash or in Shares (or in a combination thereof) which have an aggregate Fair Market Value equal to the value of the vested or earned Phantom Stock Units at the close of the applicable Restricted Period. At the Grant Date or shortly thereafter, the Committee, in its sole discretion and in accordance with terms designated by the Committee, may provide for a voluntary and/or mandatory deferral of all or any part of an otherwise vested or earned Phantom Stock Unit Award. At the sole discretion of the Committee, Participants may be entitled to receive any dividends declared with respect to Shares earned in connection with a Phantom Stock Unit Award which has been vested or earned, but not yet distributed to Participants (such dividends shall be subject to the same forfeiture, and payout restrictions as apply to dividends earned with respect to Shares of Restricted Stock, if any). Payment with respect to Phantom Stock Units shall be made as soon as practical after the right to payment vests, but in no event later than March 15 of the year following the year in which the right to payment vests.

13

5.6 EFFECT OF TERMINATION. The Committee, in its sole discretion, shall set forth in the applicable Award Agreement the extent to which a Participant shall have the right to a payout of a Phantom Stock Unit Award following a Termination. Such provisions need not be uniform among all Awards of Phantom Stock Units granted pursuant to the Plan, and may reflect distinctions based on the reasons for such Termination.

SECTION 6. GENERAL PROVISIONS

6.1 GENERAL CREDITOR STATUS. Participants shall have no right, title, or interest whatsoever in or to any investments that the Corporation may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Corporation and any Participant, Beneficiary, legal representative or any other person. To the extent that any person acquires a right to receive payments from the Corporation under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Corporation. All payments to be made hereunder shall be paid from the general funds of the Corporation and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in the Plan; provided, however, that in its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Shares or pay cash; provided, further, however, that, unless the Committee otherwise determines with the consent of the affected Participant, the existence of such trusts or other arrangements shall be consistent with the "unfunded" status of the Plan.

6.2 CERTAIN ADJUSTMENTS TO SHARES. In the event of any change in the Shares by reason of any stock dividend, recapitalization, reorganization, spin-off, split-off, merger, consolidation, stock split, reverse stock split, combination or exchange of shares, or any rights offering to purchase Shares at a price substantially below Fair Market Value, or of any similar change affecting the Shares of or by the Corporation, the number and kind of Shares available for Awards under the Plan, the number and kind of Shares or Phantom Stock Units subject to an outstanding Award, the Option Price, Strike Price or purchase price per Share thereof shall be appropriately adjusted consistent with such change in such manner as the Committee, in its sole discretion, may deem equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, the Participants hereunder. Any adjustment of an Incentive Stock Option pursuant to this Section shall be made only to the extent not constituting a "modification" within the meaning of Section 424 of the Code, unless the holder of such Option shall agree otherwise. The Committee shall give notice to each Participant of any adjustment made pursuant to this Section and, upon notice, such adjustment shall be effective and binding for all purposes of the Plan.

6.3 SUCCESSOR CORPORATION. The obligations of the Corporation under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Corporation, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Corporation. The Corporation agrees that it will make appropriate provision for the preservation of Participants' rights under the Plan in any agreement or plan which it may enter into or adopt to effect any such merger, consolidation, reorganization or transfer of assets, taking into account the following sentence. Pursuant to any transfer of the Corporation's assets and business to a successor organization, the Committee may make such adjustments to outstanding Awards as it may determine to be fair and equitable, in accordance with the Plan, which adjustments may include cancelling any outstanding Awards in consideration of the payment to the Participant of an amount equal to the value, as determined by the Committee, of the consideration that the Participant would have received pursuant to such transaction for the number of Shares subject to such Award reduced, in the case of an Option or SAR, by the Option Price or Strike Price, and if the Option Price or Strike Price exceeds the fair market value of the Shares subject to the Option or SAR, the Option or SAR may be cancelled without payment of any further consideration. No Award that was not vested prior to the transaction shall be cancelled unless such Award is vested (subject to the Committee's determination of the extent to which performance goals, if applicable, have been met) in connection with the transaction and the Participant given a reasonable opportunity to exercise such Award.

14

6.4 NO CLAIM OR RIGHT UNDER THE PLAN. Neither the Plan nor any action taken thereunder shall be construed as giving any employee, consultant or advisor any right to be retained in the employ of or by the Corporation or any Director any right to continue in the service of the Board.

6.5 AWARDS NOT TREATED AS COMPENSATION UNDER BENEFIT PLANS. No Award shall be considered as compensation under any employee benefit plan of the Corporation, except as specifically provided in any such plan or as otherwise determined by the Board.

6.6 LISTING AND QUALIFICATION OF SHARES. The Corporation, in its discretion, may postpone the issuance or delivery of Shares upon any exercise of an Option or SAR or pursuant to an Award of Restricted Stock or Phantom Stock Units until completion of such stock exchange listing or other qualification of such shares under any state or federal law, rule or regulation as the Corporation may consider appropriate, and may require any Participant, Beneficiary or legal representative to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of the Shares in compliance with applicable laws, rules and regulations.

6.7 WITHHOLDING TAXES. The Corporation may make such provisions and take such steps as it may deem necessary or appropriate for the withholding of all federal, state and local taxes required by law to be withheld with respect to Awards granted pursuant to the Plan including, but not limited to (i) accepting a remittance from the Participant in cash, or, in the Committee's sole discretion, in Mature Shares, (ii) deducting the amount required to be withheld from any other amount then or thereafter payable by the Corporation or Subsidiary to a Participant, Beneficiary or legal representative or from any Shares due to the Participant under the Plan, (iii) requiring a

Participant, Beneficiary or legal representative to pay to the Corporation the amount required to be withheld as a condition of releasing Shares, or (iv) any combination of the foregoing. In addition, subject to such rules and regulations as the Committee shall from time to time establish, Participants shall be permitted to satisfy federal, state and local taxes, if any, imposed upon the payment of Awards in Shares at a rate up to such Participant's maximum marginal tax rate with respect to each such tax by (A) irrevocably electing to have the Corporation deduct from the number of Shares otherwise deliverable in payment of an Award such number of Shares as shall have a value equal to the amount of tax to be withheld, (B) delivering to the Corporation such portion of the Shares delivered in payment of the Award as shall have a value equal to the amount of tax to be withheld, or (C) delivering to the Corporation such number of Mature Shares or combination of Mature Shares and cash as shall have a value equal to the amount of tax to be withheld.

6.8 NON-TRANSFERABILITY/DESIGNATION AND CHANGE OF BENEFICIARY.

(a) **Transferability Restrictions.** Unless otherwise provided in an Award Agreement, an Award granted hereunder shall not be assignable or transferable other than by will or by the laws of descent and distribution and may be exercised during the Participant's lifetime only by the Participant or his or her guardian or legal representative, except that a Participant may, if permitted by the Committee, in its sole discretion, transfer an Award other than an Incentive Stock Option, or any portion thereof, to one or more members of the Participant's Immediate Family, or one or more trusts for the benefit of such family members or partnerships in which such family members and/or trusts are the only partners, or a charitable organization or foundation selected by the Participant. In the case of a transfer of Restricted Stock or Phantom Stock Units hereunder, the terms and conditions of the Restricted Period and Restrictions, if any, shall continue to apply to the Permitted Transferee of such Shares or Units, as applicable. In the case of a transfer of an Option or SAR hereunder, the exercisability of such transferred Option or SAR, as applicable, shall continue to apply to the Permitted Transferee.

(b) **Beneficiary Designations.** Each Participant shall file with the Committee a written designation of one or more persons as the Beneficiary who shall be entitled to receive the amount, if any, payable under the Plan upon his or her death. A Participant may, from time to time, revoke or change his or her Beneficiary designation without the consent of any prior Beneficiary by filing a new designation with the Committee. The last such designation received by the Committee shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt.

15

6.9 PAYMENTS TO PERSONS OTHER THAN A PARTICIPANT. If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for his or her affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his or her estate (unless a prior claim has been made by a duly appointed legal representative), may, if the Committee so directs the Corporation, be paid to his or her spouse, a child, a relative, an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Corporation therefor.

6.10 NO LIABILITY OF COMMITTEE MEMBERS. No member of the Committee shall be personally liable by reason of any contract or other instrument executed by such member or on his or her behalf in his or her capacity as a member of the Committee nor for any mistake of judgment made in good faith, and the Corporation shall indemnify and hold harmless each employee, officer or Director of the Corporation to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim with the approval of the Board) arising out of any act or omission to act in connection with the Plan unless arising out of such person's own fraud or bad faith. The indemnification provided for in this Section shall be in addition to any rights of indemnification such Committee member has as a director or officer pursuant to law, under the Certificate of Incorporation or By-Laws of the Corporation.

6.11 AMENDMENT OR TERMINATION. Except as to matters that in the opinion of the Corporation's legal counsel require shareholder approval, any provision of the Plan may be modified as to a Participant by an individual written agreement approved by the Committee. The Board may, with prospective or retroactive effect, amend, suspend or terminate the Plan or any portion thereof at any time; provided, however, that (i) no amendment that would materially increase the cost of the Plan to the Corporation may be made by the Board without the approval of the shareholders of the Corporation and (ii) no amendment, suspension or termination of the Plan shall deprive any Participant of any rights to Awards previously made under the Plan without his or her written consent. Subject to earlier termination pursuant to the provisions of this Section, and unless the shareholders of the Corporation shall have approved an extension of the Plan beyond such date, the Plan shall terminate and no further Awards shall be made under the Plan after the 10th anniversary of the effective date of the Plan specified in Subsection 1.1.

6.12 GOVERNING LAW. The Plan shall be governed by and construed in accordance with the laws of the State of Maryland, without reference to the principles of conflicts of law thereof.

6.13 NON-UNIFORM DETERMINATIONS. The Committee's determinations under the Plan need not be uniform and may be made by the Committee selectively among persons who receive, or are eligible to receive, Awards whether or not such persons are similarly situated. Without limiting the generality of the foregoing, the Committee shall be entitled, to enter into non-uniform and selective Award Agreements, including, but not limited to, (a) the identity of the Participant, (b) the terms and provisions of Awards, and (c) the treatment of Terminations.

6.14 NO ILLEGAL TRANSACTIONS. The Plan and all Awards granted pursuant to it are subject to all applicable laws and regulations. Notwithstanding any provision of the Plan or any Award, Participants shall not be entitled to exercise, or receive benefits under, any Award, and the Corporation shall not be obligated to deliver any Shares or deliver any benefits to a Participant, if such exercise or delivery would constitute a violation by the Participant or the Corporation of any applicable law or regulation.

6.15 SEVERABILITY. If any part of the Plan is declared by any court of governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any other part of the Plan. Any Section or part of a Section so declared to be unlawful or invalid shall, if possible, be construed in manner which will give effect to the terms of such Section to the fullest extent possible while remaining lawful and valid.

16

6.16 HEADINGS. Headings are included for the convenience of reference only and shall not be used in the interpretation or construction of any such provision contained in the Plan.

6.17 SECTION 409A. It is the Corporation's intent that any Awards granted under this Plan are structured to be exempt from Section 409A of the Code, including all Treasury Regulations and other guidance issuance pursuant thereto ("Section 409A") or are structured to comply with the requirements of deferred compensation subject to Section 409A. Notwithstanding any contrary provision of the Plan or any Award, the following provisions shall apply to any Award in a manner consistent with such intent.

(a) For purposes of this Section 6.17, an Award shall constitute a "409A Award" if and to the extent either:

- (i) it is an Award (other than an Option, SAR, or Restricted Stock) that (A) is not “subject to a substantial risk of forfeiture” as defined in Section 409A (by reason of the Participant having attained eligibility for Retirement or otherwise), and (B) (1) that is actually settled after March 15 of the year following the year in which the Award ceases to be subject to a substantial risk of forfeiture or (2) that the terms of the Plan or the Award provide will be settled after such March 15 upon or after the occurrence of any event that may occur after such March 15; or
- (ii) the Committee determines that the Award otherwise constitutes deferred compensation as defined in Section 409A.

(b) If any amount becomes payable under any 409A Award by reason of a Participant’s Termination, and such Participant incurs a Termination as set forth in the Plan or the Award that is not a “separation from service,” as defined by Section 409A, then the Participant’s right to such payment, shall be vested on the date of the Termination to the extent provided by the Plan or Award Agreement, but payment shall be deferred until the earliest of (i) the date the Participant incurs such a separation from service (or six months thereafter if and to the extent required by Section 6.17(d)), (ii) the date that a “change in control event” as defined in Section 409A occurs with respect to the Participant, (iii) the Participant’s death, or (iv) if the terms of the Award provide for payment upon a specific vesting date, such specific vesting date.

(c) If any amount becomes payable under any 409A Award by reason of a Change in Control, and a Change in Control occurs as defined by the Plan or the Award that is not a “change in control event,” as defined by Section 409A, with respect to such Participant, then the Participant’s right to such payment shall be vested on the date of the Change in Control to the extent provided in the Plan or Award Agreement, and the amount of such payment shall be determined as of such date, but payment shall be deferred until the earliest of (i) the date on which a change in control event occurs with respect to the Participant, (ii) the date on which the Participant incurs a separation from service (or six months thereafter to the extent required by Section 6.17(d)), (iii) the Participant’s death, or (iv) if the terms of the Award provide for payment upon a specific vesting date, such specific vesting date.

(d) No amount that becomes payable under any 409A Award by reason of a Participant’s separation from service (as determined after the application of Section 6.17(b) and (c)) will be made to a Participant who is a “specified employee” (as defined by Section 409A) until the earlier of: (i) the first day of the seventh month following the month that includes the Participant’s separation from service, or (ii) the Participant’s date of death.

(e) To the extent that payment of any amount of a 409A Award is required to be deferred to a later date (the “409A Deferral Date”) by reason of Section 409A, all amounts that would otherwise have been paid prior to the 409A Deferral Date shall be paid in a single lump sum on the first business day following the 409A Deferral Date, and the Committee may, in its sole discretion (but shall in no event be required to) permit an earlier payment to a Participant to the extent necessary to alleviate a “severe financial hardship” resulting from an “unforeseeable emergency,” all as defined in Section 409A.

(f) For purposes of Section 409A, each “payment” (as defined by Section 409A) made under this Plan shall be considered a “separate payment” for purposes of Section 409A.

17

(g) Any payment with respect to a 409A Award that becomes payable upon a specified date, as defined in the Plan or Award, shall be paid as soon as practical after such date, but not later than the last day of the calendar year in which the date occurs.

(h) Any election by a Participant to defer receipt of any amount payable with respect to a 409A Award shall be made only in accordance with a written policy adopted by the Committee that satisfies all requirements of Section 409A.

(i) Notwithstanding the Corporation’s intentions as set forth above, if any Award granted under this Plan would fail to meet the requirements of Section 409A with respect to such Award, then such Award shall remain in effect and be subject to taxation in accordance with Section 409A. Neither the Corporation nor any member of the Committee shall have any liability for any tax imposed on a Participant by Section 409A, and, if any tax is imposed on the Participant, the Participant shall have no recourse against the Corporation or any member of the Committee for payment of any such tax.

6.18 CERTAIN FORFEITURE EVENTS.

(a) The Committee may specify in an Award Agreement that the Participant’s rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture (including repurchase of Shares for nominal consideration), or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, failure to remit the amounts necessary to satisfy the Participant’s tax withholding obligations, termination of employment for Cause, termination of the Participant’s provision of services to the Corporation, Affiliate, and/or Subsidiary, violation of material Corporation, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Corporation, its Affiliates, and/or its Subsidiaries.

(b) If the Corporation is required to prepare an accounting restatement due to the material noncompliance of the Corporation, as a result of misconduct, with any financial reporting requirement under the securities laws, if the Participant knowingly or grossly negligently engaged in the misconduct, or knowingly or grossly negligently failed to prevent the misconduct, or if the Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, the Participant shall, to the extent required by Section 304 of the Sarbanes-Oxley Act of 2002, reimburse the Corporation the amount of any payment in settlement of an Award earned or accrued during the twelve (12) month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever just occurred) of the financial document embodying such financial reporting requirement.

(c) To the extent that any policy adopted by the Corporation in order to comply with regulations issued pursuant to Section 10D of the Exchange Act, as required by Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, requires any Participant to forfeit any Award, or repay any amount paid with respect to any Award, such policy shall be deemed incorporated into all outstanding Awards to the extent required by such regulations, and all Participants subject to such regulations, by accepting any Award, shall be deemed to have consented to the inclusion of provisions in their Award Agreement as determined by the Committee to be necessary or appropriate to comply with such regulations.
